- *we* may reduce the cover provided so that *we* are placed in the same position as *we* would have been in, had there not been any misrepresentation and *your* duty of disclosure had been complied with; and
- *we* may also cancel the policy; or
- *we* may treat the policy as if it never existed if the misrepresentation or the non-compliance with *your* duty of disclosure was fraudulent.

Section Three – General conditions

6. Deductible

Any claim recoverable under this policy will be subject to the deduction of the sum stated in the *schedule* in respect of *your* ultimate net loss resulting from any one *occurrence*.

7. Dangerous cargo

You must act diligently to ensure compliance with all regulations, laws and international conventions relating to the handling and storage of *dangerous cargo*.

8. Notification of material change

You must notify *us* in writing as soon as possible of any material change in the risk covered by this policy and pay any additional premium *we* may require.

9. Premium

This policy is in consideration of *your* payment of the minimum and deposit premium as stated in the *schedule*. If *your* actual *gross charges* for the *period of insurance* exceed the estimated *gross charges* on which the deposit premium was based, *you* agree to promptly pay any additional premium calculated by applying the agreed rate to the amount of such excess charges.

No deduction will be made from the *gross charges* in respect of any subcontracted work. *You* agree to keep a complete and accurate record of all *gross charges* for operations covered by this policy for examination by *us* or *our* representatives and *you* further agree to make an annual report of collected and uncollected charges to *us* within 30 days after the expiration of the *period of insurance*.

10. Rights of subrogation

In the event of a payment made under this policy to *you* or on *your* behalf, *we* shall be subrogated to all *your* rights of recovery against any person or organisation. At *our* request and *our* expense, *you* shall do all things reasonably required by *us* for the purpose of enforcing any rights and remedies or of obtaining indemnity from other parties to which *we* are entitled pursuant to this policy.

11. Cross liability

Subject to clause 12 'Joint insureds' where *you* are comprised of more than one party, each of the parties will be considered as a separate legal entity with the words '*you*' and '*your*' applying to each party in this same manner as if a separate policy has been issued to each party, provided that nothing in this condition will result in an increase in *our* limit of liability in respect of any *occurrence* or *period of insurance*.

12. Joint insureds

Where *you* are comprised of more than one legal entity information supplied to *us* will be deemed to have been furnished by or on behalf of all entities. Any information supplied to *us* or any omission or non-disclosure in relation to any renewal or endorsement of this policy will also be deemed to have been furnished, omitted or withheld on behalf of all entities.

13. Other insurance

Provided it is permitted by law, where two or more insurance policies have either been effected by *you* or effected on *your* behalf by another party covering the same risk, this policy will only cover the amount of the claim which exceeds the amount recovered under the other policy or policies, up to the limits provided for under this policy.

14. What you should do in the event of a claim

When an *occurrence* happens which may give rise to a claim under this policy, *you* must take reasonable care to prevent or minimise any loss, damage, liability or costs covered by this policy and ensure that all rights against other parties are properly preserved and exercised.

You must

- 14.1 advise *us* within 30 days of full particulars of every occurrence, circumstance, claim, writ, summons, proceedings, impending prosecution, inquest or the like known to *you*;
- 14.2 use *your* best endeavours to preserve any damaged or defective property which may prove necessary or useful by way of evidence (together with any relevant documentation or records) in connection with any claim and, so far as may be reasonably practicable, no alteration or repair shall be made to any watercraft, *premises*, machinery, fittings, equipment or plant until *we* have had an opportunity to inspect and have provided *our* consent;
- 14.3 retain and preserve from destruction any business documents and records that might foreseeably be connected with potential future claims, of a period for at least seven years;
- 14.4 not make any admission, offer, promise or payment in connection with any *occurrence* or claim under this policy without *our* written consent;
- 14.5 give to *us* all information and assistance as *we* may reasonably require in the prosecution, defence or settlement of any claim.

15. Claims control

- 15.1 We have full discretion in the conduct of any negotiations or proceedings in connection with any claim.
- 15.2 We are entitled (but not obliged), at *our* own cost, to control or take over the conduct of the investigation, defence and/or settlement of any claim, suit or proceeding against *you* which is or is likely to be the subject of indemnity under this policy.

16. Claims settlement

In the event of a claim, we have the option of settling *your* loss by either payment, repair, reinstatement or replacement.

- 16.1 If *you* are liable for GST in respect of any goods, services or other supply which are the subject of a claim under this policy, we will pay *you* for that GST liability. However:
- 16.1.1 where we make a payment under this policy for the acquisition of goods, services or other supply, we will reduce the amount of the payment by the amount of any input tax credit *you* are, or will be, or would have been, entitled to under A New Tax System (Goods and Services Tax) Act 1999 in relation to that acquisition whether or not the acquisition is actually made;
- 16.1.2 where we make a payment under this policy as compensation for the acquisition of goods, services or other supply, we will reduce the amount of the payment by the amount of any input tax credit *you* would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 had the payment been applied to acquire such goods, services or supply.

17. Assignment

It is agreed that no assignment of this policy or any monetary sum which may be, or may become, payable under this policy is to be binding on or recognised by *us* unless a dated notice of such assignment signed by *you* and by the assignor in the case of subsequent assignment, is endorsed on this policy and the insurance with such endorsement is produced before payment of any claim or return of premium under this policy but nothing in this condition is to have effect as an agreement by *us* to the assignment of this policy in the event of a sale or transfer to a new management.

18. Cancellation

- 18.1 *You* may cancel this policy at any time by notifying *us* in writing.
- 18.2 When the policy is subject to the Marine Insurance Act 1909, we may cancel this policy at any time by giving *you* 30 days notice in writing of the date from which cancellation is to take effect. The notification may be delivered personally or posted by certified mail to *you* at the address last notified to *us*. Proof of mailing will be sufficient proof of notification.
- 18.3 When the policy is subject to the Insurance Contracts Act 1984, we may cancel the policy subject to the provisions of that Act.
- 18.4 Within 30 days of the effective date of cancellation, *you* must advise *us* of the actual *gross charges* figures for the period the policy has been in force to enable *us* to calculate the premium due for this period. The difference between this premium and the deposit premium will either be paid or allowed to *you* but subject to a retention by *us* of a minimum premium of 75 per cent of the proportionate part of the estimated annual premium for the period the policy has been in force.

19. Law and jurisdiction

This policy is subject to Australian law and jurisdiction.
