Significant issues to consider

Insurance contracts contain policy exclusions, policy terms and conditions and policy limits and sub-limits that *you* should be aware of when deciding to purchase our product. These things may affect the amount of the payment that we will make to *you* if *you* have a claim.

We may express some policy terms, policy limits or sub-limits as being either a dollar amount or a percentage of *your* sum insured shown in *your schedule* or some other amount, factor or item specified in the relevant clause of this document.

You should be aware of the following matters in considering whether this product is suitable for *your* needs.

Basis of settlement

Under 2.2 'Basis of valuation' we explain how *your goods* will be valued in the event of a loss. The agreed value of the *goods*, with some exceptions as outlined in clauses 2.2.1, 2.2.2 and 2.2.3, is new for old. Please refer to page 11 for full details.

Excesses can apply

When *you* make a claim under this policy *you* may be required to pay an *excess*. An *excess* is not an additional fee charged by us at the time of making a claim. Rather, it is the uninsured first portion of loss for which *you* are otherwise covered, i.e. the amount that *you* must contribute towards each claim.

The amount of *your excess* is shown in *your schedule* and *you* must pay this amount in the event of any claim.

Upon acceptance of *your claim you* will be required to pay the amount of *your excess* either to us or to the repairer. We will advise *you* to whom *your excess* must be paid.

Exclusions

This policy contains a number of exclusions, some of which are common in insurance policies. For example, we may not pay for loss or damage caused by:

- delay;
- wear and tear, moth, vermin, normal atmospheric or climactic conditions or inherent vice;
- mechanical, electrical or electronic breakdown or malfunction of *goods* where there is no external evidence that an event insured against has occurred, unless Platinum cover is selected;
- loss of data from any computer hardware or software.

Some of the exclusions may be less common. Before making a decision to purchase this policy *you* should read the full details of all exclusions contained in the policy wording. Some exclusions may not be relevant to *you*, however *you* should be aware of all the exclusions. Please refer to 6. 'Exclusions' on page 14.

Terms and conditions

Terms and conditions applicable to *your policy* set out *your* obligations with which *you* need to comply. Please refer from page 11.

You should be aware of all the terms and conditions that apply to this policy. If *you* do not meet the terms and conditions we may be able to decline or reduce any claim payment or cancel *your* policy.

Make sure you have the cover you need

You should discuss with *your* intermediary the appropriate amounts and risks for which *you* need to be insured. If *you* do not adequately insure for the relevant risks *you* may have to bear any uninsured losses yourself.

If *you* do not chose appropriate amounts that allow for the correct value of *your goods* *you* may be under insured when *you* make a claim.

Change of circumstances

You should also advise *your* intermediary to notify us as soon as possible when *your* circumstances change if they are relevant to *your* policy. For instance, if *you* change the destination *your goods* are to be delivered to or *you* purchase additional *goods*. If *you* do not tell *your* intermediary of these changes, in the event of a claim *your* sum insured may not be adequate to cover *your* loss, or *you* may not have any cover under *your* policy.

Duty of Disclosure

This contract of insurance will be governed by either the Insurance Contracts Act 1984 (Cth) or the Marine Insurance Act 1909 (Cth).

Duty of Disclosure under the Insurance Contracts Act 1984

Before *you* enter into an insurance contract, *you* have a duty of disclosure under the Insurance Contracts Act 1984 (Cth).

If we ask *you* questions that are relevant to our decision to insure *you* and on what terms, *you* must tell us anything that *you* know and that a reasonable person in the circumstances would include in answering the questions.

You have this duty until we agree to insure *you*.

If you do not tell us something

If *you* do not tell us anything *you* are required to tell us, we may cancel *your* contract or reduce the amount we will pay *you* if *you* make a claim, or both.

If *your* failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Duty of Disclosure under the Marine Insurance Act 1909

Your attention is drawn to Sections 23 to 27 of the Marine Insurance Act 1909 (Cth) and, in particular, that any contract of marine insurance is based on utmost good faith and in the absence of such good faith, may be avoided. Further, *you* have an obligation to disclose to us every material circumstance which is known to *you* and/or which in the ordinary course of business ought to be known to *you*. Every circumstance is material if it would influence the judgement of a prudent insurer in fixing the premium or determining whether they will take the risk. If there is a failure to make such disclosure, we may avoid the contract.

Our contract with you

This policy is a contract of insurance between the *insured* and Zurich and contains all the details of the cover we provide.

This policy is made up of:

- the policy wording. It states what is covered, sets out the claims procedure, Exclusions and other terms and conditions of cover;
- the proposal, which is the information *you* provide to us when applying for insurance cover;
- the most current policy *schedule* issued by us. The *schedule* is a separate document unique to the *insured*. It includes any changes, Exclusions, terms and conditions made to suit the individual circumstances and may amend the policy; and
- any other written changes advised by us in writing (such as an endorsement). These written changes vary or modify the above documents.

Please note, only those covers shown in the *schedule* are insured. Please keep this policy in a safe place. We reserve the right to change the terms of this product where permitted to do so by law.

How we calculate your premium

The amount we charge *you* for *your* policy is made up of the premium and any government taxes and charges applicable. The premium is the amount we have calculated to cover the risk of insuring *your goods*. The premium varies depending on the information we receive from *you* about the risk to be covered by us. The higher the risk is the higher the premium will be. Based on our expertise as an insurer we decide what factors increase our risk and how they should impact on the premium. Each insurer can do this differently.

We calculate *your* premium on the basis of the information we receive from *you* when *you* apply for insurance. Some of the factors impacting the premium are:

- the level of cover *you* have chosen – Platinum, Gold or Silver cover;
- the sum *you* have selected to insure *your goods* for – a higher sum insured will attract a higher premium than a lower sum insured;
- the destination *your goods* are delivered to – countries, or areas, of low risk for insured events (such as flood or terrorism) attract a lower premium than countries of areas of high risk for insured events;
- the distance *your goods* are transported – longer distances will attract a higher premium than shorter distances; and
- the length of any period *you* elect to *store your goods* – shorter *storage* periods will attract a lower premium than longer periods.

Premiums may be subject to Commonwealth and State taxes, charges and duty (including Goods and Services Tax (GST)). The premium payable by *you* and the amount of these taxes, charges and duty will be shown in the *schedule*.

How to pay your premium and what happens if you don't pay

Premiums are charged and are payable before the transit of *your goods* commences. If *you* do not pay *your* premium by this date *you* may not have any cover and we may refuse to pay a claim. *Your* intermediary can tell *you* what other methods may be available to make *your* premium payment.

Taxation information

We show all taxes and charges as separate items on all *schedules* (for example GST and stamp duty). Details about GST as it relates to claims payments are shown in the policy wording under 7.6 'Payments in respect to Goods and Services Tax'.

How to make a claim

If *you* need to make a claim against this policy, please refer to page 18 'Claims procedure' under Claims conditions. If *you* have any queries please contact *your* intermediary as soon as possible or call us on 132 687.
