Why choose Zurich?

Zurich: insurance and investments to meet your needs

Wealth creation means more than regular saving. It means accumulating wealth (saving and investment), protecting wealth (insurance) and distributing wealth (income). These three activities are not mutually exclusive and many people want to accumulate, protect and distribute wealth simultaneously. Zurich has a range of investment, life insurance, superannuation and general insurance products that may suit your needs. If you would like to know more about how we can help you achieve your financial goals, talk to your financial adviser.

Corporate Responsibility

Zurich's commitment to Corporate Responsibility is embedded in its basic values and principles, which encourages us to take seriously our obligations toward our employees, communities and the environment. This is an aspiration shared globally at Zurich. In Australia, Zurich is committed to proactively addressing Corporate Responsibility through a purpose-built strategy that identifies and acts on relevant social and environmental responsibilities that relate directly to our customers, our intermediaries and our people.

Zurich cares about heart health

One of Zurich's Corporate Responsibility initiatives is a unique relationship with the Heart Foundation. Zurich proudly supports the Heart Foundation as part of our commitment to being a life insurer that cares. With this in mind, Zurich is focusing on heart health, with the aim of better informing our customers, intermediaries and employees about the prevention of cardiovascular disease – the leading cause of death in Australia today.

What is wealth protection?

A complete financial plan should generally allow for 'wealth protection'.

The trouble is no one likes having to talk about insurance. It's easy to think 'it'll never happen to me'. But the very reason we don't want to think about it is the reason we should. We have to know that whatever happens we'll be able to take care of and protect our families and/or business partners.

That means planning ahead and leaving nothing to chance. Ideally you should have a solution in place to manage unforeseen events. Unfortunately, accidents and illnesses can happen to anyone. Insurance is a contingency plan. It takes care of the 'what ifs' and acts to protect your family and/or business partners when you can't.

This PDS contains a number of wealth protection products. Those products broadly offer the types of cover described below:

Types of cover available	What is the purpose of the cover?
Life cover	<p>Life cover pays a lump sum on your death or diagnosis of terminal illness. It's one of the easiest products to understand and it's usually the first one people think of. It may:</p> <ul style="list-style-type: none"> • allow your family to repay debts including mortgage, personal loans, guarantees, credit cards and store cards • provide an adequate income for your dependants to pay for living expenses, school fees, child care and regular bills • protect your business if a key person or principal dies • provide a cash deposit to the estate, which may prevent other assets being sold.
Total & Permanent Disablement (TPD) cover	<p>TPD cover pays a lump sum if you become totally and permanently disabled and therefore are unlikely to ever work again. TPD is about ensuring that you retain as much quality of life as possible. It can:</p> <ul style="list-style-type: none"> • provide funds to allow a family member to give up work to care for you or, alternatively, to fund other home care • allow you to repay debts including mortgage, personal loans, guarantees, credit cards and store cards • pay for any major renovations required to your home (eg. to permit wheelchair access).
Trauma cover	<p>Trauma cover provides a lump sum on the diagnosis, or occurrence, of one of a list of specific injuries and illnesses such as heart attack, cancer or stroke. It can:</p> <ul style="list-style-type: none"> • pay for unexpected medical costs • provide for lifestyle changes • provide for necessary professional care at home • repay large debts such as a mortgage • allow you to make lifestyle changes, such as reducing work hours, by providing additional income.
Income Replacement	<p>Income Replacement insurance provides a monthly payment generally up to 75% of your pre-tax income if you are unable to work due to sickness or injury. It can allow you to:</p> <ul style="list-style-type: none"> • provide for yourself and your family • continue to pay your mortgage, bills, credit cards and other debts and • keep all your investment strategies in place.
Business Expenses	<p>Business Expenses insurance is used to cover fixed business expenses if you are unable to work due to sickness or injury. It can keep the business running while you take time out to recover.</p>

Without wealth protection, all the wealth you have created may be jeopardised. Together with your financial adviser, you can create a financial plan that will help you achieve your goals.

Introduction

Policy conditions

The Policy Conditions which apply to each product are set out in Part 2 of this PDS. The Policy Conditions are a legal document. It is important that you read them carefully and keep them in a safe place.

Defined terms

In this PDS, all terms appearing in *italics* (other than in headings) are defined terms with special meanings. Detailed definitions appear in the Policy Conditions (Part 2). Product features are capitalised for ease of identification.

Important notice

The primary purpose of the Zurich Protection Plus policy is to pay a lump sum on your Death, *Total and Permanent Disablement* or if you suffer a Trauma, depending on the covers selected.

The primary purpose of the Zurich Income Replacement Insurance Plus policy and the Zurich Special Risk Income Replacement Insurance Plus policy is to provide an *Income Benefit* if you suffer a loss of income because you experience a disability.

The primary purpose of the Zurich Business Expenses Insurance Plus policy is to cover your fixed business expenses if you suffer a loss of income because you experience a disability.

The primary purpose of the Zurich Select Term Plus policy, the Zurich Superannuation Term Life Insurance Plus policy and the Zurich Superannuation Select Term Plus policy is to pay a lump sum on your death.

The products provided in the Wealth Protection PDS are not savings plans. If you terminate your cover at any time other than during the cooling off period, you will not get any money back.

Definitions

In this PDS, 'Zurich', 'us', 'our', and 'we' normally means Zurich Australia Limited, except:

- in the About Zurich section of this PDS where these terms mean Zurich Financial Services Australia Limited and its subsidiaries; and
- the Zurich Superannuation Term Life Insurance Plus & Zurich Superannuation Select Term Plus sections of this PDS (and the Risk-only superannuation section, starting on page 69) where these terms mean Zurich Australian Superannuation Pty Limited.

In this PDS we have referred to both the Policy Owner and the Life Insured as 'you'. It is possible that the Policy Owner and the Life Insured are different people. In this case:

- the Policy Owner would normally be paying the *Premiums* and would be receiving the insurance benefit
- the *Premium* amount would depend on the Life Insured's circumstances
- the insurance benefit would only be payable on the death, illness or disability of the Life Insured, as described in the Policy Conditions
- only the Policy Owner and not the Life Insured can extend, vary, cancel or otherwise exercise any right applying to a Zurich Wealth Protection product.

Cooling off period

After you apply for a Zurich Wealth Protection product and you have received your Policy Schedule from Zurich, you have 21 days to check that your policy meets your needs. Within this time you may cancel your policy and receive a full refund of any *Premiums* paid, provided you have not exercised any rights under your policy (with Zurich Superannuation Term Life Insurance Plus and Zurich Superannuation Select Term Plus, this may be subject to preservation requirements. Refer to page 69). Your request will need to be in writing and forwarded to Zurich at the address shown on the back cover of this PDS.

If you exercise any rights in relation to your policy (for example, you make a claim) before the 21 day period has elapsed your option to cancel your policy and receive a refund will be forfeited.

Significant risk

The only significant risk associated with holding a Zurich Wealth Protection product is:

- if you do not comply with your duty of disclosure, we may not pay your claim, pay only a portion of your claim or cancel your cover.

The duty of disclosure is explained on page 4 of the Application Form.

Interim cover

While we are assessing your application, we will provide you with interim cover for up to 90 days against *Accidental Death* and/or *Accidental Injury*, depending on the covers you apply for. The Interim Cover Certificate (refer to page 73) provides details of the cover provided and the exclusions that apply.

Zurich Protection Plus product overview

The Zurich Protection Plus policy pays a lump sum on your Death, *Total and Permanent Disablement* (TPD) or if you suffer a specified Trauma, depending on the covers you select.

Who can apply?

People between the ages of 10 and 69 can apply for Death cover. To apply for TPD cover or the Accidental Death option you must be between the ages of 19 and 59. To apply for Trauma cover you must be between the ages of 18 and 59. To apply for the Needlestick Cover option you must be between the ages of 19 and 65.

How much cover can I apply for?

The minimum amount of cover you can apply for is \$50,000 per benefit per Life Insured, subject to a minimum annual *Premium* for each Life Insured of \$160 (excluding the Management Fee and any government charges). Additional insured lives who are children under the age of 18 are subject to a minimum *Premium* of \$50 a year.

The maximum amount of cover you can apply for is subject to the following guidelines in respect of each policy:

Cover	Maximum amount of cover available
Death cover	The maximum depends on your needs. Your adviser can help you determine this.
TPD cover	\$3,000,000
Trauma cover	\$2,000,000

After your cover is in force, it can increase above the maximums due to Inflation Protection (refer to page 15).

Further restrictions also apply to the total amount of cover in respect of a Life Insured for all policies from all sources (including all policies issued by other life insurers). Generally:

- the total Trauma cover with us and other life insurers cannot exceed \$2,000,000
- the total TPD cover with us and other life insurers cannot exceed \$3,000,000
- the total *Occupationally Acquired HIV* cover with us and other life insurers cannot exceed \$2,000,000.

How will my covers interact?

You can select any combination of Death cover, TPD cover and Trauma cover. When you select more than one cover we will automatically link the two covers together. This ensures that you get the most cost-effective package of cover, but it also means that a claim on one cover will impact the other.

For example, if you select Death cover and Trauma cover, and you make a claim on your Trauma cover, the Death cover will be reduced by the amount of the Trauma cover claim. While there is a Buy Back Death benefit which allows the Death cover to be reinstated in the three years following a Trauma cover claim, the Death cover will be reduced for a time.

This PDS will assume that all covers are linked, as this is the most common way to set up a policy. If you want the covers to be stand-alone, which means each cover is independent and is not impacted by a claim, we can arrange for your policy to be set up this way. Your adviser can help you to determine which cover best suits your individual circumstances.

Can I increase my cover?

Subject to our reassessment of your personal circumstances, you may apply to increase your Death cover any time before your 70th birthday. You may apply to increase the TPD cover, Trauma cover or Accidental Death cover at any time prior to your 59th birthday. The minimum amount you can increase your cover by each time is \$50,000.

When will my cover expire?

Once your application has been accepted and provided you pay your *Premiums* as due (refer to page 65), we guarantee that we will renew your:

- Death cover and TPD cover (if applicable) every year up until the *Policy Anniversary* following your 99th birthday and
- Trauma cover (if applicable) every year up until the *Policy Anniversary* following your 75th birthday (refer to page 12 for more details)

regardless of any changes to your health or other circumstances. Optional benefits may expire at earlier ages (refer to the relevant optional benefit descriptions on pages 15 to 18).

Benefits

This section outlines the benefits which apply to Death cover, TPD cover and Trauma cover individually.

Death cover

Death benefit

We will pay the amount you are covered for as a lump sum if you die during the term of your policy and prior to the Death benefit expiry date.

Terminal Illness benefit

If you are diagnosed with a terminal illness where death is likely to occur within 12 months, we will pay you up to 100% of your Death cover (excluding any cover under the Accidental Death option). Refer to page 66 for Claims requirements. If you have multiple policies issued by Zurich Australia Limited there is a maximum limit of \$2,000,000 on terminal illness benefits payable per Life Insured. The amount of Death cover, any TPD cover and any Trauma cover, will be reduced by any payments made under this benefit. Your *Premium* will then be based on the reduced cover after payment of the Terminal Illness benefit. If you survive beyond 12 months, you do not have to repay this benefit to us.

Accidental Injury benefit

If an *Accidental Injury* causes the entire and irrevocable loss of:

- the use of one hand or the use of one foot or the sight in one eye, we will pay the lesser of 25% of your Death cover or \$500,000 or
- the use of both hands, or the use of both feet, or the sight in both eyes, or any combination of two of the following: the use of one hand, the use of one foot or the sight in one eye, we will pay you the lesser of 100% of your Death cover or \$2,000,000.

For example, if your Death cover is \$400,000 when you make a claim for an *Accidental Injury*, we would pay \$100,000 for the loss of the use of one foot or \$400,000 for the loss of the use of both feet.

Your Death cover, any TPD cover and any Trauma cover will be reduced by any payments made under this benefit. Your *Premiums* will be based on the reduced cover after payment of the Accidental Injury benefit.

The Accidental Injury benefit will not be payable where the *Injury* is the result of:

- an *Accidental Injury* which occurred prior to the commencement date of cover or reinstatement of your policy or
- war (whether declared or not) or
- intentional self-inflicted injuries or attempted suicide.

You cannot claim the Accidental Injury benefit as well as a TPD or Trauma benefit for the same *Accidental Injury*. However, if you meet the criteria to claim under more than one of these benefits, payments will be based on the policy condition that provides the highest benefit.

Advancement for Funeral Expenses

While a claim is being settled, we may advance part of the Death benefit, up to \$15,000, towards payment of funeral expenses to you or your estate. An application for payment of funeral expenses must include satisfactory evidence of death and the funeral invoice.

Buy Back Death benefit

This benefit only applies if you select Death cover and Trauma cover.

After a Trauma benefit payment, your Death cover is automatically reduced. However, you can reinstate (buy back) your Death cover without providing any health evidence:

- up to 1/3 of the Trauma benefit 12 months after the payment of a Trauma benefit then
- up to a further 1/3 in 24 months and then
- up to a further 1/3 in 36 months.

If each opportunity were fully exercised, after three years the Death cover will be bought back.

For example, if your Death cover is \$400,000 and we pay you a Trauma benefit amount of \$150,000, then your Death cover will reduce to \$250,000. In the next three years, you can reinstate \$50,000 of the Death cover per year until the Death cover is reinstated to \$400,000 after three years.

You have 30 days in which to exercise this option at each relevant date and can do this by writing to us. Your right to buy back your Death cover will cease on the earlier of:

- 37 months after the payment of the Trauma benefit and
- the *Policy Anniversary* following your 74th birthday.

You cannot buy back any 'boosted' benefit (paid under the Paralysis Booster benefit). You cannot buy back your Death cover following a Partial Trauma benefit payment. The Future Insurability provisions described on pages 11 and 15 will not apply to any Death cover bought back.

Future Insurability benefit – Business Events

This benefit entitles you to increase your Death cover prior to age 55, without reassessment of your health, within three months of the events described below. This benefit does not apply if you are entitled to receive a benefit, or if you are receiving or have received a benefit under your policy, or if we or any other life insurer has waived, or is waiving, your *Premium*.

Business events covered:

- if the Life Insured is a Key Person in the Policy Owner's *Business* and the *Value of the Key Person to the Business* increases
- if the Policy Owner is a *Business* entity, and the value of the Life Insured's financial interest in the *Business* entity increases.

Restrictions and limitations

Restrictions apply to each increase and all increases combined. Refer to Part 2, pages 7 to 8 for full details.

For the first six months after an increase under this benefit, any increased amount is payable only in the event of *Accidental Death*.

This benefit does not apply if you select the Business Future Cover option.

Death cover exclusions

We will not pay a benefit if you commit suicide within 13 months of the commencement date of cover (or increase in cover but only in respect of that increase) or reinstatement of your policy.

We will waive the suicide exclusion if, immediately prior to the commencement of cover, you had Death cover which was in force for 13 consecutive months (without lapsing and/or reinstatement) with another insurer, and we agreed to replace this Death cover. The waiver will only apply up to the amount that you had with the other insurer.

TPD cover

Total and Permanent Disablement (TPD) benefit

We will pay the TPD amount you are covered for as a lump sum if you suffer *Total and Permanent Disablement*. While you continue to pay your *Premiums*, you will be covered for this event until the *Policy Anniversary* following your 99th birthday. However, if you have also selected Extended Trauma cover (refer to page 12) your TPD cover will cease at age 65 and only the Extended Trauma cover will continue.

If you are not in paid employment you can still apply for TPD cover. Generally the maximum amount of TPD cover available to people working in domestic duties is \$750,000.

You will meet our definition of *Total and Permanent Disablement* if you:

- suffer a specific loss or
- are 'unable to work' (two versions are available – 'any occupation' and 'own occupation') or
- are unable to perform normal domestic duties or
- are unable to perform at least two of the *Activities of Daily Living* or
- suffer cognitive impairment,

within the definition of *Total and Permanent Disablement* in Part 2, page 46.

Other than for specific loss, before a claim can be made you must have been absent from active employment solely as a result of *Sickness* or *Injury* for an uninterrupted period of three consecutive months.

On the *Policy Anniversary* following your 64th birthday, the definition of *Total and Permanent Disablement* will change. From that date, only the inability to perform two of the *Activities of Daily Living*, cognitive impairment and specific loss will apply and the maximum benefit payable is \$1,000,000.

Double TPD

If you select Double TPD cover, your level of Death cover is reduced by the amount of any TPD benefit paid to you, but will then be reinstated to the same level 12 months after the TPD benefit is paid.

Double TPD also contains a waiver of premium feature. This means that once a Double TPD benefit has been paid, *Premiums* for Death cover equivalent to the amount of the TPD benefit paid will be waived until the *Policy Anniversary* following your 64th birthday.

Premiums will continue to be payable in respect of the difference between the total Death cover and the TPD benefit paid. From the *Policy Anniversary* after your 65th birthday *Premiums* for the full Death cover will resume.

On the *Policy Anniversary* following your 64th birthday, the Double TPD cover will automatically convert to Standard TPD cover.

Special Risk TPD

If you have a high risk occupation you may be eligible for Special Risk TPD. In this case, you will meet our definition of *Total and Permanent Disablement* if you:

- suffer a specific loss or
- are unable to perform at least two of the *Activities of Daily Living* or
- suffer cognitive impairment,

within the definition of *Total and Permanent Disablement* in Part 2, page 46.

TPD cover exclusions

The TPD benefit will not be payable if your *Total and Permanent Disablement* is due to intentional self-inflicted act or attempted suicide or any other event or medical condition specified on your Policy Schedule.

What happens to my other benefits if I receive a TPD benefit?

Once you receive a benefit under your TPD cover, any Trauma cover and any Death cover will be reduced by the amount paid.

If you have selected Double TPD, your Death cover can be reinstated to the same level 12 months after the TPD benefit is paid. You must write to us to reinstate your cover.

Trauma cover

Trauma benefit

We will pay a lump sum equal to the Trauma benefit amount you are covered for if you suffer a specified Trauma.

You can choose either Basic or Extended Trauma. The list of conditions covered under each is set out below and on the next page. Definitions of the specified Traumas are set out in Part 2 – Policy Conditions.

You can continue your Trauma cover until the *Policy Anniversary* following your:

- 99th birthday where you have chosen Extended Trauma cover and Death cover (from the *Policy Anniversary* after your 75th birthday, we will only pay a Trauma benefit in respect of *Loss of Independence* or *Loss of Limbs or Sight*)
- 75th birthday in all other instances.

Any Trauma cover you have which exceeds Death cover is not payable unless you survive the occurrence of the specified Trauma for 14 days.

- *Severe Burns*
- *Stroke**
- *Triple Vessel Coronary Artery Angioplasty**

Elimination period

Any specified Trauma marked with an asterisk (*) cannot be claimed in the first 90 days following commencement of cover (the 'elimination period'). We will not pay a benefit if this Trauma occurs, is first diagnosed, becomes apparent, or the recommendation for surgery is made in the elimination period or within 90 days of reinstatement of your policy or increase in cover (but only in respect of that increase).

Furthermore the benefit, or increase in benefit (if applicable), will not be payable in respect of this Trauma for any occurrence of the same specified Trauma for the duration of your policy.

We will waive this 90 day elimination period if, immediately prior to the commencement of cover, another insurer covered you for the same specified Traumas and we agreed to replace this cover (and you are not within the other insurer's 90 days elimination period). The waiver will only apply up to the amount of Trauma cover that you had with the other insurer.

Funeral benefit

This benefit only applies if Death cover is not selected.

We will pay a Funeral benefit of \$5,000 if you die during the term of your policy and you are not entitled to be paid a Trauma benefit for one of the specified Traumas.

Funeral Benefit Exclusions

We will not pay the Funeral benefit if:

- you have received a Trauma benefit other than a Partial Trauma benefit or
- death is the result of suicide within 13 months of the commencement of cover or reinstatement of your policy.

Partial Trauma benefit (Extended Trauma)

This benefit provides cover for the following additional events, as long as the Extended Trauma benefit amount for the Life Insured is \$100,000 or more:

- *Carcinoma In Situ**
- *Colostomy or Ileostomy**
- *Diabetes (Type 1)**
- *Early Stage Chronic Lymphocytic Leukaemia**
- *Early Stage Melanoma**
- *Early Stage Prostate Cancer**
- *Loss of Hearing in One Ear*
- *Minimally Invasive Cardiac Surgery – Including Coronary Artery Angioplasty**
- *Severe Rheumatoid Arthritis**
- *Single Loss of Limb or Eye*

The benefit payable for these conditions will be 10% of the Extended Trauma benefit, subject to a maximum of \$25,000.

For example, if your Trauma cover is \$100,000 and we pay you a benefit for *Carcinoma In Situ*, the amount payable will be \$10,000 and your Trauma cover will reduce to \$90,000.

As with the Trauma benefit, a 90 day elimination period applies to any specified Partial Trauma marked with an asterisk (*). The elimination period is explained on page 13.

A Partial Trauma benefit will only be paid once for each event, except for *Minimally Invasive Cardiac Surgery – Including Coronary Artery Angioplasty* which may be claimed on more than one occasion (provided the procedures occur at least six months apart). The benefit payable on the first instance will be 10% of the Trauma benefit, subject to a maximum of \$25,000. The benefit payable for any subsequent instance will be 10% of the Trauma benefit, subject to a maximum of \$25,000 and a minimum of the amount paid for the first claim.

For example, if you have \$200,000 of Trauma cover and we pay you a benefit for *Minimally Invasive Cardiac Surgery – Including Coronary Artery Angioplasty* the amount payable will be \$20,000 and your Trauma cover will reduce to \$180,000. If we pay a subsequent benefit for the same condition, then we will pay you \$20,000.

The amount of Trauma cover, as well as any Death cover and TPD cover, will be reduced by any payments made under this benefit. Your *Premium* will then be based on the reduced cover after payment of this benefit.

Chronic conditions – Advancement on Diagnosis benefit (Extended Trauma)

We will advance 25% of the Extended Trauma benefit once only upon unequivocal diagnosis of *Motor Neurone Disease* or *Parkinson's Disease* up to a maximum of \$50,000 without you being required to suffer at least a 25% impairment of whole person function that is permanent. Refer to page 66 for Claims requirements. The Trauma cover, Death cover and TPD cover amounts are then reduced for that Life Insured by the amount paid. Once you qualify for a Trauma benefit in accordance with the Policy Conditions the remainder of the benefit will be paid.

For example, if you have \$200,000 of Trauma cover, we will advance \$50,000 of your cover under this benefit and the remaining \$150,000 is payable when you qualify for the Trauma benefit.

Paralysis Booster benefit

If we pay a Trauma benefit for Paralysis (*Diplegia, Hemiplegia, Quadriplegia* or *Paraplegia*) then we will double the amount of Trauma benefit payable. The maximum 'boosted' Trauma benefit we will pay is \$2,000,000.

Trauma cover exclusions

We will not pay a Trauma benefit where the insured event is a result of intentional self-inflicted act or attempted suicide or any other event or medical condition specified on your Policy Schedule. If you have both Trauma cover and TPD cover and claim for the same insured event under both covers, we will only pay the Trauma benefit.

What happens to my other benefits if I receive a Trauma benefit?

Once you receive a benefit under your Trauma cover or you receive an advance of your Trauma cover, any TPD cover and any Death cover will be reduced by the amount paid. When 100% of your Trauma benefit has been paid your Trauma benefit will cease.

Standard benefits

The following benefits apply to Death cover, TPD cover and Trauma cover.

Inflation Protection

Each year, until the expiry of your policy, we will provide you the opportunity to increase the level of cover by the greater of 5% and the *Consumer Price Index* to keep up with inflation. This is known as an 'Indexation offer'. Unless you reject the Indexation offer, your *Premiums* will increase each year by an extra amount to reflect that change. If you take up the Indexation offer you do not have to provide any further health evidence.

Future Insurability benefit – Personal Events

This benefit entitles you to increase your Death cover, TPD cover or Trauma cover prior to age 55, without reassessment of your health, within 30 days of the events described below. This benefit does not apply if you are entitled to receive a benefit, or if you are receiving or have received a benefit under your policy, or if we or any other life insurer has waived, or is waiving, your *Premium*.

Personal events covered:

- if the Life Insured gets married or divorced, or if a child is born to or is adopted by the Life Insured
- if the Life Insured takes out for the first time or increases his/her mortgage on his/her principal place of residence
- if a dependent child of the Life Insured starts secondary school.

Restrictions and limitations

Restrictions apply to each increase and all increases combined. Refer to Part 2, pages 12 to 13 for full details.

For the first six months after an increase under this benefit any increased benefit amount in relation to a Life Insured is only payable in the event of the Life Insured's *Accidental Death* or *Accidental Injury*.

Financial Planning Advice benefit

We will reimburse you up to \$1,000 towards the cost of approved financial planning advice required as a result of a payment being made under your policy. We can only reimburse a fee paid by you – this benefit does not apply if you seek financial planning advice which is funded by commission. We will only pay this benefit if you have obtained our written approval before seeking advice and you may be asked to provide us with sufficient proof.

Premium Freeze

You can choose to freeze your *Premium*, in which case the amount you pay will stay the same but the amount you are covered for will generally decrease each year.

Optional benefits

You can select from the following optional benefits to design a policy that best meets your needs. You will be charged a *Premium* for each optional benefit you select.

Premium Waiver option

This option will waive *Premiums* for a Life Insured (for all benefits under your policy), if they are *Totally Disabled* prior to age 70. We will continue to waive the *Premiums* for the Life Insured while he/she remains *Totally Disabled*.

To qualify for this waiver you must pay *Premiums* for three months while a Life Insured is *Totally Disabled*. However, if we do subsequently waive your *Premiums*, we will also refund any *Premiums* paid in those three months.

In addition, if a Life Insured is involuntarily unemployed other than as a direct result of *Sickness* or *Injury*, your policy has been in force for the previous 12 months at the time we receive the claim and the Life Insured is registered with an employment agency approved by us, we will waive the *Premium* for that Life Insured for up to three months (over the life of your policy).

Exclusions

Premiums will not be waived for *Sickness* or *Injury* occurring as a direct or indirect result of:

- an intentional self-inflicted act or
- attempted suicide or
- uncomplicated pregnancy or childbirth (including participation in an IVF or similar program, normal discomforts such as morning sickness, backache, varicose veins, ankle swelling or bladder problems, giving birth, miscarrying or having an abortion) or
- an act of war (whether declared or not).

Accidental Death option

This option pays the amount you are covered for as a lump sum in the event of your *Accidental Death* while your policy is in force. The minimum Accidental Death amount you can apply for is \$50,000 and the maximum is \$1,000,000. While you continue to pay your *Premiums*, you will be covered for this event until the *Policy Anniversary* following your 75th birthday.

Exclusions

The Accidental Death benefit will not be payable where a claim is the result of suicide or any event specified on your Policy Schedule.

Business Future Cover option

This benefit entitles you to increase your Death cover prior to age 65 and your TPD cover and Trauma cover (if applicable) prior to age 60 without reassessment of health each year. This option cannot be exercised if you are entitled to receive a benefit, or if you are receiving or have received a benefit under your policy, or if we or any other life insurer has waived, or is waiving, your *Premium*. When you increase cover under this option the *Premium* will increase to cover the increased benefit.

If the purpose of your policy appearing on your Policy Schedule is:

- Key Person insurance or
- Loan / Guarantor protection or
- Buy-sell / Shareholder or Partnership Protection or
- a combination of the above purposes

and the value of the Life Insured's interest in the *Business* or *Loan Guarantee* or his/her *Value of the Key Person to the Business* increases, this option allows you to apply for future increases in cover without providing further medical evidence.

You can choose this option:

- on your Death cover only or
- on all covers applied for (ie. Death cover, TPD cover and Trauma cover, as applicable). In this case, when you wish to exercise an increase you can either increase only the Death cover, or you can increase all of your covers. Any covers increased at the same time must be increased proportionally.

