The information contained in this PDS is general information only. It is important you read your policy to ensure you have the cover you need.

We capitalise or italicise terms in this PDS, to show that words are abbreviations or have a particular defined meaning. You should refer to the Definitions in this document to obtain the full meaning of such terms.

How to apply for this insurance
Throughout this document when we are referring to your insurance broker or adviser, we simply refer to them as your intermediary.

If you are interested in buying this product or have any inquiries about it, you should contact your intermediary who should be able to provide you with all the information and assistance you require.

If you are not satisfied with the information provided by your intermediary you can contact us at the address or telephone number shown on the back cover of this document. However, we are only able to provide factual information or general advice about the product. Our Group Personal Accident and Sickness Insurance
Zurich Group Personal Accident and Sickness Insurance allows you to tailor the cover for your requirements. Cover can be arranged by you (referred to as the insured) to cover yourself or some other person(s) (referred to as the insured person(s)).

The policy operates 24 hours a day, seven days a week, anywhere in the world.

For a summary of additional benefits available to you, see ‘Benefits of cover available’ on page 8.

Our contract with you
This policy is a contract of insurance between the insured and Zurich and contains all the details of the cover that we provide.

The policy is made up of:

- the policy wording which begins at page 10 of this document. It tells you what is covered, sets out the claims procedure, exclusions and other terms and conditions of cover;
- the proposal, which is the information you provide to us when applying for insurance cover;
- your most current policy schedule issued by us. The schedule is a separate document unique to you, which shows the insurance details relevant to you. It includes any changes, exclusions, terms and conditions made to suit your individual circumstances and may amend the policy; and
- any other written change otherwise advised by us in writing (such as an endorsement or a supplementary PDS). These written changes vary or modify the above documents.
Please note, only those covers shown as covered in your schedule are insured.

This document is also the PDS for any offer of renewal we may make, unless we tell you otherwise. Please keep your policy in a safe place. We reserve the right to change the terms of this product where permitted to do so by law.

About an insured person
An insured person has a right to recover under this policy only through Section 48 of the Insurance Contracts Act 1984 (Cth) and is not a party to the contract of insurance. Only the insured is able to vary or cancel the policy.

When the insured person’s cover starts and ends
An insured person’s ability to access cover:
• starts at the time the relevant person becomes an insured person; and
• ends when the relevant person no longer meets the criteria specified in the schedule for an insured person or at the end of the period of insurance (whichever is the earliest).

Please refer to the Definitions section on page 11 for the definition of period of insurance.

Significant issues to consider
Insurance contracts contain policy exclusions, policy terms and conditions and policy limits and sub-limits that you should be aware of when deciding to purchase our product. These things may affect the amount of the payment that we will make to you if you have a claim.

We may express some policy terms, policy limits or sub-limits as being either a dollar amount or a percentage of your sum insured shown in your schedule or some other amount, factor or item specified in the relevant clause or this document. You should be aware of the following matters in considering whether this product is suitable for your needs.

Excesses can apply
An excess may apply to claims made under each of these Sections. An excess is not an additional fee, charged by us at the time of making a claim. Rather, it is the uninsured first portion of a loss for which you are otherwise covered, i.e. the amount that you must contribute towards each claim.

We are able to provide options to quote higher or lower excess or excess period alternatives in certain circumstances, which will either decrease or increase your premium, depending upon the options requested.

The excess and excess period applicable to your policy is specified in the schedule. There are also other excesses which are specified in the policy.

Exclusions
This policy contains a number of exclusions, some of which are common in insurance policies of this type. For example, we may not pay for death, injury, sickness or disability arising from:
• radioactivity or the use, existence or the escape of nuclear fuel, material or waste; or
• any deliberate, illegal or criminal acts inflicted by or on behalf of an insured person, or any other person acting with their consent or at their direction.

Some of the exclusions may be less common, and as such may be unexpected. For example, this policy excludes cover for death, injury or sickness arising from training for or participating in a professional sport. Please refer to page 21 for the details of this exclusion.

The above are some of the events that are not covered by this policy. Before making a decision about whether to purchase this policy, you should read the full details of all relevant exclusions, which are contained in the policy. Please refer to the General Exclusions on page 21.
Coverage Conditions and General Provisions
Coverage Conditions and General Provisions set out your general obligations with which you need to comply. Please refer to pages 20 and 23. You should read the policy wording and make yourself aware of all the terms, coverage conditions and general provisions that apply. If you do not meet them, we may be able to decline or reduce the claim payment or cancel your policy.

