Duty of Disclosure
This contract of insurance will be governed by either the Insurance Contracts Act 1984 (Cth) or the Marine Insurance Act 1909 (Cth).

Duty of Disclosure under the Insurance Contracts Act 1984
Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.
You have this duty until we agree to insure you.
You have the same duty before you renew, extend, vary or reinstate an insurance contract.
You do not need to tell us anything that:
• reduces the risk we insure you for; or
• is common knowledge; or
• we know or should know as an insurer; or
• we waive your duty to tell us about.

If you do not tell us something
If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.
If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Duty of Disclosure under the Marine Insurance Act 1909
Your attention is drawn to Sections 23 to 27 of the Marine Insurance Act 1909 (Cth) and, in particular, that any contract of marine insurance is based on utmost good faith and in the absence of such good faith, may be avoided. Further, the insured has an obligation to disclose to us every material circumstance which is known to the insured and/or which in the ordinary course of business ought to be known by the insured. Every circumstance is material if it would influence the judgement of a prudent insurer in fixing the premium or determining whether he will take the risk. If there is a failure to make such disclosure, we may avoid the contract.

Our contract with you
This policy is a contract of insurance between the insured and Zurich and contains all the details of the cover that we provide.
This policy is made up of:
• the policy wording. It states what is covered, sets out the claims procedure, exclusions and other terms and conditions of cover;
• the proposal, which is the information you provide to us when applying for insurance cover;
• the most current policy schedule issued by us. The schedule is a separate document unique to the insured. It includes any changes, exclusions, terms and conditions made to suit the individual circumstances and may amend the policy; and
• any other written change otherwise advised by us in writing (such as an endorsement). These written changes vary or modify the above documents.

Please note, only covers shown in the schedule are insured. This document is used for any offer of renewal we may make, unless we tell you otherwise. Please keep your policy in a safe place. We reserve the right to change the terms of this product where permitted to do so by law.
Subject to the prior payment of, or your agreement to pay, the premium set out in the schedule, we agree to provide insurance as set out in this policy.

In issuing this policy, we have relied on the information contained in the proposal form and/or any other information given by you or on your behalf.

1. The cover
This open cover is for an open amount up to the limit of indemnity specified in the schedule. It will remain permanently in force until cancelled provided you submit declarations to us regularly at intervals as agreed.

We insure you for loss of or damage to the subject matter insured, liability or expense on conditions as set out in the schedule.

When the cover applies
The insurance only applies to voyages that commence during the period of insurance specified in the schedule, or during any subsequent period that we have accepted payment for.

2. Conditions of cover

2.1 Conditions of insurance
The conditions of insurance are as specified in this policy wording, the schedule and attachments and any clauses referred to in the schedule, all of which are to be read together.

2.1.1 Any reference in the conditions of insurance to Institute Clauses is to the clauses published by the International Underwriting Association of London current at the effective date of this policy.

2.1.2 Any reference to ‘English law and practice’ is amended to ‘Australian law and practice’ wherever it appears.

2.2 Basis of valuation
The subject matter insured is agreed to be valued as stated in the schedule.

2.3 Limits on cover
Further to any limitations to the cover set out in the applicable conditions of insurance, this insurance is limited to the limit of liability stated in the schedule.

2.4 Policies and certificates
Any policies or certificates of insurance issued under this open cover must strictly conform to the terms, conditions and limits of this open cover.

2.5 Declarations
2.5.1 You must promptly declare every consignment to which this open cover applies and we will accept declarations up to, but not exceeding, the limit of indemnity stated in the schedule.

2.5.2 If an unintentional mistake causes an incorrect declaration or a failure to declare a consignment, the mistake must be corrected as soon as you are aware of it, in which event the cover will apply to that declaration.
3. Definitions
When used in this policy, schedule or endorsements the following definitions will apply:

3.1 Insured, You, Your, Assured

insured, you, your, assured means the insured as named in the schedule or as otherwise defined in the policy.

3.2 Period of insurance

period of insurance means the period of insurance stated in the schedule.