Restrictions and limitations

Restrictions apply to each increase and all increases combined. Refer to Part 2, pages 14 to 16 for full details.

For the first six months after an increase under this benefit for the purposes of a *Loan Guarantee*:

- any increased Death cover amount is payable only in the event of your *Accidental Death*
- any increased TPD cover amount is payable only in the event your *Total and Permanent Disablement* is caused by *Accidental Injury*
- any increased Trauma cover amount is payable only if you suffer a specified Trauma as a result of *Accidental Injury*.

Any increase must be approved by us.

If this option is not used in three consecutive policy years then you will not be able to make any further increases under this option unless you can demonstrate to our satisfaction that financial evidence relating to the *Business* did not support an increase in cover for that period.

Applying for an increase

You must apply for the increase in writing within 30 days of the event which triggers the increase and give us proof of the event which is satisfactory to us. Refer to Part 2, pages 14 to 16 for full details.

Needlestick Cover option

This option is only available to exposure-prone occupations such as doctors, nurses, pathologists and dentists. Your adviser can help you to determine your eligibility.

We will pay the amount you are covered for as a lump sum if you become infected with HIV (Human Immunodeficiency Virus), Hepatitis B or Hepatitis C as a result of an accident occurring during the course of your normal occupation. We will only pay an amount under this option once.

The minimum Needlestick Cover amount you can apply for is \$50,000 and the maximum is \$400,000 (any multiple of \$50,000 may be selected, up to the maximum).

Any accident giving rise to a potential claim must be reported to us as soon as possible. In the event of a claim under this option there is very specific evidence which you must provide to us. Refer to the Policy Conditions (Part 2, page 18) for full details.

Exclusions

A benefit will not be payable if:

- HIV, Hepatitis B and Hepatitis C is contracted by any other means
- a medical cure is found for Acquired Immune Deficiency Syndrome (AIDS), or the effects of the HIV virus, Hepatitis B or Hepatitis C (as applicable) or in the event of a treatment being developed and approved which makes these viruses inactive and non-infectious.

Limitations

Indexation offers will not apply to your Needlestick benefit.

The maximum combined amount we will pay for this option together with other Needlestick Cover options and/or *Occupationally Acquired HIV* under all policies issued by us is \$2,000,000.

Child Cover option

This option is only available if you have Extended Trauma and provides cover for any of the Life Insured's children who meet the definition of *Eligible Child*.

Child Cover pays a benefit if an *Eligible Child* suffers a specified event covered under Extended Trauma:

- while your policy is in force
- before the Trauma benefit expiry date and
- the *Eligible Child* survives for a period of 14 days after the date of occurrence.

The Child Cover benefit amount is 25% of the Extended Trauma benefit amount, up to a maximum of \$200,000.

For example, if the Extended Trauma benefit is \$100,000, then the Child Cover benefit is \$25,000.

As with the Trauma benefit, a 90 day elimination period applies to the Child Cover option. The elimination period is explained on page 13.

The Child Cover benefit is only paid once, for one specified Trauma under this and any other policies which we have issued and then this option ends.

Provided a Child Cover benefit has not been paid, a Funeral benefit amount of \$5,000 will be paid on the death of an *Eligible Child*. If the Funeral benefit is paid then this option ends.

Exclusions

The Child Cover benefit and the Funeral benefit will not be payable where an insured event is the result of a condition which:

- is congenital or
- existed before the Trauma benefit commenced or
- existed before the child became an *Eligible Child*.

No claim is paid if the insured event is caused directly or indirectly by any intentional self-inflicted act or attempted suicide.

Trauma Reinstatement option

This option is only available if you have Extended Trauma.

Trauma Reinstatement will give you the right to reinstate your Trauma cover following a Trauma claim without providing any health evidence, 12 months after payment of a Trauma benefit. You have 30 days in which to exercise this option and can do this by writing to us. Your right to reinstate your Trauma cover will cease on the earlier of:

- 13 months after the payment of the Trauma benefit and
- the *Policy Anniversary* following your 74th birthday.

Restrictions and limitations

You cannot reinstate your Trauma cover following a Partial Trauma benefit payment.

The Future Insurability provisions described on page 15 will not apply to any reinstated Trauma cover.

We will pay a claim under the reinstated cover provided the specified Trauma occurred or was diagnosed, or the circumstances or symptoms leading to diagnosis became apparent after the Trauma cover was reinstated. We will not pay a claim under the reinstated Trauma cover if the specified Trauma is a *Loss of Independence* or is related to the original claim. Refer to the Policy Conditions (Part 2, pages 17 and 18) for full details.

Top-Up option

This option increases the amount we will pay if you are eligible to claim a Partial Trauma benefit.

The Partial Trauma benefit will be increased to 25% of the Trauma sum insured, to a maximum of \$100,000 for:

- *Carcinoma In Situ*
- *Colostomy or Ileostomy*
- *Diabetes (Type 1)*
- *Early Stage Chronic Lymphocytic Leukaemia*
- *Early Stage Melanoma*
- *Early Stage Prostate Cancer*
- *Loss of Hearing in One Ear*
- *Severe Rheumatoid Arthritis*
- *Single Loss of Limb or Eye*

For example, if your Trauma cover is \$400,000 and we pay you a benefit for *Carcinoma In Situ*, the amount payable will be \$100,000 and your Trauma cover will reduce to \$300,000.

The Partial Trauma benefit will be increased to 25% of the Trauma sum insured, to a maximum of \$50,000 for *Minimally Invasive Cardiac Surgery – Including Coronary Artery Angioplasty*.

The benefit payable on the first instance will be 25% of the Trauma benefit, subject to a maximum of \$50,000. The benefit payable for any subsequent instance of *Minimally Invasive Cardiac Surgery – Including Coronary Artery Angioplasty* will be 25% of the Trauma benefit, subject to a maximum of \$50,000 and a minimum of the amount paid for the first claim.

For example, if your Trauma cover is \$400,000 and we pay you a benefit for *Minimally Invasive Cardiac Surgery – Including Coronary Artery Angioplasty* the amount payable will be \$50,000 and your Trauma cover will reduce to \$350,000. If we pay a subsequent benefit for the same condition, then we will pay you \$50,000.

Buy Back TPD option

This option is only available if you select Trauma cover and TPD cover.

After a Trauma benefit payment, your TPD cover is automatically reduced. However, you can reinstate your TPD cover without providing any health evidence:

- up to 1/3 of the Trauma benefit 12 months after the payment of a Trauma benefit (provided you have returned to full-time work in your usual occupation for at least six continuous months) then
- up to a further 1/3 of the Trauma benefit in 24 months (provided you have returned to full-time work in your usual occupation for at least 18 continuous months) and then
- up to a further 1/3 of the Trauma benefit in 36 months (provided you have returned to full-time work in your usual occupation for at least 30 continuous months).

If each opportunity were fully exercised, after three years the TPD cover will be 'bought back'.

For example, if your TPD cover is \$400,000 and we pay you a Trauma benefit amount of \$150,000, then your TPD cover will reduce to \$250,000. In the next three years, you can reinstate \$50,000 of the TPD cover per year until the TPD cover is reinstated to \$400,000 after three years.

You have 30 days in which to exercise this option at each relevant date and can do this by writing to us. Your right to 'buy back' your TPD cover will cease on the earlier of:

- 37 months after the payment of the Trauma benefit and
- the *Policy Anniversary* following your 64th birthday.

You cannot make a claim under your reinstated TPD benefit for the same or related cause under which you received the Trauma benefit. You cannot buy back any 'boosted' benefit (paid under the Paralysis Booster benefit). You cannot buy back your TPD cover following a Partial Trauma benefit payment. The Future Insurability provisions described on page 15 will not apply to any TPD cover bought back.

Accelerated Buy Back Death option

This option is only available if you select Trauma cover and Death cover.

After a Trauma benefit payment, your Death cover is automatically reduced. However, you can reinstate your Death cover without providing any health evidence 12 months after payment of a Trauma benefit.

You have 30 days from the anniversary of the Trauma benefit payment in which to exercise this option and can do this by writing to us. Your right to 'buy back' your Death cover will cease on the earlier of:

- 13 months after the payment of the Trauma benefit and
- the *Policy Anniversary* following your 74th birthday.

You cannot buy back any 'boosted' benefit (paid under the Paralysis Booster benefit). You cannot buy back your Death cover following a Partial Trauma benefit payment. The Future Insurability provisions described on pages 11 and 15 will not apply to any Death cover bought back.

The maximum amount of cover you can apply for is subject to the following guidelines in respect of each policy:

Cover	Maximum amount of cover available
Death cover	The maximum depends on your needs. Your adviser can help you determine this.
TPD cover	\$3,000,000 (TPD cover cannot exceed Death cover)

After your cover is in force, it can increase above the maximum due to the Increasing Cover option (refer to page 23).

Further restrictions also apply to the total amount of cover in respect of a Life Insured for all policies from all sources (including all policies issued by other life insurers). Generally:

- the total TPD cover with us and other life insurers cannot exceed \$3,000,000
- the total *Occupationally Acquired HIV* cover with us and other life insurers cannot exceed \$2,000,000.

Subject to our reassessment of your personal circumstances, you may apply to add a new 5 year, 10 year or 15 year cover to your policy.

When will my cover expire?

Once your application has been accepted and provided you pay your *Premiums* as due (refer to page 65), we guarantee that we will renew your cover every year up to the policy expiry date, regardless of any changes to your health or other circumstances. Depending on the fixed term selected, this will be for a total period of 5 years, 10 years or 15 years.

Rate guarantee

The premium rate we use to calculate your *Premium* is guaranteed not to change for the first 5 years. The *Premium* you pay to us will only change because of:

- any increases you make under the Increasing Cover option;
- the annual increase in the Management Fee (refer to page 65).

Benefits

Death benefit

We will pay the amount you are covered for as a lump sum if you die during the term of your policy and prior to the Death benefit expiry date.

Terminal Illness benefit

If you are diagnosed with a terminal illness where death is likely to occur within 12 months, we will pay you up to 100% of your Death cover (excluding any cover under the Accidental Death option). Refer to page 66 for Claims requirements. If you have multiple policies issued by Zurich Australia Limited there is a maximum limit of \$2,000,000 on terminal illness benefits payable per Life Insured. The amount of Death cover and any TPD cover will be reduced by any payments made under this benefit. Your *Premium* will then be based on the reduced cover after payment of the Terminal Illness benefit. If you survive beyond 12 months, you do not have to repay this benefit to us.

Financial Planning Advice benefit

We will reimburse you up to \$1,000 towards the cost of approved financial planning advice required as a result of a payment being made under your policy. We can only reimburse a fee paid by you – this benefit does not apply if you seek financial planning advice which is funded by commission. We will only pay this benefit if you have obtained our written approval before seeking advice and you may be asked to provide us with sufficient proof.

Accidental Injury benefit

If an *Accidental Injury* causes the entire and irrevocable loss of:

- the use of one hand or the use of one foot or the sight in one eye, we will pay the lesser of 25% of your Death cover or \$500,000 or
- the use of both hands, or the use of both feet, or the sight in both eyes, or any combination of two of the following: the use of one hand, the use of one foot or the sight in one eye, we will pay you the lesser of 100% of your Death cover or \$2,000,000.

For example, if your Death cover is \$400,000 when you make a claim for an *Accidental Injury*, we would pay \$100,000 for the loss of the use of one foot or \$400,000 for the loss of the use of both feet.

Your Death cover and any TPD cover will be reduced by any payments made under this benefit. Your *Premiums* will be based on the reduced cover after payment of the Accidental Injury benefit.

The Accidental Injury benefit will not be payable where the *Injury* is the result of:

- an *Accidental Injury* which occurred prior to the commencement date of cover or reinstatement of your policy or
- war (whether declared or not) or
- intentional self-inflicted injuries or attempted suicide.

You cannot claim the Accidental Injury benefit as well as a TPD benefit for the same *Accidental Injury*. However, if you meet the criteria to claim under more than one of these benefits, payments will be based on the policy condition that provides the highest benefit.

Advancement for Funeral Expenses

While a claim is being settled, we may advance part of the Death benefit, up to \$15,000, towards payment of funeral expenses to you or your estate. An application for payment of funeral expenses must include satisfactory evidence of death and the funeral invoice.

Death cover exclusions

We will not pay a benefit if you commit suicide within 13 months of the commencement date of cover (or increase under the Increasing Cover option, but only in respect of that increase) or reinstatement of your policy.

We will waive the suicide exclusion if, immediately prior to the commencement of cover, you had Death cover which was in force for 13 consecutive months (without lapsing and/or reinstatement) with another insurer, and we agreed to replace this Death cover. The waiver will only apply up to the amount that you had with the other insurer.

Optional benefits

You can select from the following optional benefits to design a policy that best meets your needs. You will be charged a *Premium* for each optional benefit you select.

Total and Permanent Disablement (TPD) option

We will pay the TPD amount you are covered for as a lump sum if you suffer *Total and Permanent Disablement*. While you continue to pay your *Premiums*, you will be covered for this event until the TPD benefit expiry date.

If you are not in paid employment you can still apply for TPD cover. Generally the maximum amount of TPD cover available to people working in domestic duties is \$750,000.

You will meet our definition of *Total and Permanent Disablement* if you:

- suffer a specific loss or
- are 'unable to work' (two versions are available – 'any occupation' and 'own occupation') or
- are unable to perform normal domestic duties or
- are unable to perform at least two of the *Activities of Daily Living* or
- suffer cognitive impairment,

within the definition of *Total and Permanent Disablement* in Part 2, page 46.

Other than for specific loss, before a claim can be made you must have been absent from active employment solely as a result of *Sickness* or *Injury* for an uninterrupted period of three consecutive months.

Double TPD

If you select Double TPD cover, your level of Death cover is reduced by the amount of any TPD benefit paid to you, but will then be reinstated to the same level 12 months after the TPD benefit is paid.

Double TPD also contains a waiver of premium feature. This means that once a Double TPD benefit has been paid, *Premiums* for Death cover equivalent to the amount of the TPD benefit paid will be waived until the Death benefit expiry date. *Premiums* will continue to be payable in respect of the difference between the total Death cover and the TPD benefit paid.

Special Risk TPD

If you have a high risk occupation you may be eligible for Special Risk TPD. In this case, you will meet our definition of *Total and Permanent Disablement* if you:

- suffer a specific loss or
- are unable to perform at least two of the *Activities of Daily Living* or
- suffer cognitive impairment,

within the definition of *Total and Permanent Disablement* in Part 2, page 46.

TPD cover exclusions

The TPD benefit will not be payable if your *Total and Permanent Disablement* is due to intentional self-inflicted act or attempted suicide or any other event or medical condition specified on your Policy Schedule.

What happens to my other benefits if I receive a TPD benefit?

- Once you receive a benefit under your TPD option, your Death cover will be reduced by the amount paid.
- If you have selected Double TPD, your Death cover can be reinstated to the same level 12 months after the TPD benefit is paid. You must write to us to reinstate your cover.

Increasing Cover option

If you select this option, we will increase your cover (including any cover under the TPD option) by 5% each year without any further health evidence, to keep up with inflation. Your *Premiums* will increase each year if your level of cover increases. You can reject the increase if you don't want your cover to increase.

For example, if your Death benefit is \$400,000 at outset, it will increase to \$420,000 at the first *Policy Anniversary*.

Premium Waiver option

This option will waive *Premiums* for a Life Insured (for all benefits under your policy), if they are *Totally Disabled* before the policy expiry date. We will continue to waive the *Premiums* for the Life Insured while he/she remains *Totally Disabled*.

To qualify for this waiver you must pay *Premiums* for three months while a Life Insured is *Totally Disabled*. However, if we do subsequently waive your *Premiums*, we will also refund any *Premiums* paid in those three months.

In addition, if a Life Insured is involuntarily unemployed other than as a direct result of *Sickness* or *Injury*, your policy has been in force for the previous 12 months at the time we receive the claim and the Life Insured is registered with an employment agency approved by us, we will waive the *Premium* for that Life Insured for up to three months (over the life of your policy).

Exclusions

Premiums will not be waived for *Sickness* or *Injury* occurring as a direct or indirect result of:

- an intentional self-inflicted act or
- attempted suicide or
- uncomplicated pregnancy or childbirth (including participation in an IVF or similar program, normal discomforts such as morning sickness, backache, varicose veins, ankle swelling or bladder problems, giving birth, miscarrying or having an abortion) or
- an act of war (whether declared or not).

Accidental Death option

This option pays the amount you are covered for as a lump sum in the event of your *Accidental Death* while your policy is in force. While you continue to pay your *Premiums*, you will be covered for this event until the policy expiry date.

The minimum Accidental Death amount you can apply for is \$50,000 and the maximum is \$1,000,000.

Exclusions

The Accidental Death benefit will not be payable where a claim is the result of suicide or any other event specified on your Policy Schedule.

Needlestick Cover option

This option is only available to exposure-prone occupations such as doctors, nurses, pathologists and dentists. Your adviser can help you to determine your eligibility.

We will pay the amount you are covered for as a lump sum if you become infected with HIV (Human Immunodeficiency Virus), Hepatitis B or Hepatitis C as a result of an accident occurring during the course of your normal occupation.

We will only pay an amount under this option once.

The minimum Needlestick Cover amount you can apply for is \$50,000 and the maximum is \$400,000 (any multiple of \$50,000 may be selected, up to the maximum).

Any accident giving rise to a potential claim must be reported to us as soon as possible. In the event of a claim under this option there is very specific evidence which you must provide to us. Refer to the Policy Conditions (Part 2, page 22) for full details.

Exclusions

A benefit will not be payable if:

- HIV, Hepatitis B and Hepatitis C is contracted by any other means
- a medical cure is found for Acquired Immune Deficiency Syndrome (AIDS), or the effects of the HIV virus, Hepatitis B or Hepatitis C (as applicable) or in the event of a treatment being developed and approved which makes these viruses inactive and non-infectious.

Limitations

The Increasing Cover option does not apply to your Needlestick benefit.

The maximum combined amount we will pay for this option together with other Needlestick Cover options and/or *Occupationally Acquired HIV* under all policies issued by us is \$2,000,000.

Zurich Income Replacement Insurance Plus product overview

The Zurich Income Replacement Insurance Plus policy pays you, after the expiry of the *Waiting Period*, an income while you are disabled and suffer a loss of income because of that disability. The *Waiting Period* is the number of days that you nominate to wait before being eligible for the *Income Benefit*. The maximum period we will pay benefits for is the *Benefit Period*. We pay a proportion of the *Income Benefit* twice monthly with the first payment due 15 days after the expiry of the *Waiting Period*.

Who can apply?

This policy is generally available to people between the ages of 19 and 59 who are working full time. However, certain age restrictions apply to certain *Benefit Periods*: for benefits payable to age 55 the maximum entry age is 48, for benefits payable to age 60 the maximum entry age is 53.

The availability of cover also depends on the Life Insured's occupation and state of health. Some optional benefits are restricted to certain occupations. Your adviser can help you to determine your eligibility.

Policy ownership

In most cases, the Policy Owner and the Life Insured must be the same person. However, there are exceptions. These include:

- companies – which may purchase this insurance for an owner or major shareholder who is personally responsible for generating income and
- trustees of family trusts or partners in an unincorporated partnership running a family business – which may purchase the insurance for people responsible for generating income.

How much cover can I apply for?

The minimum *Insured Monthly Benefit* you can apply for is \$1,500 per month subject to a minimum annual *Premium* of \$200 (excluding the Management Fee and any government charges). The maximum benefit you can apply for will depend on your income. Generally, you can insure up to 75% of your *Average Monthly Pre-Tax Income*.

For example if your income (according to our definition) is \$4,000 per month, you can insure up to \$3,000 per month.

In determining your total benefit we will add together your *Insured Monthly Benefit* and the Superannuation Contributions Option Monthly Benefit amount (if applicable).

Your adviser can help you to determine the appropriate level of cover.

Can I increase my cover?

Subject to our reassessment of your personal circumstances, you may apply to increase your cover until the expiry of your policy.

When will my cover expire?

Once your application has been accepted and provided you pay your *Premiums* as due (refer to page 65), we guarantee that we will renew your policy every year up until the *Policy Anniversary* following:

- your 54th birthday where you have selected benefits payable to age 55
- your 59th birthday where you have selected benefits payable to age 60 and
- your 64th birthday for all other *Benefit Periods*

regardless of any changes in your health or other circumstances. Refer to page 26 for details of what will happen if you become unemployed. Unless otherwise stated, optional benefits will expire at the same time as the policy to which they are attached (refer to the relevant optional benefit descriptions on pages 33 to 37).

Extended cover

On the *Policy Anniversary* following your 65th birthday, you can extend your cover on a limited basis, up to the *Policy Anniversary* following your 70th birthday, if you are still working in paid employment for more than 30 hours per week. You must apply to us at least 60 days before your cover would otherwise end (shown on your Policy Schedule). The extended cover will be Indemnity. You should consult your adviser for information regarding this extension of cover.

Limitations

The *Benefit Period* on extended cover is one year.

An *Income Benefit* will only be payable where there is no *Post-Disability Income* (ie. no partial benefits are payable).

The extended cover does not apply if you are entitled to receive a benefit, or if you are receiving or have received a benefit under your policy at any time in the last 12 months.

What are the Waiting Periods from which I can choose?

You can select from the following *Waiting Periods*:

- 14, 30, 60, 90 or 180 days
- 1 or 2 years
- any number of days you nominate between 14 and 90 days.

You may choose to split your *Waiting Period* which means you can have different *Waiting Periods* for two portions of your *Income Benefit*.

Is there any *Waiting Period* flexibility I should know about?

If you choose a 2 year *Waiting Period* because you have employment related salary continuance, we may allow a reduction in your *Waiting Period* if you change employer and salary continuance cover is not provided by your new employer.

To be eligible to make this change to your *Waiting Period*, you must:

- be in *Full-time Paid Employment* (more than 26 hours per week) in the same occupation/industry
- apply to us within 30 days of ceasing employment with previous employer
- attach a letter of appointment from your new employer or a payslip outlining salary and breakdown of any fringe benefits to support the existing monthly benefit.

You cannot apply to make this change if you:

- have any ownership or financial interest in your employer's business
- have already reached the *Policy Anniversary* prior to the benefit expiry date
- are currently claiming disability benefits or have claimed disability benefits any time in the last 12 months
- have salary continuance cover with your new employer.

What are the *Benefit Periods* from which I can choose?

You can select from the following *Benefit Periods*:

- 1 year or
- 2 years or
- 5 years or
- to the *Policy Anniversary* following your: 55th, 60th or 65th birthday.

What happens if I am eligible for more than one benefit at a time?

There are some benefits which will not be paid simultaneously. Refer to the Policy Conditions (Part 2, page 26) for full details.

Standard benefits

Income Benefit

We will pay an *Income Benefit* if you suffer a loss of income and are under the care of a doctor.

You can select from two types of *Income Benefits* – 'Agreed Value' and 'Indemnity'. If you choose Indemnity you will receive a *Premium* discount but your monthly benefit will be capped at 75% of your income immediately before any claim. Refer to the Example Calculations on page 30 for an explanation of how this works. Your adviser can help you to determine which cover best suits your individual circumstances.

Qualifying for an *Income Benefit*

We will pay you an *Income Benefit* after the expiry of the *Waiting Period* if, solely as a result of a *Sickness or Injury*, you are:

- until the expiry of the *Waiting Period*, unable to generate at least 80% of your *Pre-Disability Income* from personal exertion in your *Usual Occupation* and
- required to be under the regular care of, and following the advice of, a *Medical Practitioner*.

For example, if your income before a claim event is \$4,000 per month, and it reduces to \$3,199 or less per month, you will qualify for an *Income Benefit* (provided the relevant criteria are met).

If you select the Basic Cover option, additional criteria will apply. Refer to page 34.

If you are not earning any income

If, at the expiry of the *Waiting Period*, you have no *Post-Disability Income* then:

- if you have selected Agreed Value cover, we will pay you the *Insured Monthly Benefit*
- if you have selected Indemnity cover, we will pay you the lesser of the *Insured Monthly Benefit* and 75% of your *Pre-Disability Income*.

If you are still earning income

You don't have to stop earning income to qualify for a benefit. If, at the expiry of the *Waiting Period*, you do have *Post-Disability Income* then the *Income Benefit* we will pay will be proportionate to your loss and calculated on a monthly basis using the following formula:

$$\frac{\text{Pre-Disability Income} - \text{Post-Disability Income}}{\text{Pre-Disability Income}} \times \text{Insured Monthly Benefit}$$

If you select Indemnity cover your benefit will be capped so that the amount we pay you does not exceed 75% of your *Pre-Disability Income*. Refer to the Example Calculations for an explanation of how this works.

The *Insured Monthly Benefit* at commencement is shown on your Policy Schedule.

How long will the Income Benefit be paid?

We will continue to pay you the *Income Benefit* until any one of the following events occurs:

- the *Sickness* or *Injury* giving rise to the claim does not prevent you from earning your *Pre-Disability Income* from personal exertion from your *Usual Occupation*
- the *Benefit Period* ends
- your policy ends
- your death
- you are no longer required to be under the regular care of a *Medical Practitioner* with regard to treatment for the *Sickness* or *Injury*
- you are not following the treatment recommended by a *Medical Practitioner* at such intervals and frequency as will lead to a cure, alleviation or minimisation of the condition causing your disability.

Exclusions

We will not pay for *Sickness* or *Injury* occurring as a direct or indirect result of:

- an intentional self-inflicted act or
- attempted suicide or
- uncomplicated pregnancy or childbirth (including participation in an IVF or similar program, normal discomforts such as morning sickness, backache, varicose veins, ankle swelling or bladder problems, giving birth, miscarrying or having an abortion) or
- an act of war (whether declared or not).

If you select the Mental Disorder Discount option (refer to page 37) we will not pay a claim resulting from any *Mental Disorder*.

Example Calculations

These examples show how the *Income Benefit* is calculated

Agreed Value (no *Post-Disability Income*)

You have an *Insured Monthly Benefit* of \$3,000.

Due to *Sickness* you cannot earn any income and are eligible to make a claim.

You have no *Post-Disability Income*.

Your *Income Benefit* would be the *Insured Monthly Benefit* of \$3,000.

Agreed Value (*Post-Disability Income*)

You have an *Insured Monthly Benefit* of \$3,000.

Due to *Sickness* you are only generating 25% of your usual income and are eligible to make a claim.

Prior to your *Sickness* you were earning \$4,000.

Your *Income Benefit* would be:

$$\frac{\$4,000 - \$1,000}{\$4,000} \times \$3,000 = \$2,250$$

(75% of the *Insured Monthly Benefit*).

Indemnity (no *Post-Disability Income*)

You have an *Insured Monthly Benefit* of \$4,000.

Due to *Sickness* you cannot earn any income and are eligible to make a claim.

You have no *Post-Disability Income*.

Prior to your *Sickness* you were earning \$4,000.

Using the formula your *Income Benefit* would be the *Insured Monthly Benefit*. However with Indemnity policies where you have no *Post-Disability Income* we pay the lesser of the *Insured Monthly Benefit* and 75% of your *Pre-Disability Income*.

Your *Income Benefit* would be \$3,000.

Indemnity (*Post-Disability Income*)

You have an *Insured Monthly Benefit* of \$3,000.

Due to *Sickness* you are only generating 25% of your usual income and you are eligible to make a claim.

Prior to your *Sickness* you were earning \$4,000.

Your *Income Benefit* would be:

$$\frac{\$4,000 - \$1,000}{\$4,000} \times \$3,000 = \$2,250$$

(75% of the *Insured Monthly Benefit*).

