This Product Disclosure Statement (PDS) is an important document. *You* should read it carefully before making a decision to purchase this product.

This PDS will help you to:

- decide whether this product will meet *your* needs; and
- compare this product with other products *you* may be considering.

The information contained in this PDS is general information only. It is important *you* read *your* policy to ensure *you* have the cover *you* need.

We sometimes capitalise or italicise terms in this PDS, to show that words are abbreviations or have a particular defined meaning *you* should refer to the Definitions section of this document from page 9 to obtain the full meaning of such terms.

How to apply for this insurance

Throughout this document when referring to *your* insurance broker or adviser, we may refer to them as *your* intermediary.

If *you* are interested in buying this product or have any inquiries about it, *you* should contact *your* intermediary who should be able to provide *you* with all of the information and assistance *you* require.

If *you* are not satisfied with the information provided by *your* intermediary *you* can contact us at the address or telephone number shown on the back cover of this document. However, we are only able to provide factual information or general advice about the product. We do not give advice on whether the product is appropriate for *your* personal objectives, needs or financial situation.

Our Specified Items in Transit Insurance

Zurich Specified Items in Transit Insurance is designed for a single sending of goods (other than home removals) or livestock anywhere within Australia. Our policy covers defined events including:

- fire, explosion, lightning or flood (clause 1.3.1); or
- theft (clause 1.3.6).

Significant issues to consider

Insurance contracts contain policy exclusions, policy terms and conditions and policy limits and sub-limits that *you* should be aware of when deciding to purchase our product. These things may affect the amount of the payment that we will make to *you* if *you* have a claim.

We may express some policy terms, policy limits or sub-limits as being either a dollar amount or a percentage of *your* sum insured shown in *your* schedule or some other amount, factor or item specified in the relevant clause of this document.

You should be aware of the following matters in considering whether this product is suitable for *your* needs.

Basis of settlement

Under clause 2.2 'Basis of valuation' we explain how *your* goods will be valued in the event of a loss. The agreed value of the *goods* is their market value or the cost, at the time of the commencement of the insured transit, of replacing the *goods* with similar *goods* of the same age and condition.

Excesses can apply

When *you* make a claim under this policy *you* may be required to pay an excess. An excess is not an additional fee charged by us at the time of making a claim. Rather, it is the uninsured first portion of loss for which *you* are otherwise covered, i.e. the amount that *you* must contribute towards each claim.

The amount of *your* excess is shown in *your* schedule and *you* must pay this amount in the event of any claim.

Upon acceptance of *your* claim *you* will be required to pay the amount of *your* excess either to us or to the repairer. We will advise *you* to whom *your* excess must be paid.

Exclusions

This policy contains a number of exclusions, some of which are common in insurance policies. For example, we may not pay for loss or damage caused by:

- delay, loss of market or consequential loss of any description;
- mechanical, electrical or electronic breakdown or malfunction of *goods* where there is no external evidence that an event insured against has occurred,

Some of the exclusions may be less common. Before making a decision to purchase this policy *you* should read full details of all exclusions contained in the policy wording. Some exclusions may not be relevant to *you*, however *you* should be aware of all the exclusions. Please refer to 5. 'Exclusions' on page 10.

Terms and conditions

Terms and conditions applicable to *your* policy set out *your* obligations with which *you* need to comply. Please refer from page 8.

You should be aware of all the terms and conditions that apply to this policy. If *you* do not meet the terms and conditions we may be able to decline or reduce any claim payment or cancel *your* policy.

Make sure you have the cover you need

You should discuss with *your* intermediary the appropriate amounts and risks for which *you* need to be insured. If *you* do not adequately insure for the relevant risks *you* may have to bear any uninsured losses yourself.

If *you* do not chose appropriate amounts that allow for the correct value of *your goods* *you* may be under insured when *you* make a claim.