3.3 Schedule

schedule means the schedule attaching to and forming part of the policy, including any schedule substituted for the original schedule.

3.4 Subject matter insured

subject matter insured means the insured goods including packaging and labels.

3.5 Terrorism

terrorism means any act(s) of any person(s) or organisation(s) involving:

3.5.1 the causing, occasioning or threatening of harm of whatever nature and by whatever means;

3.5.2 putting the public or any section of the public in fear;

in circumstances in which it is reasonable to conclude that the purpose(s) of the person(s) or organisation(s) concerned are wholly or partly of a political, religious, ideological or similar nature.

4. Exclusions
The following exclusions apply in addition to the exclusions contained in the Institute Clauses or stated elsewhere in the schedule and attachments to this policy.

4.1 Information technology hazards

This insurance does not cover losses otherwise recoverable arising directly or indirectly out of loss of or damage to, or a reduction or alteration in the functionality or operation of, a computer system, hardware, programme, software, data, information repository, microchip, integrated circuit or similar device in or connected with computer equipment or non computer equipment whether your property or not unless the losses are caused directly by one or more of the following perils:

4.1.1 theft of equipment;

4.1.2 collision;

4.1.3 sinking, grounding or stranding of the carrying vessel;

4.1.4 overturning or derailment of land conveyance;

4.2 Institute Radioactive Contamination, Chemical, Biological, Bio-chemical and Electromagnetic Weapons Exclusion Clauses – USA/Canada endorsement

When the schedule states the Institute Radioactive Contamination, Chemical, Biological, Bio-chemical and Electromagnetic Weapons Exclusion Clause (RACCBE) is to apply, the inclusion of this clause in the policy is material to our willingness to provide coverage at the quoted terms, conditions and rates. It is the intent of the parties to give maximum effect to RACCBE as permitted by law. In the event that any portion of RACCBE may be found to be unenforceable in whole or in part under the law of any state, territory, district, commonwealth or possession of the USA, or any province or territory of Canada, the remainder will stay under full force and effect under the laws of that state, territory, district commonwealth or possession, province or territory. Further any such finding will not alter the enforceability of the RACCBE under the laws of any other state, territory, district, commonwealth or possession of the USA, or any province or territory of Canada, to the fullest extent permitted by applicable law.

4.3 ISM

This policy excludes loss, damage or expense where the subject matter insured is carried by a vessel that is not ISM certified or whose owners or operators do not hold an ISM Code Document of Compliance when, at the time of loading of the subject matter insured on board the vessel, you are aware, or in the ordinary course of business should have been aware that either;

4.3.1 the vessel was not certified in accordance with the ISM Code; or

4.3.2 a current Document of Compliance was not held by its owners or operators as required under the Safety of Life at Sea (SOLAS) convention 1974 as amended.

This exclusion will not apply where this insurance has been assigned to the party claiming under this policy who had bought or agreed to buy the subject matter insured in good faith under a binding contract.

4.4 Mechanical or electronic derangement

This policy excludes mechanical, electrical or electronic breakdown or malfunction where there is no external evidence that an insured event has occurred.

4.5 Termination of transit (terrorism) 2009

This clause will be paramount and override anything contained in this policy inconsistent therewith. Notwithstanding any provision to the contrary contained in this policy or the Clauses referred to, it is agreed that in so far as the policy covers loss of or damage to the subject matter insured caused by any act of terrorism cover will terminate either:

4.5.1 as per the transit clauses contained within the contract of insurance;

4.5.2 on completion of unloading from the carrying vehicle or other conveyance in or at the final warehouse or place of storage at the destination named in the contract of insurance;

4.5.3 on completion of unloading from the carrying vehicle or other conveyance in or at any other warehouse or place of storage, whether prior to or at the destination named in the contract of insurance, which you or your employees elect to use either for storage other than in the ordinary course of transit;

4.5.4 when you or your employees elect to use any carrying vehicle or other conveyance or any container for storage other than in the ordinary course of transit;

4.5.5 in respect of marine transits, on the expiry of 60 days after the completion of discharge overside of the subject matter insured from the oversea vessel at the final port of discharge; or

4.5.6 in respect of air transits, on the expiry of 30 days after unloading the subject matter insured from the aircraft at the final place of discharge

whichever occurs first.