Waiver of Premium

During any periods when *Income Benefits* or Specified Injury benefits are payable, all *Premiums*, except those for the Spouse Cover option, will be waived or refunded. Further, *Premiums* paid in respect of the *Waiting Period* will be refunded if your completed claim form is received within 30 days from the start of your disability and we pay you *Income Benefits*.

Inflation Protection

Each year, until the expiry of your policy, we will provide you the opportunity to increase your level of cover by the increase in the *Consumer Price Index* to ensure your benefits keep up with inflation. This is known as an 'Indexation offer'. Unless you reject the Indexation offer, your *Premiums* will increase each year by an extra amount to reflect that change. If you take up the Indexation offer you do not have to provide any further health evidence. Indexation increases will apply automatically while you are entitled to make a claim.

If you select Indemnity cover *Income Benefits* will be limited to 75% of your *Pre-Disability Income*. Therefore to avoid paying unnecessary *Premiums* you should reject any increase to your *Insured Monthly Benefit* that would take you beyond 75% of your *Average Monthly Pre-Tax Income*.

Recurrent Disability

If your disability recurs from the same or related cause within 12 months of you returning to work, the claim will be considered to be a continuation of the same claim and a further *Waiting Period* will not apply. We will start paying you again immediately for the balance, if any, of the *Benefit Period*.

If your disability recurs from the same or related cause later than 12 months after you return to work, the claim will be considered to be a continuation of the same claim, but further *Income Benefits* will only be payable after expiry of a further *Waiting Period* and for no longer than the balance, if any, of the *Benefit Period*.

Employment related salary continuance

If you take out a Zurich Income Replacement Insurance Plus policy with a 2 year *Waiting Period*, and you are also covered by employment related salary continuance which has a 2 year *Benefit Period*, we will use the original start date of the salary continuance claim when we assess your *Waiting Period*, excluding any periods where you have returned to work under recurrent disability provisions in that policy.

Concurrent Disability

If more than one separate and distinct *Sickness* or *Injury* resulted in your disability, you will not be paid the *Income Benefit* twice. Instead, payments will be based on the policy condition that provides the highest benefit. This ensures that you receive the maximum you are eligible for.

Rehabilitation benefits

This benefit is payable when you have qualified for an *Income Benefit* or Specified Injury benefit after the expiry of the *Waiting Period* or within the *Waiting Period* if you would otherwise qualify for an *Income Benefit*.

In order to claim a benefit, you must have our written approval before you incur the expenses of the following three Rehabilitation benefits:

Workplace modification

If your workplace needs modification for you to return to gainful employment, we will reimburse you up to three times your *Income Benefit* for expenses incurred in carrying out the modification. For example, if your *Income Benefit* is \$4,000 per month, we will pay up to \$12,000 under this benefit.

Rehabilitation program

If you take part in a *Rehabilitation Program*, we will pay you an additional 50% of your *Income Benefit* each month for a maximum of 12 months. For example, if your *Income Benefit* is \$4,000 per month, we will pay an extra \$2,000 per month under this benefit for up to 12 months.

Rehabilitation costs

We will pay up to twelve times your *Income Benefit* to cover the expenses of rehabilitating yourself. For example, if your *Income Benefit* is \$4,000 per month, we will pay up to \$48,000 under this benefit.

Funeral benefit

If you die while your policy is in force we will pay a lump sum of three times your *Insured Monthly Benefit*.

If you have both Zurich Income Replacement Insurance Plus and Zurich Business Expenses Insurance Plus, we will only pay this benefit once.

Confined to Bed benefit

If you are *Confined to Bed* because of *Sickness* or *Injury* for more than two days in a row and during that period, you are totally dependent on the full-time care of a *Nurse* or a *Personal Care Attendant* and unable to earn any income from personal exertion because of the *Sickness* or *Injury*, we will

pay the Confined to Bed benefit from the third day onwards. The amount we will pay is:

- if you select Agreed Value cover, the *Insured Monthly Benefit* or
- if you select Indemnity cover, the lesser of the *Insured Monthly Benefit* and 75% of your *Pre-Disability Income*.

Refer to the Example Calculations on page 30 for an explanation of the difference between these two amounts.

We will pay the Confined to Bed benefit for each complete month, or 1/30th of the Confined to Bed benefit for each day that you are eligible for this benefit. This benefit is payable only during the *Waiting Period* to a maximum of 180 days.

For example, if the Confined to Bed benefit amount is \$3,000 per month, then we will pay \$100 per day for each day that you qualify for this benefit.

Restriction

The Confined to Bed benefit does not apply if you select the Basic Cover option.

Elective Surgery benefit

If your policy has been continuously in force for six months and you are disabled due to elective or donor transplant surgery and experience a loss of income because of your disability, we will deem your disability to be due to *Sickness*. The benefit we will pay you after the expiry of the *Waiting Period* will be the *Income Benefit*. Any increase in the *Insured Monthly Benefit* will only be paid if the date of increase is at least six months prior to the date of surgery.

Specified Injury benefit

We will pay you the Specified Injury benefit if you suffer any one of the Specified Injuries set out in the following table. The *Waiting Period* is waived and this benefit is paid for the duration of the Specified Injury Benefit Period, even if you are still earning an income, but ceases on your death. However, we will not pay you for longer than your *Benefit Period* and we will not pay you for more than one Specified Injury per claim.

The amount we will pay you will be:

- if you select Agreed Value cover, the *Insured Monthly Benefit* or
- if you select Indemnity cover, the lesser of the *Insured Monthly Benefit* and 75% of your *Pre-Disability Income*.

Refer to the Example Calculations on page 30 for an explanation of the difference between these two amounts.

Specified Injury	Benefit Period (months)
<i>Quadriplegia</i>	60
<i>Paraplegia</i>	60
Total and permanent loss of use of:	
both hands or both feet or entire sight in both eyes	24
a hand and a foot	24
a foot and the sight in one eye	24
a hand and the sight in one eye	24
one arm or one leg	18
one hand, one foot or the sight in one eye	12
thumb and index finger from the same hand	6
Fracture of:	
thigh or pelvis	3
leg between the knee and foot	2
kneecap	2
skull (excluding bones of the face or nose)	2
arm between elbow and shoulder (shaft) or shoulder blade	2
forearm (including wrist but excluding elbow or hand)	1.5
collar bone	1.5

An *Income Benefit* is not payable if you are receiving a Specified Injury benefit. However, if you remain disabled and not earning your *Pre-Disability Income* after the end of the Specified Injury Benefit Period and the *Benefit Period* is longer, you may be eligible to continue to receive an *Income Benefit*.

Special Care benefit

While we are paying you an *Income Benefit*, a Specified Injury benefit, a Day 4 Accident benefit or a Confined to Bed benefit, you may be eligible to claim one of the Special Care benefits: Family Assistance, Personal Attendant or Accommodation. You may also be eligible to claim for Relocation (see next page).

Restriction

The Special Care benefit does not apply if you select the Basic Cover option.

Family Assistance

If a *Direct Family Member* has to stop full-time work to care for you at home because of your *Sickness or Injury*, we will pay an additional benefit for up to six months after the end of the *Waiting Period* while you are unable to earn any income from personal exertion. You must be at home, confined to bed or to the house and dependent on home assistance. We will not pay if your *Direct Family Member* had been working for you or for your employer before your disability. The additional benefit is the lesser of your *Income Benefit* or \$2,500 per month.

Personal Attendant

If you need the care of a *Nurse* or a *Personal Care Attendant* because of your *Sickness or Injury*, we will pay an additional benefit of \$150 per day for up to six months after the end of the *Waiting Period* while you are unable to earn any income from personal exertion. You must be at home, confined to bed or to the house and dependent on home assistance or nursing care.

Accommodation

We will reimburse the accommodation and travel costs if your *Sickness or Injury* means that you are more than 100 kilometres away from home and need to stay there beyond your scheduled return on your doctor's advice. We will also reimburse the accommodation and travel costs of a *Direct Family Member* who has to stay with you. We will pay up to \$250 per day reimbursement for up to 30 days in any 12 month period for accommodation and up to \$500 reimbursement for travel costs (other than by emergency transport, such as ambulance, which is covered by health insurance).

Relocation

The Special Care benefit also provides Relocation Assistance. If you suffer the *Sickness or Injury* overseas and choose to return to Australia when an *Income Benefit* is payable, we will pay the cost of a single standard economy airfare to enable you to return, less any reimbursement from another source. We will also pay the costs of transport for any *Direct Family Member* travelling companion you had while disabled overseas. The maximum we will pay is:

- if you select Agreed Value cover – three times the *Insured Monthly Benefit*
- if you select Indemnity cover – three times the lesser of the *Insured Monthly Benefit* and 75% of your *Pre-Disability Income*.

Refer to the Example Calculations on page 30 for an explanation of the difference between these two amounts.

Optional benefits

You can select from the following optional benefits to design a policy that best meets your needs. You will be charged a *Premium* for each optional benefit you select (except where it is explained otherwise).

Increasing Claims option

While you are on claim, the *Income Benefit* will be increased after each three continuous months of *Income Benefit* payments by the percentage increase in the *Consumer Price Index* for the previous quarter.

For example, if your *Income Benefit* is \$3,000 per month, and the increase for the quarter in the *Consumer Price Index* is 1%, then your *Income Benefit* will increase to \$3,030.

Superannuation Contributions option

This option allows you to also insure your regular superannuation contributions so that your superannuation will continue to accumulate while you are unable to work due to *Sickness or Injury*.

You can insure 100% of the average monthly superannuation contributions made by you or your employer in the 12 months preceding your application. This amount is called the Superannuation Contributions Option Monthly Benefit. If you select this option then your superannuation contributions cannot be included in your *Average Monthly Pre-Tax Income* when determining your *Insured Monthly Benefit*.

For example: if you are earning an annual salary package of \$50,000 which includes \$4,500 in superannuation, you can apply for either:

- an *Insured Monthly Benefit* of up to \$3,125 $[(\$50,000 \div 12) \times 75\%]$ without the Superannuation Contributions option, or
- an *Insured Monthly Benefit* of up to \$2,844 $[(\$45,500 \div 12) \times 75\%]$ and a Superannuation Contributions Monthly Benefit of up to \$375 per month $[\$4,500 \div 12]$. This provides a combined benefit of \$3,219 $[\$2,844 + \$375]$.

Please note that as this benefit results in a tax liability to you we only pay the estimated after-tax benefit to the fund you nominate and pay an amount in respect of the estimated tax to you (or at your direction).

The Superannuation Contributions Monthly Benefit, or a proportion thereof, is payable when you are receiving an *Income Benefit*, Specified Injury benefit, Confined to Bed benefit, or Day 4 Accident benefit.

The amount which is payable (Superannuation Contributions) will be:

Agreed Value

- The Superannuation Contributions Monthly Benefit multiplied by the proportion of the *Insured Monthly Benefit* you are receiving as an *Income Benefit*, Specified Injury benefit, Confined to Bed benefit, or Day 4 Accident benefit.

For example, if you are receiving an *Income Benefit* equal to 50% of your *Insured Monthly Benefit* then we will pay 50% of the Superannuation Contributions Monthly Benefit while you continue to receive an *Income Benefit*. So if your *Insured Monthly Benefit* is \$2,844, and you are receiving 50% of your *Insured Monthly Benefit*, ie. \$1,422 you will also receive 50% of your Superannuation Contributions Monthly Benefit, ie. \$187.50.

Indemnity

- The Superannuation Contributions Monthly Benefit multiplied by the proportion of the *Insured Monthly Benefit* you are receiving as an *Income Benefit*, Specified Injury benefit, Confined to Bed benefit, or Day 4 Accident benefit subject to a maximum of the actual average monthly superannuation contributions you or your employer made in the 12 months preceding your claim.

For example, if you are receiving an *Income Benefit* equal to 100% of your *Insured Monthly Benefit* then we will pay you the lesser of 100% of the Superannuation Contributions Monthly Benefit and the actual average monthly superannuation contributions you or your employer made in the 12 months preceding your claim, while you continue to receive an *Income Benefit*.

Inflation Protection and the Increasing Claims option apply to the Superannuation Contributions option.

In order to claim under the Superannuation Contributions option you are deemed by the policy to have directed us to pay the Superannuation Contributions (less an amount to cover income tax payable which will be paid directly to you) to a fund you nominate. Refer to page 27 for details of the taxation treatment of such payment.

Basic Cover option

The Basic Cover option allows you to reduce your *Premiums* by electing to take a more basic level of cover. This option excludes two of the standard benefits from your cover and sets some additional qualifying criteria around the *Income Benefit*.

The two benefits which will not apply to you if you select this option are:

- Confined to Bed benefit
- Special Care benefit

If you select this option, the following criteria will apply to you when you wish to claim an *Income Benefit* (replacing the standard criteria which appears on page 29):

Qualifying for an Income Benefit

We will pay you an *Income Benefit* after the expiry of the *Waiting Period* if, solely as a result of a *Sickness* or *Injury*, you are:

- unable to generate at least 80% of your *Pre-Disability Income* from personal exertion in your *Usual Occupation* and not working in any occupation for a period of at least 14 days and
- until the expiry of the *Waiting Period*, unable to earn your *Pre-Disability Income* from personal exertion in your *Usual Occupation* and
- required to be under the regular care of, and following the advice of, a *Medical Practitioner*.

For example, if your income before a claim event is \$4,000 per month, and it reduces to \$3,199 or less per month, you will qualify for an *Income Benefit* (provided the relevant criteria are met).

Lump Sum Accident option

We will pay you a lump sum if you suffer one of the injuries set out in the following table as the result of an accident which occurs while you are covered for this option and the *Injury* occurs within 180 days of the accident.

The lump sum will be the percentage set out in the table of the Lump Sum Accident amount you have selected (which will be shown on your Policy Schedule). We will only pay an amount under this option once.

The minimum Lump Sum Accident amount you can apply for is \$50,000 and the maximum is \$250,000.

Result of Accident	% of Lump Sum Accident amount
Death	100%
Total and permanent loss of use of:	
both hands or both feet or entire sight in both eyes	100%
a hand and a foot	100%
a foot and the sight in one eye	100%
a hand and the sight in one eye	100%
one arm or one leg	75%
one hand, one foot or the sight in one eye	50%
thumb and index finger from the same hand	25%
thumb or index finger	15%
two or more fingers	15%
one finger	5%

Family Care option

Under this option, if you die while you are receiving an *Income Benefit* we will continue to pay your *Spouse* the *Income Benefit* for up to five years after your death. We will not pay after the benefit expiry date, or for longer than the balance of the *Benefit Period*, and if your *Spouse* dies during the time, we will stop paying the benefit. Your *Spouse* will receive the same *Income Benefit* that you would have otherwise received if still living for a further five years. For example, if you chose the Increasing Claims option, your *Spouse's* benefit will continue to increase.

Spouse Cover option

Spouse Cover recognises the important contributions made to family lifestyle by *Spouses* who are not in paid work. This option is available for *Spouses* who work part-time (up to 26 hours a week) or carry out domestic duties full time. You can select a Spouse Cover *Waiting Period* of 60 or 90 days. If your *Spouse* is unable to perform their daily domestic duties for longer than the Spouse Cover *Waiting Period* and a *Medical Practitioner* confirms the need for domestic help for your *Spouse*, we will pay you:

- up to \$700 a month towards reimbursement of fees paid for domestic duties such as cooking, cleaning and home nursing care and
- up to \$1,300 a month towards reimbursement of child care costs for children under 12 years.

The *Benefit Period* which will apply to your *Spouse* will be the same as your selected *Benefit Period* and we will not pay after the benefit expiry date. Spouse Cover will end on the *Policy Anniversary* following your *Spouse's* 60th birthday.

Exclusions

We will not pay a benefit if your *Spouse* is disabled due to:

- intentional self-inflicted act or
- attempted suicide or
- uncomplicated pregnancy or childbirth (including participation in an IVF or similar program, normal discomforts such as morning sickness, backache, varicose veins, ankle swelling or bladder problems, giving birth, miscarrying or having an abortion) or
- an act of war (whether declared or not) or
- a *Mental Disorder*.

Rehabilitation benefits

The Rehabilitation benefits also form part of the Spouse Cover option, based on the maximum monthly benefit for Spouse Cover. If you are eligible to receive a Spouse Cover benefit we will pay the following Rehabilitation benefits:

- Home modification – if your *Spouse's* home needs modification for your *Spouse* to return to carrying out the domestic duties, we will reimburse you up to \$6,000 for expenses incurred in carrying out the modification.
- Rehabilitation program – if your *Spouse* takes part in a *Rehabilitation Program* for up to 12 months following the *Waiting Period*, we will reimburse you up to \$1,000 each month towards the expenses of the *Rehabilitation Program*.
- Rehabilitation costs – we will pay up to \$12,000 to cover the expenses of rehabilitating your *Spouse*.

This benefit is payable when your *Spouse* has qualified for a Spouse Cover benefit, or within the *Waiting Period* if he/she would otherwise qualify for a Spouse Cover benefit. You must have our written approval before you incur the expenses for these rehabilitation costs.

Severe Disability option

If while we are paying you an *Income Benefit* or Specified Injury benefit you have been unable to perform continuously at least two of the *Activities of Daily Living* for more than three months of your disability, we will then increase your benefit by one third while this condition continues. This benefit is payable until the end of your *Benefit Period*.

For example, if your *Income Benefit* is \$3,000 per month, and you meet the requirements of this option, we will increase your monthly benefit to \$4,000 per month while you continue to meet the requirements.

Day 4 Accident option

This option is only available for policies with *Waiting Periods* of 30 days or less.

If you are disabled for more than three consecutive days during the *Waiting Period*, as an immediate consequence of an *Accidental Injury* and you are unable to generate at least 80% of your *Pre-Disability Income* through personal exertion, and are not working in any occupation due to that *Accidental Injury*, we will pay you 1/30th of the *Income Benefit* for each day of the *Waiting Period* from day four onwards while you continue to meet those criteria due to your *Accidental Injury*. This benefit is not payable if you are eligible for the Confined to Bed benefit or the Specified Injury benefit.

For example, if your *Income Benefit* is \$3,000 per month, we will pay \$100 per day for each day that you qualify for this benefit during the *Waiting Period*.

Booster option

Under this option, if you are disabled and we are paying you the maximum benefit available under your policy, we will increase your *Income Benefit* by 1/3rd for the first 30 days.

For example, if your *Income Benefit* is \$3,000 per month, and you meet the requirements of this option, we will increase your monthly benefit to \$4,000 per month for up to 30 days while you continue to meet the requirements.

Future Insurability option

You can increase your *Insured Monthly Benefit* by up to 20% on every third *Policy Anniversary*, without us reassessing your personal circumstances. You must tell us in writing that you want to make the increase no more than 30 days after the relevant *Policy Anniversary*. The increase cannot be made if:

- you are over age 55
- you have made a claim in the last six months or
- after the increase, your *Insured Monthly Benefit* will be more than 75% of your *Average Monthly Pre-Tax Income* at that date.

For example, if your *Insured Monthly Benefit* is \$4,000, after three years you can use this option to increase your *Insured Monthly Benefit* to \$4,800.

Trauma option

This option comprises a Death benefit and additional income benefits.

Death benefit

If you die after the expiry of the *Waiting Period* and prior to the benefit expiry date while you are receiving a benefit under your policy, a lump sum equal to three times the *Insured Monthly Benefit* will be paid.

Additional income benefits

We will double the *Income Benefit* we pay you for up to six months if you suffer any of the following specified Traumas (as defined in the Policy Conditions):

- *Chronic Kidney Failure*
- *Coronary Artery Bypass Surgery**
- *Diplegia*
- *Heart Attack**
- *Hemiplegia*
- *Malignant Cancer**
- *Paraplegia*
- *Quadriplegia*
- *Stroke**

We will not pay a Trauma benefit in respect of any of the conditions marked with an asterisk (*) if it first occurs, or becomes apparent, within 90 days of commencement of cover or any reinstatement of your policy. We will not pay any benefit after the benefit expiry date.

Mental Disorder Discount option

The Mental Disorder Discount option allows you to reduce your *Premiums* by electing not to receive any benefits if you were to suffer a *Mental Disorder*. Once you have selected this option it cannot be removed for the life of your policy.

Needlestick Cover option

This option is only available to exposure-prone occupations such as doctors, nurses, pathologists and dentists. Your adviser can help you to determine your eligibility.

We will pay the amount you are covered for as a lump sum if you become infected with HIV (Human Immunodeficiency Virus), Hepatitis B or Hepatitis C as a result of an accident occurring during the course of your normal occupation. We will only pay an amount under this option once.

The minimum Needlestick Cover amount you can apply for is \$50,000 and the maximum is \$400,000 (any multiple of \$50,000 may be selected, up to the maximum).

Any accident giving rise to a potential claim must be reported to us as soon as possible. In the event of a claim under this option there is very specific evidence which you must provide to us. Refer to the Policy Conditions (Part 2, page 29) for full details.

Exclusions

A benefit will not be payable if:

- HIV, Hepatitis B and Hepatitis C is contracted by any other means
- a medical cure is found for Acquired Immune Deficiency Syndrome (AIDS), or the effects of the HIV virus, Hepatitis B or Hepatitis C (as applicable) or in the event of a treatment being developed and approved which makes these viruses inactive and non-infectious.

Limitations

Indexation offers will not apply to your Needlestick benefit.

The maximum combined amount we will pay for this option together with other Needlestick Cover options and/or *Occupationally Acquired HIV* under all policies issued by us is \$2,000,000.

Zurich Special Risk Income Replacement Insurance Plus product overview

The Zurich Special Risk Income Replacement Insurance Plus policy pays you, after the expiry of the *Waiting Period*, an income while you are disabled and suffer a loss of income because of that disability. The *Waiting Period* is the number of days that you nominate to wait before being eligible for the *Income Benefit*. The maximum period we will pay benefits for is the *Benefit Period*. We pay a proportion of the *Income Benefit* twice monthly with the first payment due 15 days after the expiry of the *Waiting Period*.

Who can apply?

This policy is generally available to people between the ages of 19 and 53 who are working full time in an occupation we class as being in our 'Special Risk Division'. This includes unskilled manual workers, unqualified tradespeople, and those in occupations with increased hazards. In most cases at least two years experience will be required in an occupation to be eligible for cover.

The availability of cover also depends on the Life Insured's occupation and state of health. Your adviser can help you to determine your eligibility.

Policy ownership

In most cases, the Policy Owner and the Life Insured must be the same person. However, there are exceptions. These include:

- companies – which may purchase this insurance for an owner or major shareholder who is personally responsible for generating income and
- trustees of family trusts or partners in an unincorporated partnership running a family business – which may purchase the insurance for people responsible for generating income.

How much cover can I apply for?

The minimum *Insured Monthly Benefit* you can apply for is \$1,500 per month subject to a minimum annual *Premium* of \$200 (excluding the Management Fee and any government charges). The maximum benefit you can apply for will depend on your income. Generally, you can insure up to 75% of your *Average Monthly Pre-Tax Income* subject to a maximum benefit of \$10,000 per month.

For example if your income (according to our definition) is \$4,000 per month, you can insure up to \$3,000 per month.

Your adviser can help you to determine the appropriate level of cover.

Can I increase my cover?

Subject to our reassessment of your personal circumstances, you may apply to increase your cover until the expiry of your policy.

When will my cover expire?

Once your application has been accepted, while you are working, and provided you pay your *Premiums* as due (refer to page 65), we guarantee that we will renew your policy every year up until the Policy Anniversary following your 59th birthday. Unless otherwise stated, optional benefits will expire at the same time as the policy to which they are attached (refer to the relevant optional benefit descriptions on pages 45 to 46). Refer to page 39 for details of what will happen if you become unemployed.

What are the Waiting Periods from which I can choose?

You can select a *Waiting Period* of 30, 60 or 90 days. You may choose to split your *Waiting Period* which means you can have different *Waiting Periods* for two portions of your *Income Benefit*.

What are the Benefit Periods from which I can choose?

You can select a *Benefit Period* of 1, 2 or 5 years.

Standard benefits

Income Benefit

We will pay an *Income Benefit* if you suffer a loss of income and are under the care of a doctor.

You can select from two types of *Income Benefits* – 'Agreed Value' and 'Indemnity'. If you choose Indemnity you will receive a *Premium* discount but your monthly benefit will be capped at 75% of your income immediately before any claim. Refer to the Example Calculations for an explanation of how this works. Your adviser can help you to determine which cover best suits your individual circumstances.

Qualifying for an Income Benefit

We will pay you an *Income Benefit* after the expiry of the *Waiting Period* if, solely as a result of a *Sickness* or *Injury*, you are:

- unable to generate at least 80% of your *Pre-Disability Income* from personal exertion in your *Usual Occupation* and not working in any occupation for a period of at least 14 days and
- until the expiry of the *Waiting Period*, unable to earn your *Pre-Disability Income* from personal exertion in your *Usual Occupation* and
- required to be under the regular care of, and following the advice of, a *Medical Practitioner*.

For example, if your income before a claim event is \$4,000 per month, and it reduces to \$3,199 or less per month, you will qualify for an *Income Benefit* (provided the relevant criteria are met).

If you are not earning any income

If at the expiry of the *Waiting Period* you have no *Post-Disability Income* then:

- if you have selected Agreed Value cover, we will pay you the *Insured Monthly Benefit*
- if you have selected Indemnity cover, we will pay you the lesser of the *Insured Monthly Benefit* and 75% of your *Pre-Disability Income*.

If you are still earning income

If at the expiry of the *Waiting Period*, you do have *Post-Disability Income* then the *Income Benefit* we will pay will be proportionate to your loss and calculated on a monthly basis using the following formula:

$$\frac{\text{Pre-Disability Income} - \text{Post-Disability Income}}{\text{Pre-Disability Income}} \times \text{Insured Monthly Benefit}$$

If you select Indemnity cover your benefit will be capped so that the amount we pay you does not exceed 75% of your *Pre-Disability Income*. Refer to the Example Calculations on the next page for an explanation of how this works.

The *Insured Monthly Benefit* at commencement is shown on your Policy Schedule.

How long will the Income Benefit be paid?

We will continue to pay you the *Income Benefit* until any one of the following events occurs:

- the *Sickness* or *Injury* giving rise to the claim does not prevent you from earning your *Pre-Disability Income* from personal exertion from your *Usual Occupation*
- the *Benefit Period* ends
- your policy ends
- your death
- you are no longer required to be under the regular care of a *Medical Practitioner* with regard to treatment for the *Sickness* or *Injury*
- you are not following the treatment recommended by a *Medical Practitioner* at such intervals and frequency as will lead to a cure, alleviation or minimisation of the condition causing your disability.

Exclusions

We will not pay for *Sickness* or *Injury* occurring as a direct or indirect result of:

- an intentional self-inflicted act or
- attempted suicide or
- uncomplicated pregnancy or childbirth (including participation in an IVF or similar program, normal discomforts such as morning sickness, backache, varicose veins, ankle swelling or bladder problems, giving birth, miscarrying or having an abortion) or
- an act of war (whether declared or not).

If you select the Mental Disorder Discount option (refer to page 46) we will not pay a claim resulting from any *Mental Disorder*.

Example Calculations

These examples show how the *Income Benefit* is calculated

Agreed Value (no *Post-Disability Income*)

You have an *Insured Monthly Benefit* of \$3,000.

Due to *Sickness* you cannot earn any income and are eligible to make a claim.

You have no *Post-Disability Income*.

Your *Income Benefit* would be the *Insured Monthly Benefit* of \$3,000.

Agreed Value (*Post-Disability Income*)

You have an *Insured Monthly Benefit* of \$3,000.

Due to *Sickness* you are only generating 25% of your usual income and are eligible to make a claim.

Prior to your *Sickness* you were earning \$4,000.

Your *Income Benefit* would be:

$$\frac{\$4,000 - \$1,000}{\$4,000} \times \$3,000 = \$2,250$$

(75% of the *Insured Monthly Benefit*).