Make sure you have the cover you need
You should discuss with your intermediary the appropriate amounts and risks for which you need to be insured. If you do not adequately insure for the relevant risks you may have to bear any uninsured losses yourself.

You should also advise your intermediary to notify us as soon as possible, when your circumstances change which are relevant to your policy.

Duty of Disclosure
For insureds who are not a natural person, before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:
• reduces the risk we insure you for; or
• is common knowledge; or
• we know or should know as an insurer; or
• we waive your duty to tell us about.

Individuals
If you are the insured and you are a natural person, a different duty of disclosure to the one set out above applies to you. Contact your intermediary or us to ensure you are notified of your duty.

If you do not tell us something
If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Cooling-off period
After you apply for a Zurich product and you have received the policy document, you have 21 days to check that the policy meets your needs. Within this time you may cancel the policy and receive a full refund of any premium paid, unless you have:
• made a claim or become entitled to make a claim under your policy; or
• exercised any right or power you have in respect of your policy or the policy has ended.

Your request will need to be in writing and forwarded to us via your intermediary or to the address shown on the back cover of this document.

You can cancel your policy at any time after the cooling-off period. Please refer to ‘Cancellation’ under General Provisions on page 23.
How we calculate your premium
The premium amount that you must pay for your insurance cover is set out in your policy schedule. The amount of your premium is determined by taking a number of different matters into account. You can seek a quote at any time.

It is important for you to know in particular that the premium varies depending on the information we receive from you about the risk to be covered by us. The higher the risk is, the higher the premium will be. Based on our experience and expertise as an insurer, we decide what factors increase our risk and how they should impact on the premium. Each insurer can do this differently.

In this product the factors that are taken into consideration include the following:

- the business of the insured;
- the occupation of insured persons;
- benefit limits chosen; and
- the excess amount you elect. This means that when you purchase a policy you may elect to take a larger excess in the event of a claim, which will reduce the cost of your premium. If you are interested in this, you should ask your intermediary to supply you with quotes based on differing excess or excess period amounts.

Your intermediary can arrange for you to be provided with a quote for a premium. You will need to give your relevant personal details to your intermediary at this time to enable us to calculate the premium.

Another important thing to know is that your premium also includes amounts that take into account our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty and GST) in relation to your policy. These amounts will be set out separately on your schedule as part of the total premium payable.

How and when you pay your premium and what happens if you don’t pay?
Premiums are charged and are payable on a yearly basis. Your intermediary can also tell you what other methods are available to make your premium payments.

Your intermediary should send you an offer of renewal of your insurance once a year, before your current period of insurance expires. If you do not pay your premium when due, your policy may lapse after 30 days and you will not be covered. You may be able to reinstate your policy after it lapses, but you must submit an application to us, which is subject to our reassessment of your personal circumstances and the circumstances of all persons to be insured at the time of application.

Taxation
The following taxation information is a guide only and is based on the current law and its interpretation. Your individual circumstances will be important to and may affect the tax treatment of any premiums you pay or benefits you receive. You should consult your tax adviser regarding your individual circumstances.

Income Tax
Generally, if you are entitled to receive weekly benefits, the premium you pay may be tax deductible. Premiums may also be tax deductible if you have taken out your policy for a revenue purpose.

Generally, if you receive weekly benefits, these benefits may be assessable to you and subject to tax at your marginal income tax rate. However, lump sum amounts that you receive are generally not taxable.

This information is a guide only, and is based on current taxation laws, their continuation and their interpretation. For information about your individual circumstances, contact your tax adviser.

Goods and Services Tax
Generally, you will not be required to pay Goods and Services Tax (GST) on any benefits you receive under your policy. However, you must advise us if you are entitled to claim an input tax credit in relation to any GST payable on your premium and the extent of that entitlement. If you do not provide this information to us, you may be liable to pay an amount of GST on benefits you receive.

If you are registered for GST, any payment we make for funeral expenses, modification expenses or accommodation expenses will be reduced by the amount of any input tax credit you or another person are entitled to for those expenses.
How to make a claim
If you need to make a claim against this policy, please refer to Claims Procedures on page 21.

If you have any queries, please contact your intermediary as soon as possible, or call us on 132 687.