If the contract of insurance or the Clauses referred to specifically provide cover for inland or other further transits following on from storage, or termination as provided for above, cover will re-attach and continue during the ordinary course of that transit terminating again in accordance with clause 4.5.1 to 4.5.6 above.
4.6 Terrorism

This policy excludes any loss, damage, liability or expense arising from:

4.6.1 terrorism; and/or

4.6.2 steps taken to prevent, suppress, control or reduce the consequences of any actual, attempted, threatened, suspected or perceived terrorism.

However this exclusion will not apply to the extent of the provisions of exclusion clause 5.6.

5. Claims conditions

5.1 Claims procedure

When loss or damage happens which may give rise to a claim under this policy, you and/or your agent should take all reasonable measures to avert or minimise the loss and ensure that all rights against carriers, bailees or other third parties are properly preserved and exercised. You and/or your agent must:

5.1.1 claim immediately on the carriers, port authorities or other bailees for any missing packages;

5.1.2 in no circumstances, other than under written protest, give clean receipts where goods are in damaged or doubtful condition;

5.1.3 in no circumstances, other than under written protest, sign a receipt for goods which are in damaged or doubtful condition without noting the damage or doubt regarding the condition on that receipt;

5.1.4 apply immediately for survey by carriers’ or bailees’ representatives if any loss or damage is apparent and claim on the carriers or bailees for any loss or damage found during the survey;

5.1.5 give notice, in writing, to the carriers or bailees within three days of delivery if the loss or damage was not apparent at the time of taking delivery;

5.1.6 immediately notify us, or our nominated survey/settling agent, what has happened and promptly send full details including details of any other insurance on the subject matter insured and the following documentation:

(a) original or copy of shipping invoices, shipping specifications and/or weight notes;

(b) original bill of lading, waybill and/or other contract of carriage;

(c) landing account and weight notes at final destination;

(d) documentary evidence of the extent of the loss or damage; and

(e) any correspondence with the carrier or bailee about their liability for loss or damage.

5.1.7 not authorise any repairs to the subject matter insured without our consent.

5.2 Claims settlement

In the event of a claim, we have the option of settling your loss by payment, repair, reinstatement or replacement.

5.2.1 Goods and Services Tax

If you are liable for Goods and Services Tax (GST) in respect of any goods, services or other supply which are the subject of a claim under this policy we will pay you for that GST liability. However:

(a) where we make a payment under this policy for the acquisition of goods, services or other supply, we will reduce the payment by the amount of any input tax credit you are, or will be, or would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 in relation to that acquisition whether or not the acquisition is actually made; or

(b) where we make a payment under this policy as compensation for the acquisition of goods, services or other supply, we will reduce the payment by the amount of any input tax credit you would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 had the payment been applied to acquire such goods, services or supply.
5.2.2 Foreign currency invoice
If the amount of a claim is to be calculated based on an invoice in a currency other than Australian dollars, the claim will be paid in Australian dollars at the rate of exchange current at the date the loss or damage occurred.

5.3 Excess
In the event of a claim (other than a claim for total loss, General Average or Salvage) you must bear first the amount of any excess specified in the schedule or elsewhere in the policy wording.

5.4 Other insurance
When making a claim on this policy you must also supply us with written details of all policies that may pay or partially pay that claim.

5.5 Rights of subrogation
We are entitled to exercise any rights you or any assignee may have against anyone else in relation to the subject matter insured for which we have settled a claim under this policy. You, and anyone else entitled to claim under this policy, must cooperate fully with us in exercising those rights and must give us any information or assistance we may require.

6. General conditions

The notification may be delivered personally or posted by certified mail to you at the address last notified to us. Proof of mailing will be sufficient proof of notification.