Indemnity (no *Post-Disability Income*)

You have an *Insured Monthly Benefit* of \$4,000.

Due to *Sickness* you cannot earn any income and are eligible to make a claim.

You have no *Post-Disability Income*.

Prior to your *Sickness* you were earning \$4,000.

Using the formula your *Income Benefit* would be the *Insured Monthly Benefit*. However with Indemnity policies where you have no *Post-Disability Income* we pay the lesser of the *Insured Monthly Benefit* and 75% of your *Pre-Disability Income*.

Your *Income Benefit* would be \$3,000.

Indemnity (*Post-Disability Income*)

You have an *Insured Monthly Benefit* of \$3,000.

Due to *Sickness* you are only generating 25% of your usual income and you are eligible to make a claim.

Prior to your *Sickness* you were earning \$4,000.

Your *Income Benefit* would be:

$$\frac{\$4,000 - \$1,000}{\$4,000} \times \$3,000 = \$2,250$$

(75% of the *Insured Monthly Benefit*).

Waiver of Premium

During any periods when *Income Benefits* or Specified Injury benefits are payable, all *Premiums*, except those for the Spouse Cover option, will be waived or refunded. Further, *Premiums* paid in respect of the *Waiting Period* will be refunded if your completed claim form is received within 30 days from the start of your disability and we pay you *Income Benefits*.

Inflation Protection

Each year, until the expiry of your policy, we will provide you the opportunity to increase your level of cover by the increase in the *Consumer Price Index* to ensure your benefits keep up with inflation. This is known as an 'Indexation offer'. Unless you reject the Indexation offer, your *Premiums* will increase each year by an extra amount to reflect that change. If you take up the Indexation offer you do not have to provide any further health evidence. Indexation increases will apply automatically while you are entitled to make a claim.

If you select Indemnity cover *Income Benefits* will be limited to 75% of your *Pre-Disability Income*. Therefore to avoid paying unnecessary *Premium* you should reject any increase to your *Insured Monthly Benefit* that would take you beyond 75% of your *Average Monthly Pre-Tax Income*.

Recurrent Disability

If your disability recurs from the same or related cause within six months of you returning to work, the claim will be considered to be a continuation of the same claim and a further *Waiting Period* will not apply. We will start paying you again immediately for the balance, if any, of the *Benefit Period*.

If your disability recurs from the same or related cause later than six months after you return to work, the claim will be considered to be a continuation of the same claim, but further *Income Benefits* will only be payable after expiry of a further *Waiting Period* and for no longer than the balance, if any, of the *Benefit Period*.

Concurrent Disability

If more than one separate and distinct *Sickness* or *Injury* resulted in your disability, you will not be paid the *Income Benefit* twice. Instead, payments will be based on the policy condition that provides the highest benefit. This ensures that you receive the maximum you are eligible for.

Rehabilitation benefits

This benefit is payable when you have qualified for an *Income Benefit*, or Specified Injury benefit or during the *Waiting Period* if you would otherwise qualify for an *Income Benefit*.

In order to claim a benefit, you must have our written approval before you incur the expenses of the following Rehabilitation benefits:

Workplace modification

If your workplace needs modification for you to return to gainful employment, we will reimburse you up to three times your *Income Benefit* for expenses incurred in carrying out the modification. For example, if your *Income Benefit* is \$4,000 per month, we will pay up to \$12,000 under this benefit.

Rehabilitation program

If you take part in a *Rehabilitation Program*, we will pay you an additional 50% of your *Income Benefit* each month for a maximum of 12 months. For example, if your *Income Benefit* is \$4,000 per month, we will pay an extra \$2,000 per month under this benefit for up to 12 months.

Rehabilitation costs

We will pay up to twelve times your *Income Benefit* to cover the expenses of rehabilitating yourself. For example, if your *Income Benefit* is \$4,000 per month, we will pay up to \$48,000 under this benefit.

Funeral benefit

If you die while your policy is in force we will pay a lump sum of three times your *Insured Monthly Benefit*.

If you have both Zurich Special Risk Income Replacement Insurance Plus and Zurich Business Expenses Insurance Plus, we will only pay this benefit once.

Specified Injury benefit

We will pay you the Specified Injury benefit if you suffer any one of the Specified Injuries set out in the following table. The *Waiting Period* is waived and this benefit is paid for the duration of the Specified Injury Benefit Period, even if you are still earning an income, but ceases on your death. However, we will not pay you for longer than your *Benefit Period* and we will not pay you for more than one Specified Injury per claim.

The amount we will pay you will be:

- if you select Agreed Value cover the *Insured Monthly Benefit* or
- if you select Indemnity cover the lesser of the *Insured Monthly Benefit* and 75% of your *Pre-Disability Income*.

Refer to the Example Calculations on page 43 for an explanation of the difference between these two amounts.

Specified Injury	Benefit Period (months)
<i>Quadriplegia</i>	60
<i>Paraplegia</i>	60
Total and permanent loss of use of:	
both hands or both feet or entire sight in both eyes	24
a hand and a foot	24
a foot and the sight in one eye	24
a hand and the sight in one eye	24
one arm or one leg	18
one hand, one foot or the sight in one eye	12

Fracture of:

kneecap	2
skull (excluding bones of the face or nose)	2
arm between elbow and shoulder (shaft) or shoulder blade	2
forearm (including wrist but excluding elbow or hand)	1.5

An *Income Benefit* is not payable if you are receiving a Specified Injury benefit. However, if you remain disabled and not earning your *Pre-Disability Income* after the end of the Specified Injury Benefit Period and the *Benefit Period* is longer, you may be eligible to continue to receive an *Income Benefit*.

Optional benefits

You can select from the following optional benefits to design a policy that best meets your needs. You will be charged a *Premium* for each optional benefit you select (except where it is explained otherwise).

Increasing Claims option

While you are on claim, the *Income Benefit* will be increased after each three continuous months of *Income Benefit* payments by the percentage increase in the *Consumer Price Index* for the previous quarter.

For example, if your *Income Benefit* is \$3,000 per month, and the increase for the quarter in the *Consumer Price Index* is 1%, then your *Income Benefit* will increase to \$3,030.

Lump Sum Accident option

We will pay you a lump sum if you suffer one of the injuries set out in the following table as the result of an accident which occurs while you are covered for this option and the *Injury* occurs within 180 days of the accident.

The lump sum will be the percentage set out in the table of the Lump Sum Accident amount you have selected (which will be shown on your Policy Schedule). We will only pay an amount under this option once.

The minimum Lump Sum Accident amount you can apply for is \$50,000 and the maximum is \$250,000.

Result of Accident	% of Lump Sum Accident amount
Death	100%
Total and permanent loss of use of:	
both hands or both feet or entire sight in both eyes	100%
a hand and a foot	100%
a foot and the sight in one eye	100%
a hand and the sight in one eye	100%
one arm or one leg	75%
one hand, one foot or the sight in one eye	50%
thumb and index finger from the same hand	25%
thumb or index finger	15%
two or more fingers	15%
one finger	5%

Family Care option

Under this option, if you die while you are receiving an *Income Benefit* we will continue to pay your *Spouse* the *Income Benefit* for up to five years after your death. We will not pay after the benefit expiry date, or for longer than the balance of the *Benefit Period*, and if your *Spouse* dies during the time we will stop paying the benefit. Your *Spouse* will receive the same *Income Benefit* that you would have otherwise received if still living for a further five years. For example, if you chose the Increasing Claims option, the *Income Benefit* paid to your *Spouse* will continue to increase.

Spouse Cover option

Spouse Cover recognises the important contributions made to family lifestyle by *Spouses* who are not in paid work. This option is available for *Spouses* who work part-time (up to 26 hours a week) or carry out domestic duties full time. You can select a Spouse Cover *Waiting Period* of 60 or 90 days. If your *Spouse* is unable to perform their daily domestic duties for longer than the Spouse Cover *Waiting Period* and a *Medical Practitioner* confirms the need for domestic help for your *Spouse*, we will pay you:

- up to \$700 a month towards reimbursement of fees paid for domestic duties such as cooking, cleaning and home nursing care and
- up to \$1,300 a month towards reimbursement of child care costs for children under 12 years.

The *Benefit Period* which will apply to your *Spouse* will be the same as your selected *Benefit Period*, and we will not pay after the benefit expiry date. Spouse Cover will end on the *Policy Anniversary* following your *Spouse's* 60th birthday.

Exclusions

We will not pay a benefit if your *Spouse* is disabled due to:

- intentional self-inflicted act or
- attempted suicide or
- uncomplicated pregnancy or childbirth (including participation in an IVF or similar program, normal discomforts such as morning sickness, backache, varicose veins, ankle swelling or bladder problems, giving birth, miscarrying or having an abortion) or
- an act of war (whether declared or not) or
- a *Mental Disorder*.

Rehabilitation benefits

The Rehabilitation benefits also form part of the Spouse Cover option, based on the maximum monthly benefit for Spouse Cover. If you are eligible to receive a Spouse Cover benefit we will pay the following Rehabilitation benefits:

- Home modification – if your *Spouse's* home needs modification for your *Spouse* to return to carrying out the domestic duties, we will reimburse you up to \$6,000 for expenses incurred in carrying out the modification.
- Rehabilitation program – if your *Spouse* takes part in a *Rehabilitation Program* for up to 12 months following the *Waiting Period*, we will reimburse you up to \$1,000 each month towards the expenses of the *Rehabilitation Program*.
- Rehabilitation costs – we will pay up to \$12,000 to cover the expenses of rehabilitating your *Spouse*.

This benefit is payable when your *Spouse* has qualified for a Spouse Cover benefit, or within the *Waiting Period* if he/she would otherwise qualify for a Spouse Cover benefit. You must have our written approval before you incur the expenses for these rehabilitation costs.

Mental Disorder Discount option

The Mental Disorder Discount option allows you to reduce your *Premiums* by electing not to receive any benefits if you were to suffer a *Mental Disorder*. Once you have selected this option it cannot be removed for the life of your policy.

Zurich Business Expenses Insurance Plus product overview

The Zurich Business Expenses Insurance Plus policy pays you, after expiry of the *Waiting Period*, up to 100% of your *Eligible Business Expenses*, while you are disabled and suffer a loss of *Business Earnings* due to disability. The *Waiting Period* is the number of days that you nominate to wait before being eligible for the Business Expenses benefit. We pay a proportion of the Business Expenses benefit twice monthly with the first payment due 15 days after the expiry of the *Waiting Period*.

Who can apply?

This policy is generally available to people between the ages of 19 and 59 who run a *Business* which will be directly and seriously affected by their disability.

The availability of cover also depends on the Life Insured's occupation and state of health. Your adviser can help you to determine your eligibility.

Policy ownership

In most cases, the Policy Owner and the Life Insured must be the same person. However, there are exceptions.

These include:

- companies – which may purchase this insurance for an owner or major shareholder who is personally responsible for generating income and
- trustees of family trusts or partners in an unincorporated partnership running a family Business – which may purchase the insurance for people responsible for generating income.

How much cover can I apply for?

The minimum Business Expenses benefit you can apply for is \$1,500 per month subject to a minimum annual *Premium* of \$200 (excluding the Management Fee and any government charges). You are generally able to insure up to 100% of your monthly *Eligible Business Expenses* averaged over the previous 12 months. Your adviser can help you to determine the appropriate level of cover.

Can I increase my cover?

Subject to our reassessment of your personal circumstances, you may apply to increase your cover until the expiry of your policy.

When will my cover expire?

Once your application has been accepted, while you are working, and provided you pay your *Premiums* as due (refer to page 65), we guarantee that we will renew your policy every year up until the *Policy Anniversary* following your 65th birthday, regardless of any changes in your health or other circumstances. Refer to page 48 for information about Employment breaks.

What are the Waiting Periods from which I can choose?

You can select a *Waiting Period* of 30, 60 or 90 days. Some occupations are also eligible to select a *Waiting Period* of 14 days. You may choose to split your *Waiting Period* which means you can have different *Waiting Periods* for two portions of your Business Expenses benefit.

What are the Benefit Periods from which I can choose?

The *Benefit Period* is always one year, subject to the Provisions for Fluctuating Expenses outlined on page 51.

Standard benefits

Business Expenses benefit

We will pay you a Business Expenses benefit after the expiry of the *Waiting Period* if, solely as a result of a *Sickness* or *Injury* you are:

- until the expiry of the *Waiting Period* unable to generate at least 80% of your *Pre-Disability Business Earnings* from personal exertion in your *Usual Occupation* and
- required to be under the regular care and following the advice of a *Medical Practitioner*.

For example, if your business income before a claim event is \$4,000 per month, and it reduces to \$3,199 or less per month, you will qualify for a Business Expenses benefit (provided the relevant criteria are met).

The Business Expenses benefit we will pay monthly after expiry of the *Waiting Period* will be the lesser of:

- the monthly Business Expenses benefit and
- your actual *Eligible Business Expenses* incurred in that month less *Business Earnings* during that month and any other income, net of expenses, produced from any source as a result of the provision of your personal services.

'Income' for this purpose includes salaries, fees, bonuses and commissions and the like, but excludes income from any deferred compensation plans, disability income policies or retirement policies.

The monthly Business Expenses benefit at commencement is shown on your Policy Schedule.

We will continue to pay the Business Expenses benefit until any one of the following events occurs:

- the *Sickness* or *Injury* giving rise to the claim does not prevent you from generating your *Pre-Disability Business Earnings*
- the *Benefit Period* ends
- your policy ends
- your death
- you are no longer required to be under the regular care of a *Medical Practitioner* with regard to treatment for the *Sickness* or *Injury*
- you are not following the treatment recommended by a *Medical Practitioner* at such intervals and frequency as will lead to a cure, alleviation or minimisation of the condition causing your disability.

Exclusions

We will not pay for *Sickness* or *Injury* occurring as a direct or indirect result of:

- intentional self-inflicted act or
- attempted suicide or
- uncomplicated pregnancy or childbirth (including participation in an IVF or similar program, normal discomforts such as morning sickness, backache, varicose veins, ankle swelling or bladder problems, giving birth, miscarrying or having an abortion) or
- an act of war (whether declared or not).

Waiver of Premium

During any periods when Business Expenses benefits are payable, all *Premiums* will be waived or refunded. Further, *Premiums* paid in respect of the *Waiting Period* will be refunded if your completed claim form is received within 30 days from the start of your disability and we pay you Business Expenses benefits.

Inflation Protection

Each year, until the expiry of your policy, we will provide you the opportunity to increase your level of cover by the increase in the *Consumer Price Index* to ensure your benefits keep up with inflation. This is known as an 'Indexation offer'. Unless you reject the Indexation offer, your *Premiums* will increase each year by an extra amount to reflect that change. If you take up the Indexation offer you do not have to provide any further health evidence. You can accept the opportunity to increase your monthly Business Expenses benefit up to 100% of your *Eligible Business Expenses* averaged over the previous 12 months. Indexation increases will apply automatically while you are entitled to make a claim.

Recurrent Disability

If your disability recurs from the same or related cause within 12 months of you returning to work, the claim will be considered to be a continuation of the same claim and a further *Waiting Period* will not apply. We will start paying you again immediately for the balance, if any of the *Benefit Period*.

If your disability recurs from the same or related cause later than 12 months after you return to work, the claim will be considered to be a continuation of the same claim, but further Business Expenses benefits will only be payable after expiry of a further *Waiting Period* and for no longer than the balance, if any, of the *Benefit Period*.

Provision for Fluctuating Expenses

If you have insured your *Business* for more than the actual level of expenses incurred during a claim, the *Benefit Period* will be extended for up to 12 months according to the following guidelines. If you are still unable to generate your *Pre-Disability Business Earnings* because of your *Sickness* or *Injury* after 12 continuous months and the total benefits we have paid you do not equal 12 times the monthly Business Expenses benefit, we will extend your benefit payment period.

We will continue to pay you a Business Expenses benefit for:

- the next 12 months if you continue to be unable to generate your *Pre-Disability Business Earnings* because of your *Sickness* or *Injury* or
- until the total amount we have paid you equals 12 times the monthly Business Expenses benefit whichever occurs first.

Funeral benefit

If you die while your policy is in force we will pay a lump sum of three times your monthly Business Expenses benefit.

If you have both Zurich Income Replacement Insurance Plus or Zurich Special Risk Income Replacement Insurance Plus and Zurich Business Expenses Insurance Plus, we will only pay this benefit once.

Optional benefit

You can select this optional benefit to increase the level of cover provided by your policy. You will be charged an additional *Premium* if you select this optional benefit.

Day 4 Accident option

This option is only available for policies with *Waiting Periods* of 30 days or less.

If you are disabled for more than three consecutive days during the *Waiting Period*, as an immediate consequence of an *Accidental Injury* and you are unable to generate at least 80% of your *Pre-Disability Business Earnings* through personal exertion, and are not working in any occupation due to that *Accidental Injury* we will pay you up to 1/30th of the Business Expenses benefit for each day of the *Waiting Period* from day four onwards while you continue to meet those criteria due to your *Accidental Injury*.

For example, if your Business Expenses benefit is \$3,000 per month, we will pay \$100 per day for each day that you qualify for this benefit during the *Waiting Period*.

Zurich Superannuation Term Life Insurance Plus product overview

The issuer of Zurich Superannuation Term Life Insurance Plus is Zurich Australian Superannuation Pty Limited which is the Trustee of the Fund. The issuer of life insurance under this product (and the administrator of this product) is Zurich Australia Limited (ZAL).

In this section of the PDS, 'Zurich', 'us', 'our', and 'we' means Zurich Australian Superannuation Pty Limited.

Zurich Superannuation Term Life Insurance Plus pays a lump sum on your death. It also covers you if you are diagnosed with a terminal illness.

Zurich Superannuation Term Life Insurance Plus is issued through the Fund which is governed by the Fund trust deed. The Fund is a complying superannuation fund as defined in superannuation law.

When you become a member of the Fund a policy will be issued by ZAL to us. We will be the owner of the policy and you will be the person insured under the Fund's insurance policy. Contributions received by Zurich will be used to pay for the costs of providing your life insurance cover. All benefits under this policy are payable to us and we will pay you in accordance with superannuation legislation and the governing rules of the Fund (refer to page 69 for more details). We reserve the right to change the product specifications and terms of the product where permitted to do so under the governing rules and the law.

The benefits provided under this policy end on the earlier of your ceasing to be a member of the Fund or the *Policy Anniversary* following your 75th birthday other than the Premium Waiver option which ceases on the *Policy Anniversary* following age 69.

Who can apply?

People between the ages of 15 and 64 who are eligible to become a member of a complying superannuation fund can apply for this product. The rules for eligibility to contribute to a superannuation fund are set out on page 69.

To add the Total and Permanent Disablement option or Accidental Death option you must be between the ages of 19 and 59.

How much cover can I apply for?

The minimum amount of cover you can apply for is \$50,000 per benefit subject to a minimum annual *Premium* of \$160 (excluding the Management Fee and any government charges).

The maximum amount of cover you can apply for is subject to the following guidelines in respect of each policy:

Cover	Maximum amount of cover available
Death cover	The maximum depends on your needs. Your adviser can help you determine this.
TPD cover	\$3,000,000 (if TPD cover exceeds Death cover, the TPD cover is limited at outset to two times the Death cover)

After your cover is in force, it can increase above the maximum due to Inflation Protection (refer to page 55).

Further restrictions also apply to the total amount of cover in respect of a Life Insured for all policies from all sources (including policies issued by other life insurers). Generally the total TPD cover with ZAL and other life insurers cannot exceed \$3,000,000.

Can I increase my cover?

Subject to ZAL's reassessment of your personal circumstances and our consent, you may apply to increase your Death cover any time before your 65th birthday. You may apply to increase your TPD cover at any time prior to your 59th birthday. You may apply to increase the Accidental Death benefit any time prior to your 59th birthday. The minimum amount you can increase your cover by each time is \$50,000.

When will my cover expire?

Subject to our consent, once your application has been accepted, while you remain a member of the Fund, and provided your *Premiums* are paid as due (refer to page 65), ZAL has guaranteed that it will renew your cover every year up until the *Policy Anniversary* following your 75th birthday regardless of any changes to your health or other circumstances. Please note that we are not responsible for the payment of *Premiums* or for monitoring your payment of *Premiums*. Optional benefits may expire at earlier ages (refer to the relevant optional benefit descriptions on pages 56 to 57).

Zurich Superannuation Term Life Insurance Plus benefits

Death benefit

ZAL will pay us the amount you are covered for as a lump sum if you die during the term of the policy.

Inflation Protection

Each year, until the expiry of your policy, we and ZAL will provide you the opportunity to increase the level of cover (including any cover under the TPD option) by the greater of 5% and the *Consumer Price Index* to keep up with inflation. This is known as an 'Indexation offer'. Unless you reject the Indexation offer, your *Premiums* will increase each year by an extra amount to reflect that change. If you take up the Indexation offer you do not have to provide any further health evidence.

Future Insurability benefit

This benefit entitles you to increase your Death cover or TPD cover prior to age 55 without reassessment of your health, within 30 days of the personal events described below. This benefit does not apply if you are entitled to receive a benefit, or if you are receiving or have received a benefit under your policy, or if ZAL or any other life insurer has waived, or is waiving, your *Premium*.

Events covered:

- if the Life Insured gets married or divorced, or if a child is born to or is adopted by the Life Insured
- if the Life Insured takes out for the first time or increases his/her mortgage on his/her principal place of residence
- if a dependent child of the Life Insured starts secondary school.

Restrictions and limitations

Restrictions apply to each increase and all increases combined. Refer to the Policy Conditions (Part 2, pages 36 to 37) for full details.

For the first six months after an increase under this benefit any increased cover amount is payable only in the event of a claim due to *Accidental Injury*.

Terminal Illness benefit

If you are diagnosed with a terminal illness and death is likely to occur within 12 months, ZAL will pay us up to 100% of your Death cover (excluding any cover under the Accidental Death option). Refer to page 66 for Claims requirements. If you have multiple policies issued by ZAL there is a maximum limit of \$2,000,000 on terminal illness benefits payable per Life Insured.

In order for us to pay you this benefit we will require specific certification of the condition as required by superannuation legislation.

The amount of Death cover and any TPD cover will be reduced by any payments made under this benefit. Your *Premium* will be based on the reduced cover after payment of the Terminal Illness benefit. If you survive beyond 12 months, you do not have to repay this benefit.

Advancement for Funeral Expenses

While a claim is being settled, ZAL may advance part of the Death benefit to us towards payment of funeral expenses up to \$15,000, subject to superannuation laws (see 'Payments of benefits under superannuation' on pages 69 and 70). An application for payment of funeral expenses must include reasonable evidence of death and the funeral invoice.

Death cover exclusions

ZAL will not pay a benefit under the insurance policy for you if you commit suicide within 13 months of the commencement date of cover (or increase in cover but only in respect of that increase) or reinstatement of the policy.

Conversion of cover to a non-superannuation policy

Subject to our and ZAL's approval, your cover may be converted to a non-superannuation policy. You may apply to effect this conversion:

- at any time while you are a member of the Fund or
- within 30 days of ceasing to be a member of the Fund.

Optional benefits

You can select from the following optional benefits to design a policy that best meets your needs. You will be charged a *Premium* for each optional benefit you select.

Total and Permanent Disablement (TPD) option

This option pays us a lump sum if you suffer *Total and Permanent Disablement*. While you continue to pay your *Premiums*, you will be covered for this event while the cover is in force.

If you are not in paid employment you can still apply for TPD cover. Generally the maximum amount of TPD cover available to people employed in domestic duties is \$750,000.

In order for us to pay you a TPD benefit such payment must be permitted under the relevant superannuation legislation including:

- you must have ceased to be gainfully employed and
- we must be reasonably satisfied that because of ill health you are unlikely ever again to engage in gainful employment for which you are reasonably qualified by education training and experience.

You will meet our definition of *Total and Permanent Disablement* if you:

- suffer a specific loss or
- are 'unable to work' (two versions are available – 'any occupation' and 'own occupation') or
- are unable to perform normal domestic duties or
- are unable to perform at least two of the *Activities of Daily Living* or
- suffer cognitive impairment,

within the definition of *Total and Permanent Disablement* on Part 2, page 46.

Other than for specific loss, before a claim can be made you must have been absent from active employment solely as a result of *Sickness* or *Injury* for an uninterrupted period of three consecutive months.

On the *Policy Anniversary* following your 64th birthday, the definition of *Total and Permanent Disablement* will change. From that date, only the inability to perform two of the *Activities of Daily Living*, cognitive impairment and specific loss will apply and the maximum benefit payable is \$1,000,000.

Double TPD

If you select Double TPD cover, your level of Death cover is reduced by the amount of any TPD benefit paid to you, but will then be reinstated to the same level 12 months after the TPD benefit is paid.

Double TPD also contains a waiver of premium feature. This means that once a Double TPD benefit has been paid, *Premiums* for Death cover equivalent to the amount of the TPD benefit paid will be waived until the *Policy Anniversary* following your 64th birthday. *Premiums* will continue to be payable in respect of the difference between the total Death cover and the TPD benefit paid. From the *Policy Anniversary* after your 65th birthday *Premiums* for the full Death cover will resume.

On the *Policy Anniversary* following your 64th birthday, Double TPD cover will automatically convert to Standard TPD cover.

TPD cover exclusions

The TPD benefit will not be payable if your *Total and Permanent Disablement* is due to intentional self-inflicted act or attempted suicide or any other event or medical condition specified on your Policy Schedule.

What happens to my other benefits if I receive a TPD benefit?

- Once you receive a benefit under your TPD option, your Death cover will be reduced by the amount paid.
- If you have selected Double TPD, your Death cover can be reinstated to the same level 12 months after the TPD benefit is paid. You must write to us to reinstate your cover.

Premium Waiver option

This option will waive your *Premiums* for all benefits issued under your policy, if you are *Totally Disabled* prior to age 70. ZAL will continue to waive your *Premium* while you remain *Totally Disabled*.

In addition, if you are involuntarily unemployed other than as a direct result of a *Sickness* or *Injury*, your cover has been in force for the previous 12 months at the time we receive your claim and you are registered with an employment agency approved by us, ZAL will waive your *Premium* for up to three months (over the life of your policy).

Exclusions

Premiums will not be waived for *Sickness* or *Injury* occurring as a direct or indirect result of:

- an intentional self-inflicted act or
- attempted suicide or
- uncomplicated pregnancy or childbirth (including participation in an IVF or similar program, normal discomforts such as morning sickness, backache, varicose veins, ankle swelling or bladder problems, giving birth, miscarrying or having an abortion) or
- an act of war (whether declared or not).

Accidental Death option

This option pays the amount you are covered for as an additional lump sum in the event of your *Accidental Death* while this policy is in force. The minimum Accidental Death amount you can apply for is \$50,000 and the maximum is \$1,000,000. While you continue to pay your *Premiums*, you will be covered for this event until the *Policy Anniversary* following your 75th birthday.

Exclusions

The Accidental Death benefit will not be payable where a claim is the result of suicide or any other event specified on your Policy Schedule.

An application for payment of funeral expenses must include reasonable evidence of death and the funeral invoice.

Subject to our and ZAL's approval, your cover may be converted to a non-superannuation policy. You may apply to effect this conversion:

- at any time while you are a member of the Fund or
- within 30 days of ceasing to be a member of the Fund.

Optional benefits

You can select from the following optional benefits to design a policy that best meets your needs. You will be charged a *Premium* for each optional benefit you select.

Total and Permanent Disablement (TPD) option

This option pays us a lump sum if you suffer *Total and Permanent Disablement*. While you continue to pay your *Premiums*, you will be covered for this event while the cover is in force.

If you are not in paid employment you can still apply for TPD cover. Generally the maximum amount of TPD cover available to people employed in domestic duties is \$750,000.

