

Zurich is part of your squad

Women are less likely than men to have life insurance which can leave them vulnerable financially if something goes wrong.

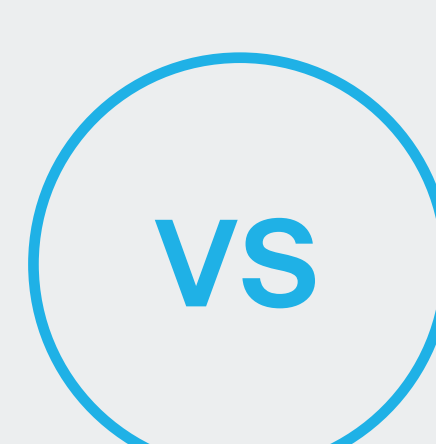

Let Zurich protect you and your loved ones.

Did you know?

2 in 3 males

1 in 2 females

have life insurance

We paid **9 out of 10 claims**

1 in 4
women claim for
cancer

1 in 5
women claim for
mental health

4 in 5 women
worry

about being a burden on their loved ones if they lost their income due to illness or injury and didn't have the right cover.

1 in 2

women **would consider getting financial advice** in the next two years.

68%

of women agree that life insurance through super **is not enough.**

We're on your team, learn more about equipping yourself with insurance.

> **Speak to a financial advisor**

A financial adviser can help you understand your current financial situation, as well as your goals for the future.

> **Find out more online**