6.3.3 When the policy is subject to the Insurance Contracts Act 1984, we may cancel the policy subject to the provisions of that Act.

6.3.4 Cancellation will not apply to risks which have attached before the cancellation becomes effective.

6.4 Cancellation – war and strikes
The cover against war and/or strikes risks (as defined in the relevant Institute War and Strikes Clauses) may be cancelled by either you or us giving written notice. Such cancellation shall become effective on the expiry of 7 days (or 2 days in respect of strikes risks on shipments to and from the United States of America) from midnight on the day on which written notice of cancellation is issued to or by us but shall not apply to risks which have attached in accordance with the conditions of the Institute War and/or Strikes Clauses before the cancellation becomes effective. Within 30 days of the effective date of cancellation you must advise us of the actual figures for the period war and/or strikes cover has been in force to enable the applicable war and/or strikes premium due for the period to be calculated and the premium prepaid for these risks to be adjusted.
6.5 **Certificates of insurance**
When you, or a third party on your behalf, are provided with the facility to self issue certificates of insurance, any certificate issued must strictly conform to the terms, conditions and limits of this policy. You agree to indemnify us for any claim which we are required to pay because of a certificate being issued that does not conform to the terms, conditions and limitations of this policy.

6.6 **Conduct of claims**
We are entitled to:

6.6.1 conduct on your behalf any legal proceedings or negotiations relating to claims made against you;

6.6.2 authorise you to defend any legal proceedings brought against you on the understanding that we will be kept fully informed and will be consulted and will participate in decision-making regarding liability or any negotiations with other parties; and

6.6.3 exercise any rights you may have against anyone else in relation to goods for which we have paid any amount under this policy.

You, and anyone else entitled to claim under this policy, must cooperate fully with us in exercising these rights and must give us any information or assistance we may require.

6.7 **Notification of material change**
You must notify us as soon as possible of any material change in the risk covered by this policy.

6.8 **Plurals and titles**
The proposal, this policy, the *schedule* and any endorsements are one contract in which, unless the context otherwise requires:

6.8.1 headings are descriptive only, not an aid to interpretation;

6.8.2 singular includes the plural, and vice versa; and

6.8.3 the male includes the female and neuter.

6.9 **Premium**

6.9.1 Premium will be charged on each declared consignment at the rate specified in the *schedule*.

6.9.2 If any Institute War Clauses and/or Institute Strikes Clauses apply, you will pay additional premium;

(a) for war risks on each declared consignment at our current rate on the day of sailing of the vessel from the port of shipment; and/or

(b) for strikes risks on each declared consignment at our current rate on the day of attachment of cover to that consignment.

6.10 **Reasonable care**
You must take reasonable care to prevent loss, destruction, damage or death covered by this policy.

6.11 **Sanctions regulation**
Notwithstanding any other terms or conditions under this policy, Zurich shall not be deemed to provide coverage and will not make any payments nor provide any service or benefit to any insured or any other party to the extent that such cover, payment, service, benefit and/or any business or activity of the insured would violate any applicable trade or economic sanctions, law or regulation.

6.12 **Third parties**
If anyone else is entitled to make a claim under this policy, that person and/or entity must also comply with its terms.
6.13 Transfer
For shipments involving imports and/or exports, this policy permits transfer of the insurance by you or any assignee to another person and/or entity.

For transits commencing and terminating within the same country, you may only transfer a right under this policy with our written consent.

6.14 Variation of war and strikes rates
Our right to cancel insurance of war and/or strikes risks or to increase the war and/or strikes rates or to change the conditions of insurance are not prejudiced by the war and strikes premium under this policy having been prepaid at the rates current at the commencement of each period of insurance.

We have the right to apply higher rates on, or to charge on a ‘hold covered’ basis, voyages or flights to specific countries or areas. Any additional premium will be calculated by applying the difference between prepaid and amended war and/or strikes rates to actual declared figures for the period/s applicable or, if not declared, on a pro-rata to annual premium basis for the annual period concerned.