In order for us to pay you a TPD benefit such payment must be permitted under the relevant superannuation legislation including:

- we must be reasonably satisfied that because of ill health you are unlikely ever again to engage in gainful employment for which you are reasonably qualified by education training and experience.

You will meet our definition of *Total and Permanent Disablement* if you:

Double TPD also contains a waiver of premium feature. This means that once a Double TPD benefit has been paid, *Premiums* for Death cover equivalent to the amount of the TPD benefit paid will be waived until the Death benefit expiry date. *Premiums* will continue to be payable in respect of the difference between the total Death cover and the TPD benefit paid.

TPD cover exclusions

The TPD benefit will not be payable if your *Total and Permanent Disablement* is due to an intentional self-inflicted act or attempted suicide or any other event or medical condition specified on your Policy Schedule.

What happens to my other benefits if I receive a TPD benefit?

- Once you receive a benefit under your TPD option, your Death cover will be reduced by the amount paid.
- If you have selected Double TPD, your Death cover can be reinstated to the same level 12 months after the TPD benefit is paid. You must write to us to reinstate your cover.

Increasing Cover option

If you select this option, we and ZAL will increase your cover (including any cover under the TPD option) by 5% each year without any further health evidence, to keep up with inflation. Your *Premiums* will increase each year if your level of cover increases. You can reject the increase if you don't want your cover to increase.

For example, if your Death benefit is \$400,000 at outset, it will increase to \$420,000 at the first *Policy Anniversary*.

Premium Waiver option

This option will waive your *Premiums* for all benefits issued under your policy, if you are *Totally Disabled* before the policy expiry date. ZAL will continue to waive your *Premium* while you remain *Totally Disabled*.

To qualify for this waiver you must pay *Premiums* for three months while a Life Insured is *Totally Disabled*. However, if we do subsequently waive your *Premiums*, we will also refund any *Premiums* paid in those three months.

In addition, if you are involuntarily unemployed other than as a direct result of a *Sickness* or *Injury*, your cover has been in force for the previous 12 months at the time we receive your claim and you are registered with an employment agency approved by us, ZAL will waive your *Premium* for up to three months (over the life of your policy).

Exclusions

Premiums will not be waived for *Sickness* or *Injury* occurring as a direct or indirect result of:

- an intentional self-inflicted act or
- attempted suicide or
- uncomplicated pregnancy or childbirth (including participation in an IVF or similar program, normal discomforts such as morning sickness, backache, varicose veins, ankle swelling or bladder problems, giving birth, miscarrying or having an abortion) or

Additional Information about Zurich Wealth Protection Products

This information applies to the products described in this PDS. Note: With respect to Zurich Superannuation Term Life Insurance Plus and Zurich Superannuation Select Term Plus, references to the policy should be interpreted as references to your participation in the Fund.

Assessment of health

When you apply for a Wealth Protection product, you must complete our Application Form and a Life Insured's Statement, which asks detailed questions about your state of health. We then assess your application in order to make an offer of cover to you. Any health condition you tell us about will be covered under your policy, unless we are unable to offer cover, or we specifically exclude the condition. Prior to the commencement of your policy you will be advised of any other exclusions that result from the personal assessment of your application. Any health condition you do not tell us about may cause you to fail your duty of disclosure. If your non-disclosure is fraudulent we may avoid the contract at any time. If we would not have entered into the contract on any terms we may avoid the contract within 3 years of entering into it. If we choose not to avoid the contract we may reduce the sum that you have insured for in accordance with a statutory formula.

Premiums

How is my Premium calculated?

Your *Premium* will depend on:

- the level of cover you require (the higher the sum insured, the higher the *Premium*)
- any options you choose (the more options you select the higher the *Premium*)
- whether you select stepped or level *Premiums* (stepped *Premiums* are generally lower than level *Premiums* at the start of the policy, but stepped *Premiums* increase each year as you get older whereas level *Premiums* do not)
- the frequency of your *Premium* payments (paying half-yearly, quarterly or monthly will attract an increased *Premium*)
- your current age (generally *Premiums* increase each year in line with your age)
- your gender (for example, Death cover *Premiums* are generally higher for males than for females, while Trauma cover and income protection *Premiums* are generally higher for females than for males)
- whether or not you are a smoker (*Premiums* are higher for smokers than for non-smokers; a non-smoker is defined as a person who has not smoked tobacco or any other substance for the past 12 months)

- your occupation (generally occupations with hazardous duties or higher occupational risk have higher *Premiums*)
- your health and
- any pastimes you participate in (generally *Premiums* are higher for those who engage in hazardous activities).

Your *Premium* will also include any stamp duty charged by your State Government as well as any other taxes that may be levied by State or Federal governments.

If you apply for Zurich Income Replacement Insurance Plus, Zurich Special Risk Income Replacement Insurance Plus or Zurich Business Expenses Insurance Plus, some additional factors will also influence your *Premium*:

- the *Benefit Period* you select (the longer the *Benefit Period*, the higher the *Premium*)
- the *Waiting Period* you select (the shorter the *Waiting Period*, the higher the *Premium*).

State Governments impose stamp duty on income replacement policies. Duties may vary from State to State. The stamp duty will be added to your *Premium*.

Your adviser will provide you with a premium illustration for the particular product/s you are applying for taking into account all of these factors. This illustration will show the cost of each coverage and option you select as well as the details of any fees and/or stamp duties or tax that may apply. If you request, your adviser can also provide you with a table of *Premium* rates giving all rates and factors for all of the products described in this PDS. Further information on how *Premiums* are calculated can be obtained by calling our Customer Service Centre on 131 551.

Goods and Services Tax

Goods and Services Tax (GST) is not currently payable on insurance premiums for the products described in this PDS.

Choice of Premium structures

You can choose between 'stepped' and 'level' *Premiums*.

Stepped Premium

Your *Premiums* will increase each year based on the rates applicable for your age at that time. Zurich Protection Plus and Zurich Superannuation Term Life Insurance Plus offer the ability to freeze your *Premium*. In that case, the amount you pay will stay the same but the amount you are covered for will generally decrease each year.

Level Premium

Your Premiums, excluding the Management Fee, will be based on the age that you commence the cover. For Zurich Protection Plus and Zurich Superannuation Term Life Insurance Plus, on the *Policy Anniversary* following your 64th birthday Premiums revert to stepped Premium rates.

What if I don't pay my Premium?

If *Premiums* are not paid when due, your policy will lapse after 30 days and you will not be covered. You may be able to reinstate your policy after it lapses, but you must submit an application to us, which is subject to reassessment of your personal circumstances at the time of application.

What are the payment options?

You can choose to pay your *Premiums* monthly, quarterly, half-yearly or yearly by direct debit from your bank, building society or credit union account or credit card. Or, you can pay *Premiums* directly by cheque, credit card or B-Pay to Zurich half-yearly or yearly.

Premiums for Zurich Superannuation Term Life Insurance Plus and Zurich Superannuation Select Term Plus cannot be funded by a rollover or an ETP.

How can I pay my Premiums?

	First Premium	Monthly	Quarterly	Half yearly	Yearly
Cheque	✓	✗	✗	✓	✓
Direct debit	✓	✓	✓	✓	✓
Credit card	✓	✓ (direct debit)	✓ (direct debit)	✓	✓
BPAY	✗	✗	✗	✓	✓

Are premium rates guaranteed?

Premium rates for Wealth Protection products are not guaranteed and can change from time to time. Any change, however, will affect all policies in the same category, not just an individual policy. We will notify you of any changes to *Premium* rates at least 30 days prior to the change taking effect. The *Premium* payable from the start of your policy is shown on your Policy Schedule, and will not change before the first *Policy Anniversary*.

Premium rates for Zurich Select Term Plus and Zurich Superannuation Select Term Plus are guaranteed not to change in the first five years.

Commission

We may pay commission and other benefits to financial advisers and other representatives. Your adviser will provide details of the benefits he or she will receive if we issue you a policy in the Financial Services Guide and, if applicable, the Statement of Advice that he or she will give to you. We pay these amounts out of your *Premium* payments – they are not additional amounts you have to pay.

What are the other charges?

The current charges are set out below. If Zurich introduces any new charges, or there is an increase to current charges (other than by way of the fee indexation described below) you will be notified at least three months prior to such charge taking effect.

In addition to your *Premium*, you are required to pay a Management Fee which contributes to the cost of administering your policy. The fee payable depends on the frequency of your *Premium* payments.

If you are acquiring the Zurich Superannuation Term Life Insurance Plus product or the Zurich Superannuation Select Term Plus product, the contributions paid to Zurich Australian Superannuation Pty Limited will be paid to Zurich to cover your *Premium* and the Management Fee.

Premium frequency	Management Fee payable	Annual equivalent
Monthly	\$7.50	\$90.00
Quarterly	\$22.50	\$90.00
Half-yearly	\$37.48	\$74.96
Yearly	\$74.96	\$74.96

These Management Fees apply until 31 March 2009, and will be increased each year on 1 April in line with the *Consumer Price Index*. The increased Management Fee will apply from your *Policy Anniversary* following 31 March each year.

Each of the products described in this PDS is issued as a separate policy. If more than one policy is applied for at the same time, for the same Life Insured, you will be charged only one Management Fee for that Life Insured (for example if you apply for Zurich Protection Plus and Zurich Income Replacement Insurance Plus).

Zurich Protection Plus and Zurich Select Term Plus allow you to cover more than one life on a single policy. In this case, you will be charged only one Management Fee.

State Governments impose stamp duty on some policies. Duties may vary from State to State. If applicable, the stamp duty will be included in or added to your *Premium*. Should changes in the law result in additional taxes or imposts in relation to your policy, these amounts may be added to your policy. Direct Debits from your financial institution may incur an additional fee.

Guaranteed upgrade of benefits

Zurich may improve the terms of the benefits described in this PDS in relation to a particular product. If we do so, without any change in the standard *Premium* rates, we will provide the improvement to you. Any condition for which a claim is made, existing at the time the improvement is offered will be excluded from being eligible for payment under the improved terms.

Guaranteed renewable

Provided you have paid your *Premiums* as required, your policy is guaranteed to be renewable up until the expiry age of the benefit(s) you have chosen regardless of any changes in your health or pastimes. Your policy will only cease in accordance with the terms of your policy.

Claims

You must advise Zurich of an insured event occurring as soon as reasonably possible after the event. You can do this by contacting the Zurich Client Service Centre and a claim form will be forwarded to you to complete and sign.

Before a claim is payable under any Zurich Wealth Protection product described in this PDS, we must receive proof to our satisfaction of the insured event.

Proof of the occurrence of any insured event must be supported by:

- one or more appropriate specialist *Medical Practitioners* registered in Australia or New Zealand (or in another country approved by us)
- confirmatory investigations including, but not limited to, clinical, radiological, histological and laboratory evidence, and
- if a Trauma claim is a result of a surgical procedure, evidence that the procedure was medically necessary.

Our medical advisers must support the occurrence of the insured events. We reserve the right to require the Life Insured to undergo an examination or other reasonable tests to confirm the occurrence of the insured event.

In assessing your claim we will also rely on any information you have disclosed to us as part of your application. Where information (eg. your income) has not been verified at the time of application we reserve the right to verify it at the time of claim.

You must, on our request, provide us (or our agent) with information (or access to information) that we require to verify your income and other relevant matters in respect of your claim and any benefits to which you may be entitled. For example: tax returns for all entities including assessment notices issued by the Australian Taxation Office (ATO), profit and loss and financial statements.

Further details about the claims process are set out in the Policy Conditions (Part 2, pages 5 and 6). You should read this information carefully.

Nominating beneficiaries

If you have chosen Zurich Protection Plus or Zurich Select Term Plus, then you can nominate beneficiaries for death benefits if you wish. If you do not make a nomination, then any death claim proceeds will be paid to your legal personal representative.

We will accept nominations of beneficiaries to receive death claim proceeds, but you should be aware that:

- we recommend you obtain independent legal advice, including advice about making the relevant nomination in your will or by way of a trust deed and a separate Deed of Arrangement and
- we will use our best endeavours, but can make no representation or warranty that we will be legally able to comply with your directions to pay your nominated beneficiary.

The rules for nominating beneficiaries are:

- A nominated beneficiary can be an individual, corporation or trust.
- Contingent nominations (ie. nominations which provide for multiple scenarios) cannot be made.
- You may change a nominated beneficiary at any time or revoke a previous nomination at any time prior to a claim event occurring.

- If an individual, who is a nominated beneficiary under the policy and alive at the time of death of the Life Insured, subsequently dies before any entitlement under the policy can be paid, then the entitlement will be paid to the deceased beneficiary's legal personal representative.
- If a nominated beneficiary dies before the Life Insured, the nomination ceases to be valid. In this case, any policy entitlement (payable on the death of the Life Insured) will be payable to the Policy Owner (assuming no further beneficiary had been nominated by the Policy Owner).
- If ownership of the Policy is assigned to another person or entity, then any previous nomination is automatically revoked.
- A nominated beneficiary has no rights under the policy, other than to receive the nominated policy proceeds after a claim has been admitted by us. He or she cannot authorise or initiate any policy transaction.
- The nomination must be properly executed before we can accept it.

Please note that the concept of 'binding nominations' does not apply to these policies; binding nominations only apply to superannuation policies. Refer to Risk-only Superannuation on page 69 for information about nominations under Zurich Superannuation Term Life Insurance Plus and Zurich Superannuation Select Term Plus.

Statutory fund

The *Premiums* paid for the products described in this PDS form part of the Zurich No. 2 Statutory Fund. Any benefits you receive under a product described in this PDS will be paid from that fund.

Memoranda of Transfer

If you wish to change the ownership of your policy from one owner to another, you may use a Memoranda of Transfer which is available from Zurich. Stamp duty will be payable on any ownership transfer. The Memoranda of Transfer cannot be used to change ownership from a non-superannuation owner to a superannuation fund, instead we will cancel and replace your policy in order to make this change. Please contact us if you require further information about assignment of ownership.

World-wide cover

You are covered under any Zurich Wealth Protection product 24 hours a day, seven days a week, world-wide. If you are claiming while overseas for Zurich Income Replacement Insurance Plus, Zurich Special Risk Income Replacement Insurance Plus or Zurich Business Expenses Insurance Plus, we will require you to have a medical examination in Australia, or in another country by a doctor nominated or approved by us, every 12 months for the benefits to continue.

Information about your policy

Part 2 of this PDS sets out the Policy Conditions which apply to each of the Wealth Protection products. When you take out your policy, you will receive a Policy Schedule (or in the case of Zurich Superannuation Term Life Insurance Plus and Zurich Superannuation Select Term Plus, a copy of your Policy Schedule) which outlines the specific details of your particular cover – such as which options you have selected. These are important documents and should be read carefully. Please keep them in a safe place because you will need them to make a claim. Should there be any changes to the benefits included in your policy, you will be notified by mail.

Each year Zurich will send you a renewal advice indicating your new *Premium* amount and, where available, an offer to increase your level of cover in line with inflation.

You may request further information about these products, including a copy of the trust deed for the Fund, by contacting us at the address shown on the back cover of this brochure or by telephoning us on 131 551. If so requested, we will give you further information which has previously been generally made available to the public. The provision of further information may be subject to a charge.

We are committed to providing our customers with high levels of service. If you have any enquiries or complaints about your policy, you should contact your adviser or the Zurich Client Service Centre on 131 551. If we cannot resolve the issue to your satisfaction you have access to an independent complaints resolution body. Refer to page 69.

Processing your application

If we are unable to process your application, for whatever reason, Zurich will deposit any money received into a Trust Account. Under current legislation this money can only be held in a Trust Account for a maximum of one month or a period that is 'reasonable' in the circumstances. Provided Zurich has sufficient proof that we have been attempting to finalise the application by way of following up the outstanding requirements, then the 'reasonable' period will be not more than four months.

Any interest earned on the moneys in the Trust Account will be retained by Zurich to recover administration costs incurred in finalising the application.

If you make any overpayment of *Premium*, we may retain the overpayment, unless it exceeds \$5.00.

Your Privacy

Zurich respects your privacy. Before we collect personal information you should know the following things:

We need personal information about you to:

- assess your application for one of our products or services (or the application that someone else such as your employer may be making on your behalf), and
- administer the insurance policy or superannuation fund membership that may result.

Where relevant for this purpose, we will disclose this information (which may include disclosure of sensitive information such as health information):

- to your adviser (or your employer's adviser, if you are a member of a company superannuation fund) and the licensed dealer or broker the adviser represents
- to our agents, contractors, business partners and service providers who provide financial, administration and other services in connection with the operation of our business or products
- to the Policy Owner(s).

A list of the type of agents, contractors and service providers we commonly use is available by calling us. You can also find this list, together with Zurich's privacy policy, on our website, www.zurich.com.au.

We may also disclose information about you where we are required or permitted to do so by law.

If you do not provide the information asked for, we may not be able to offer insurance cover (or increased insurance cover).

We may use personal information (but not sensitive information, such as health information) collected about you to notify you of other products and services, or we may pass it to other companies in the Zurich Financial Services Australia Group to allow them to notify you of their products or services. If you do not want your personal information used in this way you should contact us.

In most cases, on request, we will give you access to any personal information we hold about you. We may charge you for reasonable administrative costs associated with providing you with this information.

You may contact us by telephone on 132 687, email us at privacy.officer@zurich.com.au or by writing to 'The Privacy Officer' at Zurich Financial Services Australia Limited, PO Box 677, North Sydney, NSW, 2059. To help us respond promptly to your enquiry, please provide details of your policy number/s where known.

Complaints resolution

If you have a complaint about your policy

If you have a complaint about a product issued by Zurich Australia Limited (refer to the product list on the inside front cover of this PDS), you should contact the Zurich Client Service Centre on 131 551. We will aim to acknowledge any complaint within 5 days and to resolve your complaint within 45 days (or up to 90 days if you agree). If you are not satisfied with the response you receive from us, or we fail to resolve the complaint within 45 days (or any extended period you approve) you can raise the matter with the Financial Industry Complaints Service, PO Box 579, Collins Street West, Melbourne, VIC 8007. The toll free telephone number is 1300 780 808.

If you have a complaint about your superannuation fund

Zurich Superannuation Term Life Insurance Plus and Zurich Superannuation Select Term Plus are provided through Zurich Master Superannuation Fund by the Trustee of that fund, Zurich Australian Superannuation Pty Limited. A complaint about the Trustee can be made by contacting the Zurich Client Service Centre on 131 551. We will aim to acknowledge any complaint within 5 days and to resolve the complaint within 90 days. If you are not satisfied with the response you receive from us, or we fail to resolve the complaint within 90 days, you can raise the matter with the Superannuation Complaints Tribunal (SCT) at Locked Bag 3060, GPO Melbourne VIC 3001. The SCT's telephone number is 1300 884 114.

The SCT is an independent body established by the Commonwealth Government to review trustee decisions relating to its members, as opposed to trustee decisions about the management of a superannuation fund as a whole. The objective of the SCT is to provide a fair, timely and economical means of resolution of complaints as an alternative to the court system. The SCT cannot consider complaints that have not been first referred to a trustee's complaints resolution process.

If your complaint is outside the jurisdiction of the SCT, you may instead be able to raise it with the Financial Industry Complaints Service (FICS). FICS is an independent body designed to help you resolve complaints relating to your Zurich product, as well as complaints relating to financial or investment advice and sales of financial or investment products. You can contact FICS at PO Box 579, Collins Street West, Melbourne VIC 8007. The toll free telephone number is 1300 780 808.

Risk-only superannuation

If you have chosen Zurich Superannuation Term Life Insurance Plus or Zurich Superannuation Select Term Plus, you must be aware of the following information.

Contributing to superannuation funds

When you are required to pay *Premiums* to pay for applicable cover or you wish to obtain additional cover and wish to pay further contributions, you will need to satisfy relevant contribution requirements under superannuation laws.

In addition to compulsory employer contributions, the Fund may accept contributions that are made:

- in respect of a member who is under the age of 65
- in respect of a member who is over the age of 65 and under the age of 70 and is gainfully employed on at least a part-time basis during the financial year in which the contributions are made or
- in respect of a member who is over the age of 70 and under the age of 75 and is gainfully employed on at least a part-time basis during the financial year in which the contributions are made.

A member is gainfully employed on a part-time basis during a financial year if he/she has worked at least 40 hours in a period of not more than 30 consecutive days in that financial year.

WARNING: If you become ineligible to contribute to the superannuation fund, your cover will in normal circumstances cease due to the Trustee not being able to fund the risk *Premiums*.

Payments of benefits under superannuation

In some situations a benefit under Zurich Superannuation Term Life Insurance Plus or Zurich Superannuation Select Term Plus may be paid to us where we are not permitted, either by superannuation law or the terms of the governing rules of the Fund, to pay the benefit to the relevant Life Insured. In this case, the benefit will be held by us until the benefit can be paid under superannuation law and the governing rules of the Fund.

Also, situations can occur where there is no entitlement to a benefit under Zurich Superannuation Term Life Insurance Plus or Zurich Superannuation Select Term Plus (eg. because there is no TPD cover under the policy or, if there is, because the incapacity suffered by the Life Insured does not meet the definition of 'Total and Permanent Disablement' required under the policy) but the incapacity suffered is such that the Life Insured would be entitled, under superannuation

law and the governing rules of the Fund to receive his/her superannuation account balance. It should be noted that in such cases where the Life Insured is covered for TPD but does not satisfy the TPD definitions, no insurance benefit will be payable under the Zurich policy and accordingly by the Fund.

Where a benefit under Zurich Superannuation Term Life Insurance Plus or Zurich Superannuation Select Term Plus is paid to us as the Trustee of the Fund, but we are required to preserve the benefit in the Fund, we will contact you for instructions to transfer your benefit to another complying superannuation fund. If you do not provide us with instructions for payment within 90 days of our request for rollover details, we may transfer your benefit to the Australian Eligible Rollover Fund (AERF). If this occurs, your entitlements in the Fund including any residual insurance cover, will cease and you must apply to the Trustee of the AERF for the payment of your benefit.

The Trustee of the AERF is the Perpetual Trustee Company Limited, GPO Box 4172, Sydney NSW 2001. The administrator of the AERF can be contacted on telephone number 1800 677 424.

An eligible rollover fund is a public offer superannuation fund that receives transferring members and benefits from other superannuation funds and is designed to protect member benefits from erosion by administrative charges.

Nominating a dependant to receive benefits

On your death, any benefit will generally be paid as a lump sum to the person you nominate as a beneficiary on the Superannuation Fund Form which forms part of the Zurich Wealth Protection Application Form accompanying this PDS. The amount your beneficiary will receive will be your sum insured less any tax that may apply. If you do not nominate a beneficiary or your nominated beneficiary dies before you, the money will generally be paid to your estate as a lump sum. This type of nomination is generally not binding on us. We may decide that payments should continue to your spouse or dependants, or we may pay the money as a lump sum to your spouse, dependants or estate.

At any time you can nominate a new nominated beneficiary in writing to us. A new nomination is only effective once we receive your written request and revokes all previous nominations.

The beneficiary you nominate must be your legal personal representative (generally your estate) or a dependant as defined by the Trust Deed. A dependant is defined to include your spouse (including de facto spouse), your children (including adopted and stepchildren) a person with whom you have an interdependency relationship (as defined on page 71) and any other person who in the opinion of the Trustee, was dependent on you at the relevant time. You must notify the Trustee if your nominated beneficiary ceases to be a dependant (as defined above).

Binding nominations

Generally your nomination is only a guide for us and we are obliged to pay your Death benefit in accordance with the Trust Deed and superannuation laws. If you wish to make your nomination binding, the Trust Deed and superannuation laws require special conditions to be met. We provide you the opportunity to choose various methods when setting up your nominations. Binding nominations can be made by category or by a flat percentage split to facilitate estate planning. You have also the option of naming specific individuals within a category. For example, you could select 'minor children' which would cover all your minor children, or you could elect to nominate specific minor children.

One restriction on binding nominations is that they are only valid for three years from the date the nomination is correctly completed. This is to ensure that your nominations stay up-to-date with your current circumstances. You can confirm this nomination and extend it by an appropriate notice to us.

For further information on binding nominations, including the nomination form, please ask your adviser to provide you with a copy of the Zurich Super Estate Management Binding Nomination brochure. Alternatively a copy of the brochure can be obtained by contacting the Zurich Client Service Centre on 131 551.

You should consult your adviser for information regarding the nomination of a beneficiary.

Interdependency relationship

Two people have an interdependency relationship if:

- they have a close personal relationship; and
- they live together; and
- one or each of them provides the other with financial support; and
- one or each of them provides the other with domestic support and personal care.

Two people, whether or not related, also have an interdependency relationship if they have a close personal relationship but due to either or both of them suffering from a physical, intellectual or psychiatric disability, or due to them temporarily living apart, they do not meet the other three requirements of interdependency.

Taxation

The taxation of superannuation is complex and will depend on your age, the type of contribution, and the status of the beneficiary. Contributions made to the Fund are applied by the Trustee as a *Premium* towards the policy. Contributions made by an employer may be tax deductible to the employer.

Contributions made by an individual may be tax deductible if the person is self-employed or substantially self-employed (ie. where less than 10% of their assessable income plus reportable fringe benefits is derived from employment or similar activities).

If a benefit becomes payable, any tax must be deducted before a benefit is paid. The taxation of death benefits will depend on the relationship between the member of the Fund and the beneficiary. If the beneficiary is a death benefits dependent (including any person who had an interdependency relationship with the deceased, as defined on this page) the benefit may be paid free of tax. Otherwise, the death benefit will generally be taxed at up to 15% plus the Medicare Levy. If the benefit contains an insured amount then a tax of 30% plus the Medicare Levy can apply to the future service component.

The taxation of disablement benefits varies depending upon your circumstances. If the benefit qualifies as a disability benefit (requiring certification by two medical practitioners that you are unfit to ever be employed in a capacity for which you are reasonably qualified because of education, training or experience), it will form part of the tax-free component and will be received free of tax. Otherwise, the benefit will be taxable, depending on your age. If you are age 60 or older, the full amount is tax-free. If you are between your preservation age (currently 55) but under age 60, the taxable component up to the low rate cap amount (\$140,000 for the 2007/08 financial year, which may be indexed in future years) is received tax free. The taxable component above the low rate cap amount will be taxed at a maximum rate of 15% plus the Medicare Levy. If you are under your preservation age, the taxable component of the benefit will be taxed at a maximum of 20% plus Medicare Levy.

The taxation of benefits paid under disability will vary if you are terminally ill. If you are determined to be terminally ill the Trustee is not required to withhold any tax on the payment of your benefit if you are under age 60 (once you are age 60 the benefit is tax-free). This change effectively allows terminally ill members to receive their benefit tax-free. Legislation has been introduced by the Federal Government to give effect to these measures. However this legislation has not been given Royal Assent at the time of writing and the situation may change in the future.

In order for the Trustee to pay your benefit under this measure you must be eligible to withdraw your superannuation benefit.

If a TPD benefit is paid to the Trustee of the superannuation fund, but superannuation legislation does not allow the Trustee to pass this to you, it must be preserved in the Fund. Any investment earnings on that preserved amount may be subject to tax at the prevailing rate applicable to superannuation funds (currently 15%) although the ultimate tax liability of investment earnings will depend on the nature of the investments. The accumulated amount will then be paid from the superannuation fund as a Death, Disablement or Retirement benefit and will be taxed (or tax free) accordingly.

Taxation of superannuation contributions

Non-concessional contributions

A non-concessional contribution is made from after-tax income or existing savings. The amount of non-concessional contributions you are eligible to contribute to superannuation in a financial year is limited to \$150,000. If you are under age 65 you are able to bring forward two years' contributions allowing up to a total of \$450,000 to be made in a single financial year, however you cannot contribute more than \$450,000 across the three financial years. Once you are age 65, you are limited to making non-concessional contributions of \$150,000 per financial year up to age 74 if you satisfy the work test. The work test requires you to be gainfully employed for at least 40 hours within a 30 consecutive day period in the year the contribution is made.