Change of circumstances

You should also advise *your* intermediary to notify us as soon as possible when *your* circumstances change if they are relevant to *your* policy. For instance, if *you* change the destination *your goods* are to be delivered to or *you* purchase additional *goods*. If *you* do not tell *your* intermediary of these changes, in the event of a claim *your* sum insured may not be adequate to cover *your* loss, or *you* may not have any cover under *your* policy.

Duty of Disclosure

Before *you* enter into an insurance contract, *you* have a duty of disclosure under the Insurance Contracts Act 1984 (Cth).

If we ask *you* questions that are relevant to our decision to insure *you* and on what terms, *you* must tell us anything that *you* know and that a reasonable person in the circumstances would include in answering the questions.

You have this duty until we agree to insure *you*.

If you do not tell us something

If *you* do not tell us anything *you* are required to tell us, we may cancel *your* contract or reduce the amount we will pay *you* if *you* make a claim, or both.

If *your* failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Our contract with you

This policy is a contract of insurance between the *insured* and Zurich and contains all the details of the cover we provide.

This policy is made up of:

- the policy wording. It states what is covered, sets out the claims procedure, Exclusions and other terms and conditions of cover;
- the proposal, which is the information *you* provide to us when applying for insurance cover;
- the most current policy *schedule* issued by us. The *schedule* is a separate document unique to the *insured*. It includes any changes, Exclusions, terms and conditions made to suit the individual circumstances and may amend the policy; and
- any other written changes advised by us in writing (such as an endorsement). These written changes vary or modify the above documents.

Please note, only those covers shown in the *schedule* are insured. Please keep this policy in a safe place. We reserve the right to change the terms of this product where permitted to do so by law.

How we calculate your premium

The amount we charge *you* for *your* policy is made up of the premium and any government taxes and charges applicable. The premium is the amount we have calculated to cover the risk of insuring *your goods*. The premium varies depending on the information we receive from *you* about the risk to be covered by us. The higher the risk is the higher the premium will be. Based on our expertise as an insurer we decide what factors increase our risk and how they should impact on the premium. Each insurer can do this differently.

We calculate *your* premium on the basis of the information we receive from *you* when *you* apply for insurance. Some of the factors impacting the premium are:

- the type of *goods* to be insured;
- the sum the *goods* are to be insured for; and
- the type of cover *you* select.

Premiums may be subject to Commonwealth and State taxes, charges and duty (including Goods and Services Tax (GST)). The premium payable by *you* and the amount of these taxes, charges and duty will be shown in the *schedule*.

How to pay your premium and what happens if you don't pay

Premiums are charged and are payable before the transit of *your* goods commences. If *you* do not pay *your* premium by this date *you* may not have any cover and we may refuse to pay a claim. *Your* intermediary can tell *you* what other methods may be available to make *your* premium payment.

Taxation information

We show all taxes and charges as separate items on all *schedules* (for example GST and stamp duty). Details about GST as it relates to claims payments are shown in the policy wording under 6.6 'Payments in respect to Goods and Services Tax'.

How to make a claim

If *you* need to make a claim against this policy, please refer to page 10 'Claims procedure' under Claims conditions. If *you* have any queries please contact *your* intermediary as soon as possible or call us on 132 687.

Privacy

Zurich is bound by the Privacy Act 1988. We collect, disclose and handle information, and in some cases personal or sensitive (eg health) information, about *you* ('*your* details') to assess applications, administer policies, contact *you*, enhance our products and services and manage claims ('Purposes'). If *you* do not provide *your* information, we may not be able to do those things. By providing us, our representatives or *your* intermediary with information, *you* consent to us using, disclosing to third parties and collecting from third parties *your* details for the Purposes.

We may disclose *your* details, including *your* sensitive information, to relevant third parties including *your* intermediary, affiliates of Zurich Insurance Group Ltd, other insurers and reinsurers, our service providers, our business partners, health practitioners, *your* employer, parties affected by claims, government bodies, regulators, law enforcement bodies and as required by law, within Australia and overseas.

It also sets out how we handle complaints and how *you* can access or correct *your* details or make a complaint.