The Trustee is only able to accept non-concessional contributions if you provide your TFN and up to the maximum contribution cap (on a per transaction basis).

If you make non-concessional contributions above the limit, the excess non-concessional contribution will be taxed at the highest marginal tax rate plus Medicare levy (currently 46.5%). The ATO will receive information regarding all non-concessional contributions made in a financial year to make an assessment. If you have exceeded the limit and are liable to pay the additional tax, the ATO will contact you directly. You will need to nominate a superannuation fund to pay this tax liability. As the Zurich Superannuation Master Fund has no account balance you will need to nominate a different superannuation fund to pay your tax liability.

Concessional contributions

An employer and certain eligible individuals (eg. self-employed or substantially self-employed person) may make contributions to superannuation and receive a tax deduction on the full amount contributed to superannuation. Within superannuation, contribution caps will limit the amount of concessional contributions which will be taxed concessionaly at 15%.

Concessional contributions up to \$50,000 per financial year will be taxed at 15%. Contributions above this cap will be taxed at an additional 31.5% (total 46.5%). The ATO will receive information from superannuation providers to determine if concessional contributions to superannuation in a financial year exceed the cap.

A transitional rule applies which allows those 50 or older to have a concessional contributions cap of \$100,000 per financial year. The transitional period ends on 30 June 2012. A person who turns 50 during this time can also take advantage of the higher contribution cap from the year they turn 50 until the end of the transitional period.

If the ATO determines that excessive concessional contributions have been made in a financial year, the ATO will advise you. You are able to either personally pay the additional tax liability or direct payment from a superannuation fund.

As the Zurich Superannuation Master Fund has no account balance you will need to nominate a different superannuation fund to pay your tax bill unless you will pay this bill personally.

Tax file numbers

In order to apply for Zurich Superannuation Term Life Insurance Plus or Zurich Superannuation Select Term Plus, you must provide your TFN. If you do not provide your TFN, you are unable to become a member of the Fund and purchase the nominated insurance. Provision of the TFN will also allow you to make non-concessional (after-tax) contributions and/or to avoid paying excessive tax on employer (concessional) contributions.

Please refer to page 22 of the Application Form for further information about the collection of TFNs.

Interim Cover Certificate

This certificate is a legal document. It is important that you read it carefully and keep it in a safe place. It is your record of the terms and conditions of the interim cover. Please note that despite anything in this certificate, no contract of insurance exists between a Zurich Superannuation Term Life Insurance Plus or Zurich Superannuation Select Term Plus product holder and ZAL. Zurich Superannuation Term Life Insurance Plus and Zurich Superannuation Select Term Plus product holders are provided with any interim benefits under these terms and conditions subject to the governing rules of the Zurich Master Superannuation Fund and superannuation law.

- **Zurich Business Expenses Insurance Plus**

We will pay you an *Income Benefit* or Business Expenses benefit if, solely as a result of an *Accidental Injury* during the period of this interim cover:

- you totally cease work and
- you are not able to earn from personal exertion any income or generate any *Business Earnings* for a period of at least the nominated *Waiting Period* and
- you are under the regular care of a *Medical Practitioner*.

The benefit will be paid in the event of sustaining an *Accidental Injury*, which occurs after this cover commences. This benefit is not payable where you choose a *Waiting Period* of more than 60 days.

The amount we will pay you each month will be the lesser of:

- \$5,000 or
- the *Income Benefit* you are applying for or
- the amount of cover you would have been accepted for under our normal *Underwriting* criteria.

The maximum period we will pay a benefit for is 12 months.

Specific conditions applicable to interim cover

If you make a claim under the interim cover you must pay us the *Premium* for this cover that we require, which will be what we would have charged you for the policy/ies you have applied for.

Your duty of disclosure

Before you enter into a contract of life insurance with an insurer, you have a duty, under the Insurance Contracts Act 1984, to disclose to the insurer every matter that you know, or could reasonably be expected to know, is relevant to the insurer's decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose those matters to the insurer before you extend, vary or reinstate a contract of life insurance.

Your duty however does not require disclosure of a matter:

- that diminishes the risk to be undertaken by the insurer;
- that is of common knowledge;
- that your insurer knows or, in the ordinary course of business, ought to know;
- if compliance with your duty in relation to that matter is waived by the insurer.

Non-disclosure

If you fail to comply with your duty of disclosure and the insurer would not have entered into the contract on any terms if the failure had not occurred, the insurer may avoid the contract within 3 years of entering into it. If your non-disclosure is fraudulent, the insurer may avoid the contract at any time.

An insurer who is entitled to avoid a contract of life insurance may, within 3 years of entering into it, elect not to avoid it but to reduce the sum that you have been insured for in accordance with a formula that takes into account the *Premium* that would have been payable if you had disclosed all relevant matters to the insurer.

Duty of disclosure notice

In signing this Interim Cover Certificate you declare that you have read and understood your duty of disclosure.

If you have failed to disclose any such matters to us when you complete your application and you have interim cover, we may exercise our rights specified above in relation to the interim cover.

For the policy/ies applied for, the duty also applies up until the time we decide to enter into a contract of insurance with you. Please ensure you contact us if any information in your application changes or you need to disclose further matters after it is completed, as it can affect any final cover.

You may contact us in writing or by phone to confirm this transaction if you or your adviser do not already have the required confirmation details.

and explains how the policies operate. Your policy includes these Policy Conditions (Part 2 of the PDS) and your Policy Schedule, which we will send to you when your policy is issued. Your Policy Schedule shows ownership details, the lives insured, the levels of cover, any optional benefits you have chosen and any terms and conditions particular to your policy. Please check both this document and your Policy Schedule carefully to ensure that your policy provides you with the cover you want and has been established in accordance with your wishes.

In this document, a reference to 'you' or 'your' is a reference to the owner of the policy. Any reference to 'we', 'our' or 'us' is a reference to Zurich Australia Limited except in reference to Zurich Superannuation Term Life Insurance Plus and Zurich Superannuation Select Term Plus, where these terms mean Zurich Australian Superannuation Pty Limited, as Trustee of the Fund.

If you have any questions about your policy now or at any time, contact your adviser or our Client Service Centre on 131 551. We will be happy to explain any matter to you.

Contract

This policy only provides the insurance benefits outlined and does not have a cash value. The contract is between Zurich Australia Limited and the owner of the policy and is referable to our No. 2 Statutory Fund. **There is no contract between a member of the Fund and Zurich Australia Limited in relation to Zurich Superannuation Term Life Insurance Plus or Zurich Superannuation Select Term Plus.**

Cooling off period

Your policy provides valuable insurance protection. However, if you make a new application and you are not completely satisfied with your cover you can, within 21 days, return these Policy Conditions and your Policy Schedule to us with a letter asking us to cancel your policy.

We will cancel your policy and promptly send you a full refund of *Premiums* paid provided you have not exercised any rights under your policy. However, please note in relation to Zurich Superannuation Term Life Insurance Plus and Zurich Superannuation Select Term Plus that, if, upon cancellation of the policy, your *Premiums* are required to be preserved under superannuation law, any repayments made under this cooling off period will be subject to these rules. In other words, you may be required to nominate another complying superannuation fund to which your *Premiums* will be repaid.

The '21 day' period commences from the date you receive your Policy Schedule. Unless you can prove otherwise, we will assume it was received by you within five business days.

Guarantee to renew

As long as each *Premium* due is paid within the grace period allowed (see the Unpaid premium clause on the next page), your policy can be continued up to the latest benefit expiry date on your Policy Schedule regardless of changes in a Life Insured's personal circumstances.

Guaranteed upgrade of benefits

We may improve the terms of the benefits. If we do so without any change in the standard premium rates applying to that benefit under this class of policy, we will incorporate the improvement in your policy. Any condition existing at the time the improvement is offered will be excluded from being eligible for payment under the improved terms.

Changes to your policy

You must submit a written request if you want to make a change to your policy. In order to consider your request, we may ask for further information. If we agree, we will confirm any changes in writing. Only an authorised member of our staff can agree to change or waive any condition of your policy. Your adviser does not have authority to change or waive any policy conditions.

If there are any material changes to the circumstances described in your policy we will advise you of that change. Changes to the fees and charges you pay for your policy (other than adjustments to premium) will be notified to you at least three months prior to the change taking effect. All other changes will be notified in the annual statement sent to you.

World-wide cover

This policy covers you 24 hours a day, seven days a week, world-wide.

Termination of your policy

Your policy terminates on the first to occur of:

- the death of the last Life Insured covered under your policy
- the latest benefit expiry date on your Policy Schedule
- the non-payment of any *Premium* within 30 days of its due date
- our receipt of your written notification to terminate this policy.

Some additional terminations apply depending on the cover you select:

Zurich Protection Plus:

- the *Policy Anniversary* after the last Life Insured's 99th birthday
- the payment of 100% of the Death benefit in relation to the last Life Insured under your policy.

Zurich Select Term Plus:

- the payment of 100% of the Death benefit in relation to the last Life Insured under your policy.

Zurich Income Replacement Insurance Plus:

- the death of the Life Insured covered under your policy, unless a benefit continues to be payable under the Family Care option or Spouse Cover option.

Zurich Special Risk Income Replacement Insurance Plus

- the end of any 12 month period during which the Life Insured has not been engaged in *Full-time Paid Employment* other than where this is a direct result of a claimable event under your policy or where we have given written permission for cover to continue
- the death of the Life Insured covered under your policy, unless a benefit continues to be payable under the Family Care option or Spouse Cover option.

Zurich Superannuation Term Life Insurance Plus:

- the *Policy Anniversary* after the Life Insured's 75th birthday
- the payment of 100% of the Death benefit in relation to the Life Insured under your policy
- you cease to be eligible to contribute to the Fund.

Zurich Superannuation Select Term Plus:

- the payment of 100% of the Death benefit in relation to the Life Insured under your policy
- you cease to be eligible to contribute to the Fund.

Premium and reinstatements

Payment of premium

The *Premium* is payable on the due dates shown on your Policy Schedule. *Premiums* must be paid to keep your policy in force. All *Premiums* must be paid in Australian dollars.

Unpaid premium

It is your responsibility to pay *Premiums* to keep this policy in force. If any *Premium* is not paid within 30 days of its due date, regardless of the method of payment chosen, your policy will lapse and no benefits are payable.

Reinstatement

Your policy can be considered for reinstatement if we receive all outstanding *Premiums* together with a signed reinstatement application. We will consider an application for reinstatement within 12 months of the due date of the first unpaid *Premium* but we may decline to reinstate or impose conditions.

If your policy is reinstated, no payments will be made for an insured event, which occurred or became apparent while your policy was lapsed.

Waiver of premiums

Zurich Income Replacement Insurance Plus and Zurich Special Risk Income Replacement Insurance Plus

You do not have to pay the portion of the *Premium* (other than for Spouse Cover), for any period during which the *Income Benefit* or Specified Injury benefit is payable. If we receive your completed claim form within 30 days from the start of the Life Insured's *Sickness* or *Injury* and the *Income Benefit* is payable, we will also refund the portion of the *Premium* you have paid for the *Waiting Period*.

If you have the Spouse Cover option, you do not have to pay the portion of the *Premium* for the Spouse Cover option for the period while you are receiving a Spouse Cover benefit.

Zurich Business Expenses Insurance Plus

You do not have to pay the portion of the *Premium*, for any period during which the Business Expenses benefit is payable. If we receive your completed claim form within 30 days from the start of the Life Insured's *Sickness* or *Injury* and the Business Expenses benefit is payable, we will also refund the portion of the *Premium* you have paid for the *Waiting Period*.

Amount of premium

The *Premium* payable from the start of your policy to the first *Policy Anniversary* is shown on your Policy Schedule. Where relevant, your Policy Schedule will also show whether you have Stepped Premium or Level Premium.

Stepped premium

Where you have the Stepped Premium structure the *Premium* payable changes on each *Policy Anniversary*. At that time, the *Premium* is calculated for the Life Insured from our current standard premium rates on the basis of:

- the gender, age next birthday and smoking status of the Life Insured
- the *Waiting Period* and *Benefit Period* (where relevant)
- if applicable, any optional benefits applying
- the amount of cover for each benefit provided
- the frequency of payment
- any extra *Premium* or loading applying.

Level premium

Premium structure for the Select products is set out in a separate section below.

Where you have the Level Premium structure the *Premium* payable (except for the Management Fee) does not change on each *Policy Anniversary* until the *Policy Anniversary* following your 64th birthday from which your *Premiums* will be calculated each year as per the Stepped Premium structure. However, if the amount of cover increases at the *Policy Anniversary* under the Inflation Protection benefit, the *Premium* for the increase in cover is calculated at that time from our current standard premium rates on the basis of:

- the gender, age next birthday and smoking status of the Life Insured
- the *Waiting Period* and *Benefit Period* (where relevant)
- if applicable, any optional benefits applying
- the amount of the increase in cover for each benefit provided
- the frequency of payment
- any extra *Premium* or loading applying.

Even when you have the Level Premium structure, the *Premium* may change if we change the standard premium rates applying to a benefit provided by your policy. When the standard premium rates can be changed is explained in the Premium Review clause on page 5.

Premium structure for Select products

Zurich Select Term Plus and Zurich Superannuation Select Term Plus only offer a level *Premium* structure. The *Premium* payable (except for the Management Fee) does not change on each *Policy Anniversary*.

However, if the Increasing Cover option is selected, *Premiums* will increase each year that the level of cover increases. *Premium* for the increase in cover is calculated on the basis of:

- the gender, age next birthday and smoking status of the Life Insured at the date of policy commencement
- the selected term
- if applicable, any optional benefits applying
- the amount of the increase in cover for each benefit provided
- the frequency of payment
- any extra *Premium* or loading applying.

Five year guarantee

The premium rates for Zurich Select Term Plus and Zurich Superannuation Select Term Plus are guaranteed not to change for the first five years. After that, the *Premium* will change if we change the standard premium rates applying to a benefit provided by your policy. When the standard premium rates can be changed is explained in the Premium Review clause below.

Premium review

We cannot change the premium rates applying to a benefit provided by this policy unless we change the premium rates applicable to that benefit under this class of policy generally. We will notify you of any changes in premium rates applying to this policy at least 30 days prior to the change taking effect.

Management Fee

The Management Fee at the start of your policy is shown on your Policy Schedule.

On 1 April each year, the Management Fee will be increased by the proportion which the *Consumer Price Index* published for the December quarter falling immediately prior to the adjustment date bears to the *Consumer Price Index* published for the December quarter falling 15 months prior to the adjustment date. The increased Management Fee applies from the *Policy Anniversary* after 31 March each year.

We retain the right to change the Management Fee. Where changes, other than the annual adjustment described above take place, you will be given a minimum of three months written notice.

Taxes

Your *Premium* will include any taxes imposed by State or Federal Governments. Should any changes in the law result in additional taxes or impost in relation to your policy, these amounts may be added to your *Premium*.

Making a claim

You are responsible for providing all evidence to support your claim to us at your expense.

All claims are paid in Australian dollars.

How to claim

If you need to make a claim you should notify us as soon as is reasonably possible after the occurrence of the event giving rise to the claim. You can do this by contacting our Client Service Centre and a claim form will be forwarded to you to complete, sign and return to us.

Claim requirements

We need the following items in a form satisfactory to us before we can assess any claim:

- Policy Conditions, including your Policy Schedule
- proof of claimable event or condition and when it occurred
- supporting evidence from appropriate specialist *Medical Practitioners* registered in Australia or New Zealand (or other country approved by us)
- proof of the Life Insured's age
- in the case of a claim under the Spouse Cover option, proof of the covered *Spouse's* age
- proof of incurred costs where the benefit payment is based on reimbursement
- if requested, a signed discharge from the person entitled to receive payment.

Additional claim requirements for Business

Expenses Insurance Plus

- proof of pre-disability earnings
- proof of *Business Earnings* received during the period of the claim, and *Eligible Business Expenses* incurred during the period of the claim
- proof of the basis normally applying in your *Business* or professional practice for apportioning the expenses and outgoings to the Life Insured
- proof of any other income, and expenses, taken into account in the calculation of the Business Expenses benefit.

Assessing your claim

In assessing your claim we will also rely on any information you or the Life Insured disclosed to us as part of your application. Where information was not verified at the time of application we reserve the right to verify it at the time of claim.

(a) For Zurich Protection Plus, Zurich Select Term Plus, Zurich Superannuation Term Life Insurance Plus and Zurich Superannuation Select Term Plus, proof of the occurrence of any insured event must be supported by:

- one or more appropriate specialist *Medical Practitioners* registered in Australia or New Zealand (or in another country approved by us)
- confirmatory investigations including, but not limited to, clinical, radiological, histological and laboratory evidence
- if a Trauma claim is a result of a surgical procedure, we will require evidence that the procedure was medically necessary.

Our medical advisers must support the occurrence of the insured events. We reserve the right to require the Life Insured to undergo an examination or other reasonable tests to confirm the occurrence of the insured event.

(b) For Zurich Income Replacement Insurance Plus, Zurich Special Risk Income Replacement Insurance Plus and Zurich Business Expenses Insurance Plus:

- a claimable condition must also be supported by confirmatory investigations including, as appropriate (but not limited to) any clinical, radiological, histological and laboratory evidence that we reasonably require to substantiate the claim
- you may be asked to provide copies of personal and business tax returns, assessment notices and/or other financial evidence to substantiate the Life Insured's income
- when it is necessary to enable us to calculate the amount of the benefit payable, you must allow us to examine the Life Insured's business and personal financial circumstances.

Medical examination

We may require the Life Insured to undergo an examination and reasonable tests, necessary to enable the diagnosis to be confirmed by a specialist *Medical Practitioner* appointed by us. If we request a medical examination by a *Medical Practitioner* we select, we will pay for it.

Payment of benefits

(a) Death benefit and Accidental Death benefit:

If you had made a nomination of beneficiary or beneficiaries that was valid at the time of the Life Insured's death, we will pay the Death benefit (and Accidental Death benefit where applicable) under this policy in accordance with your directions and in the proportions specified by you if it is lawful for us to do so. If your nomination or nominations are subject to external dispute resolution processes, we will pay these benefits as directed by a court or by the relevant dispute resolution authority.

If you had not made a nomination of beneficiary or beneficiaries that was valid at the time of the Life Insured's death, we will pay any Death benefit (and Accidental Death benefit where applicable) to:

- you if you were not also the Life Insured
- your estate if you were also the Life Insured.

(b) Zurich Superannuation Term Life Insurance Plus and Zurich Superannuation Select Term Plus:

All benefits under these policies are payable to the Trustee of the Fund who will pay you in accordance with superannuation legislation and the governing rules of the Fund.

All other benefits under this policy will be paid to you.

Zurich Protection Plus Policy Conditions

These Policy Conditions apply to Zurich Protection Plus.

Your Policy Schedule shows each Life Insured covered under this policy, lists the Death benefit amount (if applicable), the TPD benefit amount (if applicable) and the Trauma benefit amount (if applicable). It also shows any optional benefits provided.

You can apply to add optional benefits or to increase levels of cover, but only if we accept your application after considering the Life Insured's personal circumstances including health, occupation and pastimes.

Levels of cover are automatically increased in line with inflation each year under the Inflation Protection benefit unless you request us not to make these increases.

These Policy Conditions for Zurich Protection Plus are set out in the following order:

- Death benefits
- Total and Permanent Disablement (TPD) benefits
- Trauma benefits
- Additional benefits (which apply to Death benefits, TPD benefits and Trauma benefits)
- Optional benefits.

Death benefits

Death benefit

The Death benefit amount is payable upon the death of a Life Insured while this policy is in force and prior to the applicable Death benefit expiry date. Your Policy Schedule shows the benefit expiry date applying to the Death benefit for each Life Insured.

Terminal Illness benefit

An advance payment of the Death benefit is payable if a Life Insured is diagnosed as terminally ill while this policy is in force and prior to the applicable Death benefit expiry date. 'Terminally ill' means death is likely to occur within 12 months. If you have multiple policies issued by Zurich Australia Limited there is a maximum limit of \$2,000,000 on terminal illness benefits payable per Life Insured.

Accidental Injury benefit

The benefit amount specified below in either paragraph (a) or paragraph (b) (but not both) is payable if a Life Insured suffers an *Accidental Injury* while this policy is in force and prior to the applicable Death benefit expiry date.

- (a) In the case of an *Accidental Injury* which causes the entire and irrevocable loss of: the use of one hand or the use of one foot or the sight of one eye, a benefit amount of the lesser of 25% of the Death benefit and \$500,000 is payable.
- (b) In the case of an *Accidental Injury* which causes the entire and irrevocable loss of the use of both hands or the use of both feet or the sight of both eyes or any combination of two of the following:

- the use of one hand
- the use of one foot
- the sight of one eye

a benefit amount of the lesser of 100% of the Death benefit and \$2,000,000 is payable.

The Accidental Injury benefit will not be payable if:

- a benefit is paid for the same *Injury* under the TPD benefit or Extended Trauma benefit or
- the *Injury* is the result of war (whether declared or not) or
- the *Injury* is a result of intentional self-inflicted injuries or attempted suicide.

Future Insurability benefit – Business Events

This benefit does not apply if the Business Future Cover option is selected.

- (a) If, when your policy started, we accepted that the Life Insured was a key person in your *Business* then, within three months of the end of each financial year of the *Business*, the Death cover amount can be increased in proportion to the Life Insured's increase in his/her value to the *Business* over that financial year.

The value of a key person in any year will be equal to his/her total remuneration package excluding discretionary benefits, plus his/her share of the net profits distributed by the *Business* in that year.

(b) If the policy owner is a corporation and, when your policy started, we accepted that the Life Insured is a shareholder and the person primarily responsible for generating income for the corporation then, within three months of the end of each financial year of the corporation, the Death cover amount can be increased in proportion to the increase in the value of the Life Insured's financial interest in the corporation over that financial year.

The value of the financial interest of the Life Insured over the financial year will be based on his/her share of the net assets of the corporation at the end of that year, compared to that applying at the start of the year.

Restrictions

The sum of all increases under this benefit cannot exceed the lower of the cover amount applying to that Life Insured when this policy started and \$1,000,000. In any 12 month period increases are limited to 50% of the cover amount applying to that Life Insured when this policy started.

For a period of six months after an option is exercised, the increase in the benefit amount is only payable on *Accidental Death*.

Advancement of Funeral Expenses

While a claim for the Death benefit is being settled, we may advance up to \$15,000 of the benefit towards payment of funeral expenses. An application for payment of funeral expenses must be made by the person to whom the Death benefit is payable or by another person acceptable to us and must include a copy of the death certificate and the funeral invoice.

Exclusions

No claim is paid if the Life Insured's death is caused directly or indirectly by an event or condition specified on your Policy Schedule in relation to that Life Insured or by suicide within 13 months of:

- the commencement date of your policy
- the commencement date of any increase in the Death benefit applied for (but only in respect of the increase) or
- the latest reinstatement of your policy.

We will waive this exclusion if, immediately prior to the commencement of this policy, you had death cover in relation to the Life Insured which was in force for at least 13 consecutive months (without lapsing and/or reinstatement) with another insurer, and we agreed to replace this cover. The waiver will only apply up to the amount that you had with the other insurer.

Benefit adjustments

The Death benefit applying to a Life Insured is reduced by the amount paid or advanced, under any of the following:

- Terminal Illness benefit
- Accidental Injury benefit
- TPD benefit
- Trauma benefit

in relation to that Life Insured. Your *Premium* will be based on the reduced levels of cover from the next premium due date after payment of the relevant benefit.

Termination of the Death benefits

The benefits set out in this section of your policy terminate in relation to a Life Insured on the first to occur of:

- the death of the Life Insured
- our receipt of your written notification to terminate this benefit
- the Death benefit expiry date shown on your Policy Schedule and
- the termination of your policy (see the Termination of your policy clause on page 3).

Total and Permanent Disablement (TPD) benefits

TPD benefit

The TPD benefit amount is payable upon the *Total and Permanent Disablement* of a Life Insured covered for this benefit. The Life Insured must suffer *Total and Permanent Disablement* when this policy is in force and before the applicable benefit expiry date. Your Policy Schedule also shows the benefit expiry date applying to the TPD benefit for each Life Insured.

However, from the *Policy Anniversary* following the Life Insured's 64th birthday:

- paragraphs (b) and (c) of the definition of *Total and Permanent Disablement* no longer apply and
- the benefit amount is limited to a maximum of \$1,000,000.

If the Life Insured has been engaged in full-time domestic duties in his/her own residence for more than six consecutive months prior to the onset of the *Sickness or Injury* leading to *Total and Permanent Disablement* then only paragraphs (a), (c) and (d) of the definition of *Total and Permanent Disablement* apply.

Your Policy Schedule details whether Standard 'Any' Occupation TPD, Standard 'Own' Occupation TPD, Double 'Any' Occupation TPD or Double 'Own' Occupation TPD are provided for a Life Insured and, if so, the benefit amount.

Exclusions

No claim is paid if the Life Insured's *Total and Permanent Disablement* is caused directly or indirectly by:

- an intentional self-inflicted act or attempted suicide, or
- any event or medical condition specified on your Policy Schedule in relation to that Life Insured.

Double TPD benefit

If the Life Insured is covered for Double 'Any' Occupation TPD or Double 'Own' Occupation TPD (as shown on your Policy Schedule) the amount by which the Death benefit for that Life Insured is reduced as a result of the payment of the Double TPD benefit is reinstated if:

- the Life Insured survives for 12 months after the date the Double TPD benefit is paid
- this occurs before the *Policy Anniversary* following the Life Insured's 64th birthday.

The *Premium* in respect of the Death benefit amount reinstated is waived until and including the *Policy Anniversary* following the Life Insured's 64th birthday.

On the *Policy Anniversary* following the Life Insured's 64th birthday, the Double TPD cover will automatically convert to Standard TPD cover.

Benefit adjustments

The TPD benefits applying to a Life Insured are reduced by any amount paid under any of the following:

- Terminal Illness benefit
- Accidental Injury benefit
- Trauma cover (unless TPD cover is stand-alone)

in relation to that Life Insured.

Your *Premium* will be based on the reduced levels of cover from the premium due date after payment of the relevant benefit. Where you have more than one TPD cover, where such a reduction applies, the reduction in cover will be proportional across all such TPD benefits.

If you have both Trauma cover and TPD cover and a claim for the same insured event can be made under both covers, we will only pay under the Trauma cover and will not pay under the TPD cover.

Termination of the TPD benefits

The TPD cover terminates in relation to a Life Insured on the first to occur of:

- the payment of the total TPD benefit amount
- the death of the Life Insured
- on receipt of your written notification to terminate this cover
- the TPD benefit expiry date shown on your Policy Schedule
- the termination of your policy (see the Termination of your policy clause on page 3).

Trauma benefits

Trauma benefit

The Trauma benefit amount or applicable proportion in the case of the Partial Trauma benefit, Chronic Conditions Advancement on Diagnosis benefit or partial advancement under Major Organ Transplant, is payable if a Life Insured covered for this benefit is diagnosed with an insured event:

- while this policy is in force
- before the applicable benefit expiry date.

Your Policy Schedule also shows the benefit expiry date applying to the Trauma benefit for each Life Insured.

If Trauma cover is the only cover selected or if Trauma cover exceeds Death cover then in respect of the cover which exceeds Death cover, no payment will be made unless the Life Insured survives for at least 14 days after the date of occurrence of an insured event.

If the Life Insured is covered under both Trauma cover and TPD cover and a claim for the same insured event can be made under both covers, only the Trauma benefit is payable.

Partial Trauma benefit (Extended Trauma)

The Partial Trauma benefit only applies where the Trauma benefit equals or exceeds \$100,000.

We will pay a benefit equal to 10% of the Extended Trauma benefit, subject to a maximum of \$25,000 if a Life Insured covered for this benefit is diagnosed with one of the following insured events:

- *Carcinoma In Situ**
- *Colostomy or Ileostomy**
- *Diabetes (Type 1)**
- *Early Stage Chronic Lymphocytic Leukaemia**
- *Early Stage Melanoma**
- *Early Stage Prostate Cancer**
- *Loss of Hearing in One Ear*
- *Minimally Invasive Cardiac Surgery – Including Coronary Artery Angioplasty**
- *Severe Rheumatoid Arthritis**
- *Single Loss of Limb or Eye*

A Partial Trauma benefit will only be paid once for each event, except for *Minimally Invasive Cardiac Surgery – Including Coronary Artery Angioplasty* which may be claimed on more than one occasion (subject to the exclusion below). The benefit payable on the first instance will be 10% of the Trauma benefit under this policy, subject to a maximum of \$25,000. The benefit payable for any subsequent *Minimally Invasive Cardiac Surgery – Including Coronary Artery Angioplasty* claim will be 10% of the Trauma benefit under this policy, subject to a maximum of \$25,000 and a minimum of the amount paid for the first claim.

Your sum insured will be reduced by each amount paid under this benefit and *Premiums* will be calculated on the reduced sums insured.

Exclusions

No claim is paid if the insured event is caused directly or indirectly by:

- an intentional self-inflicted act or attempted suicide or
- any event or medical condition specified on your Policy Schedule in relation to the Life Insured.

In the case of insured events marked with an asterisk (*), no claim will ever be paid if the condition occurred, is first diagnosed or the circumstances leading to diagnosis became apparent or a recommendation of the need to have surgery occurs, within 90 days of:

- the commencement date of the Trauma benefit
- the commencement date of any increase in Trauma benefit applied for (but only in respect of the increase) or
- the latest reinstatement of your policy.

We will waive this 90 day elimination period if the Trauma benefit under this policy replaces cover for the same insured event for the Life Insured with another insurer, but only to the extent of the benefit amount replaced, and only if the Life Insured is not within the other insurer's 90 day elimination period.

We will not pay a benefit for *Minimally Invasive Cardiac Surgery – Including Coronary Artery Angioplasty* where the procedure occurs within six months after a prior *Minimally Invasive Cardiac Surgery – Including Coronary Artery Angioplasty* procedure for which a benefit was paid.

Chronic Conditions Advancement on Diagnosis benefit (Extended Trauma)

We will advance 25% of the Extended Trauma benefit once only upon unequivocal diagnosis of *Motor Neurone Disease* or *Parkinson's Disease* up to a maximum of \$50,000 without the Life Insured being required to suffer at least a 25% impairment of whole person function that is permanent. The Trauma benefit amount is then reduced for that Life Insured by the amount paid. Once a Life Insured qualifies for a Trauma benefit in accordance with the Policy Conditions the remainder of the benefit will be paid.

Paralysis Booster benefit

If we pay a Trauma benefit for paralysis (*Diplegia*, *Hemiplegia*, *Quadriplegia* or *Paraplegia*) then we will double the amount of benefit payable up to a maximum 'boosted' payment in respect of a Life Insured of \$2,000,000.

Benefit adjustments

The Trauma benefits applying to a Life Insured are reduced by the amount paid under any of the following:

- Terminal Illness benefit
- Accidental Injury benefit
- TPD benefit (unless Trauma cover is stand-alone)

in relation to that Life Insured. Your *Premium* will be based on the reduced level of cover from the premium due date after payment of the relevant benefit.

Funeral benefit

This benefit only applies if Death cover is not selected. If Death cover is not selected then a benefit of \$5,000 is payable on the death of a Life Insured, while this policy is in force and prior to the applicable benefit expiry date, but only if the Life Insured is not entitled to be paid a Trauma benefit for one of the specified Traumas.

We will not pay this Funeral benefit if:

- the Life Insured's death was caused, directly or indirectly by suicide within 13 months of the commencement date of your policy or its latest reinstatement
- you have received a Trauma benefit other than a Partial Trauma benefit.

Buy Back Death benefit

You can repurchase the Death cover for a Life Insured which was reduced as a result of the payment of the Trauma benefit (other than a Partial Trauma benefit) without providing any evidence of the Life Insured's personal circumstances, as follows:

- up to 1/3 of the Trauma benefit amount paid (excluding any Paralysis Booster benefit) can be bought back on the date 12 months after the payment of the Trauma benefit
- up to a further 1/3 of the Trauma benefit amount paid (excluding any Paralysis Booster benefit) can be bought back on the date 24 months after the payment of the Trauma benefit
- up to a further 1/3 of the Trauma benefit amount paid (excluding any Paralysis Booster benefit) can be bought back on the date 36 months after the payment of the Trauma benefit.

A Buy Back Death benefit opportunity can only be exercised before the *Policy Anniversary* following the Life Insured's 74th birthday and within 30 days of the applicable opportunity date. The Future Insurability benefit does not apply to any repurchased Death benefit.

The *Premium* applying to the Death cover repurchased will be based on our then current rates and the Life Insured's age, gender, smoking status and any premium loadings which applied to the Death cover which was reduced. Any exclusions which applied to the cover reduced will also apply to the cover repurchased.

You can exercise a Buy Back Death benefit opportunity by notifying us in writing.

Termination of Trauma benefits

The Trauma cover terminates in relation to a Life Insured on the first to occur of:

- the payment of the total Trauma benefit amount
- the death of the Life Insured
- our receipt of your written notification to terminate this cover
- the Trauma benefit expiry date shown on your Policy Schedule and
- the termination of your policy (see the Termination of your policy clause on page 3).

Additional benefits

The following benefits are built into the Zurich Protection Plus policy, and apply to each Life Insured, regardless of the covers selected.

Future Insurability benefit – Personal Events

You have the option to increase the Death benefit or TPD benefit or Trauma benefit applying for a Life Insured, before his/her 55th birthday, without our reassessment of his/her personal circumstances, as long as:

- you have not received, nor are entitled to receive, a benefit under this policy in relation to that Life Insured
- we or any other life insurer have not waived or are not waiving, *Premiums* in relation to that Life Insured.

The option can be exercised within 30 days of any of the following events, on the terms specified:

(a) If the Life Insured:

- marries
- divorces
- becomes a parent (whether through the birth or adoption of a child)

you can increase the benefit amount by a minimum of \$10,000 and a maximum of the lesser of:

- 25% of the Death benefit or TPD benefit or Trauma benefit amount applying to that Life Insured when this policy started and
- \$200,000.

(b) If the Life Insured takes out for the first time or increases, his/her mortgage on his/her principal place of residence, you can increase the benefit amount by the lesser of:

- the amount of the new mortgage or the increase in the mortgage and
- 25% of the Death benefit or TPD benefit or Trauma benefit amount applying to that Life Insured when your policy started and
- \$200,000.

(c) If a dependent child of the Life Insured starts secondary school, you can increase the benefit amount by a minimum of \$10,000 and a maximum of the lesser of:

- 25% of the Death benefit or TPD benefit or Trauma benefit amount applying to that Life Insured when this policy started and
- \$200,000.

Restrictions

The accumulative sum of all increases under this benefit cannot exceed the lower of:

- the benefit amount applying to that Life Insured when this policy started and
- \$1,000,000.

In any 12 month period increases are limited to 50% of the cover amount applying to that Life Insured when this policy started.

You cannot increase your TPD benefit amount for a Life Insured if the increase would cause you to exceed our *Maximum Underwriting Limit*.

You cannot increase your Trauma benefit amount for a Life Insured if the increase would cause you to exceed our *Maximum Underwriting Limit*.

We retain the right to confirm the Life Insured's occupation in relation to any increase in the TPD cover amount for a Life Insured and eligibility and *Premiums* in relation to the increased amount will be based on the Life Insured's occupation at the time of increase.

For the first six months after an increase under this benefit:

- any increased Death benefit amount in relation to a Life Insured is only payable in the event of the Life Insured's *Accidental Death*
- any increased TPD benefit amount in relation to a Life Insured is only payable in the event his/her *Total and Permanent Disablement* is caused by an *Accidental Injury*
- any increased Trauma benefit amount in relation to a Life Insured is only payable in the event of a Trauma suffered as a result of *Accidental Injury*.

Financial Planning Advice benefit

We will reimburse you up to \$1,000 towards the cost of financial planning advice required as a result of a benefit paid under this policy. We will only pay this benefit if the payee or payees of your policy benefit have obtained our written approval before seeking the advice and you may be asked to provide us with sufficient proof.

Inflation Protection

The value of your insurance cover is protected against the impact of inflation by automatically increasing the benefit amounts each year.

This benefit applies to the Death benefit and the TPD benefit and the Trauma benefit.

The benefit amount is increased in respect of a Life Insured on each *Policy Anniversary* by the greater of:

- 5% and
- the percentage increase in the *Consumer Price Index* published for the quarter ending immediately prior to three months before the *Policy Anniversary* over that published for the quarter ending immediately prior to 15 months before that *Policy Anniversary*.

You have the option of rejecting our offer to increase the benefit amounts.

Premium freeze

At any *Policy Anniversary* you may elect to freeze the *Premium* for your policy by notifying us in writing. This causes the *Premium* to remain constant until the first benefit expiry date or until you tell us in writing that you no longer wish to freeze the *Premium*. As the cost of providing cover generally rises each year in line with the age of each Life Insured, the effect of freezing the *Premium* will be to reduce the level of cover each year proportionally for each insured benefit and optional benefit.

Nomination of beneficiaries

You may nominate a beneficiary or beneficiaries to receive the Death benefit and Accidental Death benefit (if applicable) under this policy, in proportions specified by you. We will pay any benefit in accordance with your nomination if it is lawful for us to do so (see the Payment of benefits clause on page 6).

If an individual, who is a nominated beneficiary under your policy and alive at the time of death of the Life Insured, subsequently dies before any entitlement under your policy can be paid, then the entitlement will be paid to the deceased beneficiary's legal personal representative.

If a nominated beneficiary dies before the Life Insured, the nomination ceases to be valid. In this case, any policy entitlement (payable on the death of the Life Insured)

will be payable to you (assuming no further beneficiary had been nominated by you) or your legal representative (where you were also the Life Insured).

A nomination of a beneficiary will be automatically revoked in relation to all nominations if ownership of this policy is assigned to another person or entity.

A nominated beneficiary has no rights under this policy other than to receive the specified proportion of policy proceeds after a claim has been admitted by us. He or she cannot initiate or authorise any policy transactions.

Optional benefits

Your Policy Schedule shows the optional benefits applying under your policy and, if applicable, the benefit amount(s). Your Policy Schedule also shows the expiry date applying to each optional benefit. A Life Insured is only covered for these optional benefits if specified on your Policy Schedule.

Accidental Death option

When the Accidental Death benefit is payable

The Accidental Death benefit amount is payable if a Life Insured covered for this benefit suffers *Accidental Death* which was sustained while both this benefit, and your policy, were in force.

Exclusions – Accidental Death benefit

No claim is paid where the *Injury* causing the Life Insured's *Accidental Death*:

- is the result of suicide or
- is the result of any event specified on your Policy Schedule in relation to that Life Insured.

Termination of Accidental Death option

The Accidental Death option terminates in relation to a Life Insured on the first to occur of:

- the payment of the Accidental Death benefit amount
- the death of the Life Insured
- on receipt of your written notification to terminate this option
- the Accidental Death benefit expiry date shown on your Policy Schedule or
- the termination of your policy (see the Termination of your policy clause on page 3).

Business Future Cover option

When the Business Future Cover option can be used

This benefit entitles you to increase the Death benefit in relation to a Life Insured prior to the Life Insured's 65th birthday or TPD benefit or Trauma benefit amount (if applicable) in relation to a Life Insured prior to the Life Insured's 60th birthday without our reassessment of his/her personal circumstances, as long as:

- you have not received, nor are entitled to receive, a benefit under this policy in relation to that Life Insured
- we or any other life insurer have not waived or are not waiving, *Premiums* in relation to the Life Insured.

The option can only be exercised once in any policy year within 30 days of the event which triggers the increase.

This option allows you to apply for future increases in the Death benefit or TPD benefit or Trauma benefit amount applying to the Life Insured without the need to provide further medical evidence and the trigger is based on the purpose of your policy (our basis of acceptance of your policy is shown on your Policy Schedule).

Trigger events for an increase in cover

- If your policy is a combination of key person insurance or loan/guarantor protection or buy-sell and if the value of the Life Insured's interest in the *Business*, *Loan Guarantee* or *Value of the Key Person to the Business* increases.
- If your policy is key person insurance and if the *Value of the Key Person to the Business* increases.
- If your policy is for loan/guarantor protection and if the *Loan Guarantee* increases.
- If your policy is for buy-sell and if the value of the Life Insured's interest in the *Business* increases.

Restrictions and limitations

The maximum Death benefit amount up to which you can increase the cover applying to a Life Insured under this option is the lower of:

- three times the cover at commencement of your policy applying to the Life Insured or
- \$10,000,000.

The maximum TPD cover amount up to which you can increase your cover applying to that Life Insured under this option is the lower of:

- three times the cover at commencement of your policy applying to that Life Insured or
- \$3,000,000.

The maximum Trauma cover amount up to which you can increase your cover applying to that Life Insured under this option is the lower of:

- three times the cover at commencement of your policy applying to that Life Insured or
- \$2,000,000.

We will not increase the Death benefit or TPD benefit or Trauma benefit amount under this option in relation to a Life Insured if the total amount of cover applying to that Life Insured for all policies from all sources (including any policies issued by other insurance companies) would exceed our *Maximum Underwriting Limit* or would exceed (depending on the Business Purpose):

- the *Value of the Business* or the *Loan Guarantee* or the *Value of the Key Person to the Business* or
- the *Value of the Key Person to the Business* or
- the *Loan Guarantee* or
- the value of the Life Insured's interest in the *Business*.

If the Death benefit or TPD benefit or Trauma benefit amount applying to a Life Insured was less than 100% of the *Value of the Business* or the *Loan Guarantee* or the *Value of the Key Person to the Business* or the value of the Life Insured's interest in the *Business* then the relevant cover amount applying to that Life Insured can only be increased under this option to an equivalent percentage of the *Value of the Business*, *Loan Guarantee* or *Value of the Key Person to the Business* or the value of the Life Insured's interest in the *Business* at the time of any application to increase your cover in relation to the Life Insured.

Multiple purposes

If the Death benefit or TPD benefit or Trauma benefit amount applying to a Life Insured was for multiple purposes then any increases under this option must be proportionate to the allocation that formed the basis of this policy.

Applying for an increase

You must apply for the increase within 30 days of the event which triggers the increase, and give us proof of the event which is satisfactory to us.

To apply for an increase in relation to a Life Insured, you must apply to us in writing and provide appropriate evidence of the trigger event. Depending on the Business Purpose, that will be:

- a *Valuation of the Business* or *Valuation of the Key Person to the Business* (as provided by an independent qualified accountant or business valuer) or evidence of the *Loan Guarantee*, and any other contractual or financial evidence we may request, to satisfy us that

the *Value of the Business* or the *Loan Guarantee* or the *Value of the Key Person to the Business* is at least equal to the requested increased amount of cover

- a *Valuation of the Key Person to the Business* (as provided by an independent qualified accountant or business valuer) and any other contractual or financial evidence we may request, to satisfy us that the value of the Life Insured's financial interest or *Valuation of the Key Person to the Business* is at least equal to the requested increased amount of cover
- evidence of the *Loan Guarantee*, and any other contractual or financial evidence we may request, to satisfy us that the value of the Life Insured's financial interest is at least equal to the requested increased amount of cover
- a *Valuation of the Business* (as provided by an independent qualified accountant or business valuer), and any other contractual or financial evidence we may request, to satisfy us that the value of the Life Insured's interest in the *Business* is at least equal to the requested increased amount of cover.

The valuation method used must be the same method of valuation used when you apply and are accepted for this option.

The independent qualified accountant or business valuer cannot be your or the Life Insured's, family member, business partner, employee or employer.

If you apply to increase the Death benefit applying to a Life Insured you do not have to increase the TPD benefit or Trauma benefit amount applicable to that Life Insured at the same time. However, if you apply to increase your TPD benefit or Trauma benefit amount applying to a Life Insured then you must also increase the Death benefit amount applying to that Life Insured by at least the same amount at the same time. Any increase in the benefit must be approved by us.

Exclusions – Business Future Cover option

If the Business Future Cover option is not used in three consecutive policy years in relation to a Life Insured then you will not be able to make any further increases under this option in relation to that Life Insured unless you can demonstrate to our satisfaction that financial evidence relating to the *Business* and the purpose identified by you, in respect of that period, did not support an increase in the cover applying to the Life Insured.

For the first six months after an increase under this benefit for the purposes of a *Loan Guarantee*:

- any increased death cover amount is payable only in the event of the Life Insured's *Accidental Death*

- any increased TPD amount is payable only in the event the Life Insured's *Total and Permanent Disablement* is caused by an *Accidental Injury*
- any increased Trauma amount is payable only in the event the Life Insured suffers one of the Trauma conditions as a result of an *Accidental Injury*.

Termination of the Business Future Cover option

The Business Future Cover option terminates in relation to a Life Insured on the first to occur of:

- the death of the Life Insured
- on receipt of your written notification to terminate this option
- the termination of your policy (see the Termination of your policy clause on page 3).

Premium Waiver option

When premiums will be waived

We will waive your *Premiums* in respect of a Life Insured who is covered by this option, for all benefits under this policy, if the Life Insured is *Totally Disabled* prior to age 70. We will continue to waive the *Premium* in respect of that Life Insured while he/she remains *Totally Disabled*.

To qualify for this waiver you must pay *Premiums* for three months while a covered Life Insured is *Totally Disabled*. However, if we do subsequently waive your *Premiums*, we will also refund any *Premiums* paid in those three months.

In addition, if a Life Insured is involuntarily unemployed other than as a direct result of a *Sickness or Injury*, your policy has been in force for the previous 12 months at the time we receive a claim and he/she is registered with an employment agency approved by us, we will waive the *Premium* in respect of that Life Insured for up to three months. A total of three months *Premium* may be waived because of unemployment during the life of your policy.

Exclusions – Premium Waiver option

Premiums will not be waived in respect of a Life Insured for *Sickness or Injury* occurring as a direct result of:

- an intentional self-inflicted act or
- attempted suicide or
- uncomplicated pregnancy or childbirth (including participation in an IVF or similar program, normal discomforts such as morning sickness, backache, varicose veins, ankle swelling or bladder problems, giving birth, miscarrying or having an abortion) or
- an act of war (whether declared or not).

Termination of the Premium Waiver option

The Premium Waiver option terminates in relation to a Life Insured on the first to occur of:

- the death of the Life Insured
- on receipt of your written notification to terminate this option
- the *Policy Anniversary* following the 69th birthday of the Life Insured or
- the termination of your policy (see the Termination of your policy clause on page 3).

Buy Back TPD option

When the Buy Back TPD option can be used

If the Buy Back TPD option applies for a Life Insured, then you can repurchase the TPD benefit which was reduced as a result of the payment of the Trauma benefit (other than a Partial Trauma benefit) in respect of that Life Insured without providing any evidence of the Life Insured's personal circumstances, as follows:

- up to 1/3 of the Trauma benefit amount paid (excluding any Paralysis Booster benefit) can be bought back on the date 12 months after the payment of the Trauma benefit, if the Life Insured has returned to full time work in his/her usual occupation for at least six continuous months
- up to a further 1/3 of the Trauma benefit amount paid (excluding any Paralysis Booster benefit) can be bought back on the date 24 months after the payment of the Trauma benefit, if the Life Insured has returned to full time work in his/her usual occupation for at least 18 continuous months
- up to a further 1/3 of the Trauma benefit amount paid (excluding any Paralysis Booster benefit) can be bought back on the date 36 months after the payment of the Trauma benefit, if the Life Insured has returned to full time work in his/her usual occupation for at least 30 continuous months.

The *Premium* applying to the TPD benefit repurchased will be based on our then current rates and the Life Insured's age, gender, smoking status, occupation and any premium loadings which applied to the TPD cover which was reduced. Any exclusions which applied to the cover reduced will also apply to the cover repurchased.

You can exercise a Buy Back TPD option opportunity by notifying us in writing.

Limitations – Buy Back TPD option

You cannot subsequently claim a repurchased TPD benefit for the same or related cause for which the Trauma benefit was paid. The Future Insurability benefit does not apply to any repurchased TPD cover.

A Buy Back TPD option opportunity can only be exercised before the *Policy Anniversary* following the Life Insured's 64th birthday and within 30 days of the applicable opportunity date.

Accelerated Buy Back Death option

If the Accelerated Buy Back Death option applies for a Life Insured then 100% of the Death cover reduced for that Life Insured as a result of the payment of the Trauma benefit (other than a Partial Trauma benefit) can be repurchased on the date 12 months after payment of the Trauma benefit.

Child Cover option**When the Child Cover benefit is payable**

The Child Cover benefit amount is payable if an *Eligible Child* suffers one of the insured events which appear in the Insured Events for Extended Trauma benefit list:

- while this policy is in force
- before the Trauma benefit expiry date and
- the child survives for a period of 14 days after the date of occurrence of the insured event.

If an *Eligible Child* suffers more than one insured event, the Child Cover benefit is only payable in respect of one insured event.

Provided a Child Cover benefit has not been paid, a Funeral benefit amount of \$5,000 will be paid on the death of an *Eligible Child*. If the Funeral benefit is paid then this option ends.

Exclusions – Child Cover option

The Child Cover benefit and the Funeral benefit are not paid if the insured event is caused directly or indirectly by a condition which:

- is congenital or
- existed before the Trauma benefit commenced or
- existed before the child became an *Eligible Child*.

No claim is paid if the insured event is caused directly or indirectly by any intentional self-inflicted act or attempted suicide.

In the case of insured events marked with an asterisk (*), no claim will ever be paid if the condition occurred, is first diagnosed or the circumstances leading to the diagnosis

became apparent or a recommendation of the need to have surgery occurs within 90 days of:

- the commencement date of the Trauma benefit
- the commencement date of any increase in Trauma benefit applied for (but only in respect of the increase) or
- the latest reinstatement of your policy.

Termination of the Child Cover option

Only one claim is payable for any individual *Eligible Child* under this, and any other insurance policies which we have issued. Once an *Eligible Child* qualifies for the Child Cover benefit or the Funeral benefit and is paid in accordance with the Policy Conditions, the option will end.

Trauma Reinstatement option**When the Trauma Reinstatement option can be used**

If the Trauma Reinstatement option applies for a Life Insured then you can reinstate the Trauma benefit which was reduced as a result of the previous payment of the Trauma benefit in respect of the Life Insured. 100% of the Trauma benefit can be reinstated without the Life Insured providing any evidence of the Life Insured's personal circumstances on the date 12 months after payment of the Trauma benefit. The Trauma benefit cannot be reinstated where a previous payment of the Trauma benefit is made as a Partial Trauma benefit payment.

The Future Insurability benefit does not apply to any reinstated Trauma benefit.

A Trauma Reinstatement option opportunity can only be exercised before the *Policy Anniversary* following the Life Insured's 74th birthday and within 30 days of the date 12 months after payment of the Trauma benefit.

The *Premium* applying to the Trauma benefit reinstated will be based on our then current rates and the Life Insured's age, gender, smoking status, occupation and any premium loadings which applied to the Trauma benefit which was reduced. Any exclusions which applied to the cover reduced will also apply to the cover reinstated.

You can exercise a Trauma Reinstatement option opportunity by notifying us in writing.

Limitations – Trauma Reinstatement option

If you are subsequently diagnosed with a specified Trauma, we will pay a claim under the reinstated cover provided the specified Trauma occurred or was diagnosed or the circumstances or symptoms leading to diagnosis became apparent after the Trauma cover was reinstated, subject to the following conditions:

We will not pay a claim under the reinstated Trauma cover if the specified Trauma:

- is the same condition as the original specified Trauma
- is directly or indirectly caused by or related to the original specified Trauma or symptoms or condition(s) which caused the original specified Trauma
- is a *Loss of Independence*
- is a 'Heart Condition' if the original claim was for a 'Heart Condition' or
- is a *Stroke* or paralysis (directly or indirectly resulting from a *Stroke*) and the original specified Trauma was a Heart Condition.

In the above paragraph, 'Heart Condition' means any of the following specified Traumas: Aorta Repair, Coronary Artery Bypass Surgery, Heart Attack, Heart Valve Surgery, Cardiomyopathy, Triple Vessel Coronary Artery Angioplasty, Primary Pulmonary Hypertension.

Top-Up option

If we pay the Partial Trauma benefit for *Carcinoma In Situ, Colostomy or Ileostomy, Diabetes (Type 1), Early Stage Chronic Lymphocytic Leukaemia, Early Stage Melanoma, Early Stage Prostate Cancer, Loss of Hearing in One Ear, Severe Rheumatoid Arthritis or Single Loss of Limb or Eye*, then we will increase the amount of benefit payable to 25% of the Trauma benefit amount, up to a maximum payment in respect of a Life Insured of \$100,000.

If we pay the Partial Trauma benefit for *Minimally Invasive Cardiac Surgery – Including Coronary Artery Angioplasty*, then we will increase the amount of benefit payable to 25% of the Trauma benefit amount, up to a maximum payment in respect of a Life Insured of \$50,000. If we pay the Partial Trauma benefit for any subsequent *Minimally Invasive Cardiac Surgery – Including Coronary Artery Angioplasty*, then we will increase the amount of benefit payable to 25% of the Trauma benefit under this policy, subject to a maximum of \$50,000 and a minimum of the amount paid for the first claim.

Your sum insured will be reduced by each amount paid under this benefit and *Premiums* will be calculated on the reduced sums insured.

Needlestick Cover option

When the Needlestick benefit is payable

The Needlestick benefit is payable if a Life Insured covered for this benefit becomes infected with HIV (Human Immunodeficiency Virus), Hepatitis B or Hepatitis C as a result of an accident occurring during the course of his/her normal occupation.

Any accident giving rise to a potential claim must be reported to us as soon as possible.

In the event of a claim you must provide us with all of the following:

- proof of the occupational accident that gave rise to the infection including the incident report and the names of any witnesses to the accident
- proof that the accident involved a definite source of the relevant infection
- proof that a new infection with either HIV, Hepatitis B or Hepatitis C has occurred within six months of the documented accident, demonstrating sero-conversion from:
 - HIV antibody negative to HIV antibody positive
 - Hepatitis C antibody negative to Hepatitis C antibody positive
 - Hepatitis B surface antigen negative to Hepatitis B surface antigen positive
- access to test independently all the blood samples used.

Restrictions and limitations

The maximum combined amount we will pay for *Occupationally Acquired HIV* under all policies issued by us is \$2,000,000.

Exclusions – Needlestick benefit

A benefit will not be payable if:

- HIV, Hepatitis B and Hepatitis C is contracted by any other means
- a medical cure is found for Acquired Immune Deficiency Syndrome (AIDS) or the effects of the HIV virus, Hepatitis B or Hepatitis C (as applicable) or in the event of a treatment being developed and approved which makes these viruses inactive and non-infectious.

Termination of the Needlestick Cover option

The Needlestick Cover option terminates in relation to a Life Insured on the first to occur of:

- the payment of the Needlestick benefit amount
- the death of the Life Insured
- on receipt of your written notification to terminate this option
- the Needlestick benefit expiry date shown on your Policy Schedule or
- the termination of your policy (see the Termination of your policy clause on page 3).

Zurich Select Term Plus Policy Conditions

These Policy Conditions apply to Zurich Select Term Plus.

Your Policy Schedule shows each Life Insured covered under this policy and lists the Death benefit amount. It also shows any optional benefits provided.

Death benefit

The Death benefit amount is payable upon the death of a Life Insured while this policy is in force and prior to the applicable Death benefit expiry date. Your Policy Schedule shows the benefit expiry date applying to the Death benefit for each Life Insured.

Terminal Illness benefit

An advance payment of the Death benefit is payable if a Life Insured is diagnosed as terminally ill while this policy is in force and prior to the applicable Death benefit expiry date. 'Terminally ill' means death is likely to occur within 12 months. If you have multiple policies issued by Zurich Australia Limited there is a maximum limit of \$2,000,000 on terminal illness benefits payable per Life Insured.

Accidental Injury benefit

The benefit amount specified below in either paragraph (a) or paragraph (b) (but not both) is payable if a Life Insured suffers an *Accidental Injury* while this policy is in force and prior to the applicable Death benefit expiry date.

(a) In the case of an *Accidental Injury* which causes the entire and irrevocable loss of: the use of one hand or the use of one foot or the sight of one eye a benefit amount of the lesser of 25% of the Death benefit and \$500,000 is payable.

(b) In the case of an *Accidental Injury* which causes the entire and irrevocable loss of the use of both hands or the use of both feet or the sight of both eyes or any combination of two of the following:

- the use of one hand
- the use of one foot
- the sight of one eye

a benefit amount of the lesser of 100% of the Death benefit and \$2,000,000 is payable.

The Accidental Injury benefit will not be payable if:

- a benefit is paid for the same *Injury* under the TPD benefit or
- the *Injury* is the result of war (whether declared or not) or

- the *Injury* is a result of intentional self-inflicted injuries or attempted suicide.

Advancement of Funeral Expenses

While a claim for the Death benefit is being settled, we may advance up to \$15,000 of the benefit towards payment of funeral expenses. An application for payment of funeral expenses must be made by the person to whom the Death benefit is payable or by another person acceptable to us and must include a copy of the death certificate and the funeral invoice.

Financial Planning Advice benefit

We will reimburse you up to \$1,000 towards the cost of financial planning advice required as a result of a benefit paid under this policy. We will only pay this benefit if the payee or payees of your policy benefit have obtained our written approval before seeking the advice.

Exclusions

No claim is paid if the Life Insured's death is caused directly or indirectly by an event or condition specified on your Policy Schedule in relation to that Life Insured or by suicide within 13 months of:

- the commencement date of your policy
- the commencement date of any increase in the Death benefit applied for (but only in respect of the increase) or
- the latest reinstatement of your policy.

We will waive this exclusion if, immediately prior to the commencement of this policy, you had death cover in relation to the Life Insured which was in force for at least 13 consecutive months (without lapsing and/or reinstatement) with another insurer, and we agreed to replace this cover. The waiver will only apply up to the amount that you had with the other insurer.

Benefit adjustments

The Death benefit applying to a Life Insured is reduced by the amount paid or advanced, under any of the following:

- Terminal Illness benefit
- Accidental Injury benefit
- TPD benefit

in relation to that Life Insured. Your *Premium* will be based on the reduced levels of cover from the next premium due date after payment of the relevant benefit.

Termination of the Select Term Plus benefits

The benefits of your policy terminate in relation to a Life Insured on the first to occur of:

- the death of the Life Insured
- our receipt of your written notification to terminate this benefit
- the Death benefit expiry date shown on your Policy Schedule and
- the termination of your policy (see the Termination of your policy clause on page 3).

Nomination of beneficiaries

You may nominate a beneficiary or beneficiaries to receive the Death benefit and Accidental Death benefit (if applicable) under this policy, in proportions specified by you. We will pay any benefit in accordance with your nomination if it is lawful for us to do so (see the Payment of benefits clause on page 6).

If a natural person, who is a nominated beneficiary under your policy and alive at the time of death of the Life Insured, subsequently dies before any entitlement under your policy can be paid, then the entitlement will be paid to the deceased beneficiary's legal personal representative.

If a nominated beneficiary dies before the Life Insured, the nomination ceases to be valid. In this case, any policy entitlement (payable on the death of the Life Insured) will be payable to you (assuming no further beneficiary had been nominated by you) or your legal representative (where you were also the Life Insured).

A nomination of a beneficiary will be automatically revoked in relation to all nominations if ownership of this policy is assigned to another person or entity.

A nominated beneficiary has no rights under this policy other than to receive the specified proportion of policy proceeds after a claim has been admitted by us. He or she cannot initiate or authorise any policy transactions.

Optional benefits

Your Policy Schedule shows the optional benefits applying under your policy and, if applicable, the benefit amount(s). Your Policy Schedule also shows the expiry date applying to each optional benefit. A Life Insured is only covered for these optional benefits if specified on your Policy Schedule.

TPD option

The TPD benefit amount is payable upon the *Total and Permanent Disablement* of a Life Insured covered for this benefit. The Life Insured must suffer *Total and Permanent Disablement* when this policy is in force and before the applicable benefit expiry date. Your Policy Schedule also shows the benefit expiry date applying to the TPD benefit for each Life Insured.

If the Life Insured has been engaged in full-time domestic duties in his/her own residence for more than six consecutive months prior to the onset of the *Sickness or Injury* leading to *Total and Permanent Disablement* then only paragraphs (a), (c) and (d) of the definition of *Total and Permanent Disablement* apply.

Your Policy Schedule details whether Standard 'Any' Occupation TPD, Standard 'Own' Occupation TPD, Double 'Any' Occupation TPD or Double 'Own' Occupation TPD are provided for a Life Insured and, if so, the benefit amount.

Exclusions – TPD benefit

No claim is paid if the Life Insured's *Total and Permanent Disablement* is caused directly or indirectly by:

- an intentional self-inflicted act or attempted suicide
- any event or medical condition specified on your Policy Schedule in relation to that Life Insured.

Double TPD benefit

If the Life Insured is covered for Double 'Any' Occupation TPD or Double 'Own' Occupation TPD (as shown on your Policy Schedule) the amount by which the Death benefit for that Life Insured is reduced as a result of the payment of the Double TPD benefit is reinstated if:

- the Life Insured survives for 12 months after the date the Double TPD benefit is paid
- this occurs before the policy expiry date.

The *Premium* in respect of the Death benefit amount reinstated is waived until the policy expiry date.

Benefit adjustments

The TPD benefits applying to a Life Insured are reduced by any amount paid under any of the following:

- Terminal Illness benefit
- Accidental Injury benefit.

Your *Premium* will be based on the reduced levels of cover from the premium due date after payment of the relevant benefit. Where you have more than one TPD cover, where such a reduction applies, the reduction in cover will be proportional across all such TPD benefits.

Termination of the TPD benefits

The TPD cover terminates in relation to a Life Insured on the first to occur of:

- the payment of the total TPD benefit amount
- the death of the Life Insured
- on receipt of your written notification to terminate this cover
- the TPD benefit expiry date shown on your Policy Schedule
- the termination of your policy (see the Termination of your policy clause on page 3).

Increasing Cover option

The value of your insurance cover is protected against the impact of inflation by automatically increasing the benefit amounts each year. This benefit applies to the Death benefit and the TPD benefit (if applicable). The benefit amount is increased in respect of a Life Insured on each *Policy Anniversary* by 5%. You have the option of rejecting our offer to increase the benefit amounts.

Accidental Death option**When the Accidental Death benefit is payable**

The Accidental Death benefit amount is payable if a Life Insured covered for this benefit suffers *Accidental Death* which was sustained while both this benefit, and your policy, were in force.

Exclusions – Accidental Death benefit

No claim is paid where the *Injury* causing the Life Insured's *Accidental Death*:

- is the result of suicide or
- is the result of any event specified on your Policy Schedule in relation to that Life Insured.

Termination of Accidental Death option

The Accidental Death option terminates in relation to a Life Insured on the first to occur of:

- the payment of the Accidental Death benefit amount
- the death of the Life Insured
- on receipt of your written notification to terminate this option
- the Accidental Death benefit expiry date shown on your Policy Schedule or
- the termination of your policy (see the Termination of your policy clause on page 3).

Premium Waiver option**When premiums will be waived**

We will waive your *Premiums* in respect of a Life Insured who is covered by this option, for all benefits under this policy, if the Life Insured is *Totally Disabled*. We will continue to waive the *Premium* in respect of that Life Insured while he/she remains *Totally Disabled*.

To qualify for this waiver you must pay *Premiums* for three months while a covered Life Insured is *Totally Disabled*. However, if we do subsequently waive your *Premiums*, we will also refund any *Premiums* paid in those three months.

In addition, if a Life Insured is involuntarily unemployed other than as a direct result of a *Sickness* or *Injury*, your policy has been in force for the previous 12 months at the time we receive a claim and he/she is registered with an employment agency approved by us, we will waive the *Premium* in respect of that Life Insured for up to three months. A total of three months *Premium* may be waived because of unemployment during the life of your policy.

Exclusions – Premium Waiver option

Premiums will not be waived in respect of a Life Insured for *Sickness* or *Injury* occurring as a direct result of:

- an intentional self-inflicted act or
- attempted suicide or
- uncomplicated pregnancy or childbirth (including participation in an IVF or similar program, normal discomforts such as morning sickness, backache, varicose veins, ankle swelling or bladder problems, giving birth, miscarrying or having an abortion) or
- an act of war (whether declared or not).

Termination of the Premium Waiver option

The Premium Waiver option terminates in relation to a Life Insured on the first to occur of:

- the death of the Life Insured
- on receipt of your written notification to terminate this option
- the Death benefit expiry date shown on your Policy Schedule or
- the termination of your policy (see the Termination of your policy clause on page 3).

Needlestick Cover option

When the Needlestick benefit is payable

The Needlestick benefit is payable if a Life Insured covered for this benefit becomes infected with HIV (Human Immunodeficiency Virus), Hepatitis B or Hepatitis C as a result of an accident occurring during the course of his/her normal occupation.

Any accident giving rise to a potential claim must be reported to us as soon as possible.

In the event of a claim you must provide us with all of the following:

- proof of the occupational accident that gave rise to the infection including the incident report and the names of any witnesses to the accident
- proof that the accident involved a definite source of the relevant infection
- proof that a new infection with either HIV, Hepatitis B or Hepatitis C has occurred within six months of the documented accident, demonstrating sero-conversion from:
 - HIV antibody negative to HIV antibody positive
 - Hepatitis C antibody negative to Hepatitis C antibody positive
 - Hepatitis B surface antigen negative to Hepatitis B surface antigen positive
- access to test independently all the blood samples used.

Restrictions and limitations

The maximum combined amount we will pay for *Occupationally Acquired HIV* under all policies issued by us is \$2,000,000.

Exclusions – Needlestick benefit

A benefit will not be payable if:

- HIV, Hepatitis B and Hepatitis C is contracted by any other means
- a medical cure is found for Acquired Immune Deficiency Syndrome (AIDS) or the effects of the HIV virus, Hepatitis B or Hepatitis C (as applicable) or in the event of a treatment being developed and approved which makes these viruses inactive and non-infectious.

Termination of the Needlestick Cover option

The Needlestick Cover option terminates in relation to a Life Insured on the first to occur of:

- the payment of the Needlestick benefit amount
- the death of the Life Insured
- on receipt of your written notification to terminate this option
- the Needlestick benefit expiry date shown on your Policy Schedule or
- the termination of your policy (see the Termination of your policy clause on page 3).

Zurich Income Replacement Insurance Plus Policy Conditions

These Policy Conditions apply to Zurich Income Replacement Insurance Plus.

Your Policy Schedule shows the Life Insured covered under your policy, lists the *Insured Monthly Benefit*, whether your policy is 'Agreed Value' or 'Indemnity', the *Benefit Period*, the *Waiting Period*, the premium structure and any optional benefits provided. Your Policy Schedule also shows the benefit expiry date applying to each insured benefit.

You can apply to add optional benefits or to increase levels of cover, but only if we accept your application after considering the Life Insured's personal circumstances including health, occupation and pastimes.

We will offer to increase the level of cover each year in line with inflation under the Inflation Protection benefit unless you request us not to make these offers.

Income benefit

The *Income Benefit* is payable after the expiry of the *Waiting Period* if, solely as a result of a *Sickness or Injury*, while your policy is in force and before the *Insured Monthly Benefit* expiry date, the Life Insured:

- is, until the expiry of the *Waiting Period*, unable to generate at least 80% of his/her *Pre-Disability Income* through personal exertion in his/her *Usual Occupation* and
- is required to be under the regular care, and following the advice, of a *Medical Practitioner*.

Income benefit with the Basic Cover option

The *Income Benefit* is payable after the expiry of the *Waiting Period* if, solely as a result of a *Sickness or Injury*, while your policy is in force and before the *Insured Monthly Benefit* expiry date, the Life Insured:

- is unable to generate at least 80% of his/her *Pre-Disability Income* through personal exertion in his/her *Usual Occupation* and not working for a period of at least 14 days and
- is until the expiry of the *Waiting Period*, unable to earn his/her *Pre-Disability Income* from personal exertion in his/her *Usual Occupation* and
- is required to be under the regular care, and following the advice, of a *Medical Practitioner*.

Agreed value cover

If at the expiry of the *Waiting Period* the Life Insured has no *Post-Disability Income* then we will pay you the *Insured Monthly Benefit*. Otherwise, the *Income Benefit* we will pay after the expiry of the *Waiting Period* will be proportionate to the income loss and calculated on a monthly basis using the following formula:

$$\frac{\text{Pre-Disability Income} - \text{Post-Disability Income}}{\text{Pre-Disability Income}} \times \text{Insured Monthly Benefit}$$

Indemnity cover

If at the expiry of the *Waiting Period* the Life Insured has no *Post-Disability Income* then we will pay you the lesser of the *Insured Monthly Benefit* and 75% of your *Pre-Disability Income*. Otherwise, the *Income Benefit* we will pay after the expiry of the *Waiting Period* will be proportionate to the income loss and calculated on a monthly basis using the following formula:

$$\frac{\text{Pre-Disability Income} - \text{Post-Disability Income}}{\text{Pre-Disability Income}} \times \text{Insured Monthly Benefit}$$

Your benefit will be capped so that the amount paid does not exceed 75% of your *Pre-Disability Income*.

Under Agreed Value and Indemnity cover, we will continue to pay you the *Income Benefit* until any one of the following events occurs:

- the *Sickness or Injury* giving rise to the claim does not prevent the Life Insured earning his/her *Pre-Disability Income* from personal exertion in his/her *Usual Occupation*
- the *Benefit Period* ends
- your policy ends
- the death of the Life Insured
- the Life Insured is no longer required to be under the regular care of a *Medical Practitioner* with regard to treatment for the *Sickness or Injury*
- the Life Insured is no longer following the treatment recommended by a *Medical Practitioner* at such intervals and frequency as will lead to a cure, alleviation or minimisation of the condition causing the disability.

If you are claiming while outside Australia, we will only continue to pay the *Income Benefit* if the Life Insured has a medical examination in Australia or in another country by a doctor nominated or approved by us, every 12 months. We will pay for this medical examination, but not for transport to Australia or any other country.

We pay a proportion of the *Income Benefit* twice monthly when the claim requirements have been provided, with the first payment due 15 days after the *Waiting Period* ends. When the claim ends before the next payment due date, we will pay 1/30th of the *Income Benefit* for each day less than 15 days.

If the Life Insured's disability is the result of more than one separate and distinct *Sickness* or *Injury*, payments will be based on the policy condition which provides the greatest benefit.

We will agree with you whether the Life Insured's disability is caused by a *Sickness* or *Injury* before claim payments commence.

Rehabilitation benefits

The Rehabilitation benefit is payable when you have qualified for the *Income Benefit* or the Specified Injury benefit after expiry of the *Waiting Period* or within the *Waiting Period* if you would otherwise qualify for an *Income Benefit*. The Rehabilitation benefit is payable in reimbursement of the following:

Workplace modification

This benefit provides assistance if the Life Insured's workplace needs modification to allow the Life Insured to return to gainful employment. We will pay up to three times the *Income Benefit* for expenses incurred in modifying the Life Insured's workplace.

Rehabilitation program

While the Life Insured takes part in a *Rehabilitation Program*, we will pay you an additional 50% of the *Income Benefit* each month for a maximum period of 12 months.

Rehabilitation costs

We will pay up to 12 times the *Income Benefit* for the expenses of rehabilitating the Life Insured. These expenses include the costs of special equipment designed to assist the Life Insured to re-enter the workforce.

To receive the Rehabilitation benefit, you must have our written approval to meet the expenses before they are incurred.

Funeral benefit

The Funeral benefit is payable if the Life Insured dies while this policy is in force. We will pay a lump sum of three times the *Insured Monthly Benefit*.

If you have both Zurich Income Replacement Insurance Plus and Zurich Business Expenses Insurance Plus, we will only pay this benefit once.

Confined to Bed benefit

This benefit does not apply if the Basic Cover option is selected.

The Confined to Bed benefit is payable if, while your policy is in force and before the *Insured Monthly Benefit* expiry date, the Life Insured is *Confined to Bed* because of *Sickness* or *Injury* for more than two days in a row and during that period, is totally dependant on the fulltime care of a *Nurse* or a *Personal Care Attendant* and unable to earn any income from personal exertion. This benefit is only payable during the *Waiting Period* to a maximum of 180 days.

We will pay the Confined to Bed benefit for each complete month or 1/30th of the Confined to Bed benefit for each day that you are eligible for this benefit. This benefit is only payable during the *Waiting Period* to a maximum of 180 days.

Under Agreed Value cover, the Confined to Bed benefit will be the *Insured Monthly Benefit*.

Under Indemnity cover, the Confined to Bed benefit will be the lesser of the *Insured Monthly Benefit* and 75% of your *Pre-Disability Income*.

Specified Injury benefit

The Specified Injury benefit is payable if any one of the following specified injuries happen to the Life Insured while your policy is in force and before the *Insured Monthly Benefit* expiry date. The *Waiting Period* is waived and the Specified Injury benefit is paid (even if the Life Insured is still earning an income) until:

- the end of the Specified Injury Benefit Period
- the end of the *Benefit Period* shown on your Policy Schedule
- the death of the Life Insured

whichever happens first.

We will not pay you for more than one specified injury per claim.

Under Agreed Value cover, the Specified Injury benefit will be the *Insured Monthly Benefit*.

Under Indemnity cover, the Specified Injury benefit will be the lesser of the *Insured Monthly Benefit* and 75% of your *Pre-Disability Income*.

Specified Injury	Specified Injury Benefit Period (months)
<i>Quadriplegia</i>	60
<i>Paraplegia</i>	60
Loss of both feet, both hands or sight in both eyes	24
Loss of a foot and a hand	24
Loss of a foot and sight in one eye	24
Loss of a hand and sight in one eye	24
Loss of a leg or arm	18
Loss of a foot or hand or sight in one eye	12
Loss of the thumb and index finger of the same hand	6
<i>Fracture of a thigh or pelvis</i>	3
<i>Fracture of a leg (between the knee and foot), kneecap, skull (excluding bones of the face or nose), upper arm between elbow and shoulder (shaft) or shoulder blade</i>	2
<i>Fracture of a forearm (including wrist but excluding elbow or hand) or collar bone</i>	1.5

'Loss' means that the Life Insured cannot use and will never be able to use that body part again. In the case of the eye, it means that the Life Insured will never be able to see again from that eye.

The *Income Benefit* is not payable while you are receiving the Specified Injury benefit, however, eligibility to receive the *Income Benefit* will be determined in the normal way after the end of the Specified Injury Benefit Period.

Special Care benefit

This benefit does not apply if the Basic Cover option is selected.

The Special Care benefit is payable if the *Income Benefit*, a Specified Injury benefit, a Day 4 Accident benefit or a Confined to Bed benefit is payable and one of the following three conditions exist prior to the expiry date shown on your Policy Schedule:

- (a) if a *Direct Family Member* has to stop *Full-time Paid Employment* to care for the Life Insured at home because of his/her *Sickness or Injury*. We will pay an additional benefit of the *Income Benefit* or \$2,500 per month, whichever is lower, for up to six months after the end of the *Waiting Period* while the Life Insured is:
- confined to bed or to the house, while dependent on home assistance and
 - unable to earn any income by personal exertion.

We will not pay if the *Direct Family Member* had been working for you, the Life Insured or for your or the Life

Insured's employer before the Life Insured suffered the *Sickness or Injury*.

- (b) if the Life Insured needs the care of a *Nurse* or a *Personal Care Attendant* because of his/her *Sickness or Injury*. We will pay an additional benefit of \$150 per day for up to six months after the end of the *Waiting Period* while the Life Insured is:

- confined to bed or to the house, while dependent on home assistance or nursing care and
- unable to earn any income by personal exertion.

We will not pay if the *Nurse* or *Personal Care Attendant* had been working for you, the Life Insured or for your or the Life Insured's employer before the Life Insured suffered the *Sickness or Injury*.

- (c) if the Life Insured is more than 100 kilometres away from home and needs to stay there. We will reimburse accommodation and travel costs if the Life Insured is 100 kilometres or more away from home and has to stay there beyond his/her scheduled return date on his/her *Medical Practitioner's* advice. We will also reimburse the accommodation and travel costs of a *Direct Family Member* who has to stay with the Life Insured.

We will pay a maximum of \$500 for reimbursement of travel costs (other than by emergency transport, such as ambulance which is covered by health insurance). We will pay a maximum of \$250 per day for accommodation up to 30 days in any 12 month period.

However, we will not pay for both a *Direct Family Member* and a *Nurse* or a *Personal Care Attendant* for the same period.

We will also pay the following Special Care benefit if the *Income Benefit* is payable and the Life Insured, having suffered the *Sickness or Injury* whilst overseas, chooses to return to Australia after the end of the *Waiting Period* but before the expiry date shown on your Policy Schedule. We will pay the cost of a single standard economy airfare to enable the Life Insured to return, less any reimbursement from another source. We will also pay the costs (on the same basis) of accompanying transport for any *Direct Family Member* travelling companion the Life Insured has while disabled overseas.

Under Agreed Value cover, the maximum total amount we will pay for these travel costs is three times the *Insured Monthly Benefit*.

Under Indemnity cover, the maximum total amount we will pay for these travel costs is three times the lesser of the *Insured Monthly Benefit* and 75% of the *Pre-Disability Income*.

The Special Care benefit is payable only once in relation to the same or related cause.

Elective Surgery benefit

If the *Income Benefit* would be payable, except that the Life Insured's disability was due to elective or donor transplant surgery, we will deem the Life Insured's disability to be due to *Sickness* if the elective or transplant surgery occurred at least six months after:

- the start of your policy
- if your policy is ever reinstated, the date of reinstatement
- in respect of an increase in the *Insured Monthly Benefit*, the date of the increase.

Unemployment Waiver benefit

We will waive your *Premium* for up to three months if the Life Insured is involuntarily unemployed, other than as a direct result of *Sickness* or *Injury* and if:

- the Life Insured is registered with an employment agency approved by us
- unemployment started at least 12 months after the start of your policy or, if your policy is ever reinstated, the date of reinstatement.

A total of three months *Premium* may be waived under this benefit during the life of your policy.

Inflation Protection

The Inflation Protection benefit protects the value of your insurance cover against the impact of inflation by offering you the opportunity to adjust for this with indexation increases.

Each *Policy Anniversary* prior to the Life Insured's 65th birthday, the *Insured Monthly Benefit* can be increased by the percentage increase in the *Consumer Price Index* published for the quarter falling immediately prior to three months before the *Policy Anniversary* over that published for the quarter falling immediately prior to 15 months before that *Policy Anniversary*.

You have the option of rejecting the increase if you do not require it. If you reject the increase, you must tell us in writing within 30 days of receiving the offer.

Indexation increases will apply automatically while you are entitled to make a claim.

Under Indemnity cover, if the indexation increase would mean that the *Insured Monthly Benefit* is greater than 75% of the Life Insured's *Average Monthly Pre-Tax Income* or if the Life Insured is not in *Full-time Paid Employment*, you may reject the increase to avoid paying an unnecessary *Premium*.

More than one benefit at a time

We will not pay any of the following combinations of benefits for the same period:

- the Confined to Bed benefit and the Specified Injury benefit
- the *Income Benefit* and the Specified Injury benefit
- the Confined to Bed benefit and the Day 4 Accident benefit
- the Specified Injury benefit and the Day 4 Accident benefit
- the Severe Disability benefit and the Booster benefit.

Exclusions

No amount will be payable for *Sickness* or *Injury* occurring as a direct or indirect result of any one or more of the following:

- an intentional self-inflicted act
- attempted suicide
- uncomplicated pregnancy or child birth (including participation in an IVF or similar program, normal discomforts such as morning sickness, backache, varicose veins, ankle swelling or bladder problems, giving birth, miscarrying or having an abortion)
- an act of war (whether declared or not)
- any event or medical condition expressly excluded on your Policy Schedule.

If the Mental Disorder Discount option applies to the Life Insured, no amount will be payable for *Sickness* or *Injury* occurring as a direct or indirect result of a *Mental Disorder*.

Concurrent Disability

If more than one separate and distinct *Sickness* or *Injury* resulted in your disability, payments will be based on the policy condition that provides the highest benefit.

Extending cover beyond age 65

On the *Policy Anniversary* following your 65th birthday, you can extend your cover on a limited basis up to the *Policy Anniversary* following your 70th birthday if you are still working in paid employment for more than 30 hours per week. You must apply to us at least 60 days before the Benefit Expiry Date shown on your Policy Schedule. The extended cover will be Indemnity cover. You should consult your adviser for information regarding this extension of cover.

Limitations

The *Benefit Period* on extended cover is one year.

An *Income Benefit* will only be payable if the Life Insured has no *Post-Disability Income* (ie. no proportionate benefits are payable).

The extended cover does not apply if you are entitled to receive a benefit, or if you are receiving or have received a benefit under your policy at any time in the last 12 months.

Optional benefits

Your Policy Schedule shows the optional benefits applying under your policy and, if applicable, the benefit amount(s). Your Policy Schedule also shows the expiry date applying to each optional benefit (or if not shown, the optional benefit expiry date is equal to that of the main policy). A Life Insured is only covered for these optional benefits if specified on your Policy Schedule.

Increasing Claims option

After each three continuous months of *Income Benefit* payments, the *Income Benefit* will be increased by the percentage increase in the *Consumer Price Index* for the previous quarter.

Lump Sum Accident option

The Lump Sum Accident benefit is payable if the Life Insured suffers an *Injury*, while your policy is in force and before the expiry date shown on your Policy Schedule, which causes, within 180 days of the accident, one of the events set out below. The lump sum payable will be the percentage set out below of the Lump Sum Accident Benefit Amount shown on your Policy Schedule.

We will only pay an amount under this option once during the life of your policy.

Event	% of Lump Sum Accident Benefit Amount
<i>Accidental Death</i>	100%
Total and permanent loss of:	
both hands or both feet or sight in both eyes	100%
one hand and sight in one eye	100%
one foot and sight in one eye	100%
one hand and one foot	100%
one arm or one leg	75%
one hand, one foot or sight in one eye	50%
thumb and index finger from same hand	25%
thumb or index finger	15%
two or more fingers	15%
one finger	5%

‘Loss’ means that the Life Insured cannot use and will never be able to use that body part again. In the case of the eye, it means that the Life Insured will never be able to see again from that eye.

Family Care option

This option only applies where you are the Life Insured.

The Family Care benefit is payable if you die, while receiving the *Income Benefit*, and leave a surviving *Spouse*. We will continue to pay your *Spouse* an *Income Benefit* for up to five years after your death while your *Spouse* remains alive, but not beyond the balance of the *Benefit Period* or the expiry date shown on your Policy Schedule, if earlier.

The amount payable will be adjusted in the same manner that would have occurred had you continued living.

Spouse Cover option

This option only applies for the covered *Spouse* named on your Policy Schedule.

The Spouse Cover benefit is payable if the covered *Spouse*:

- is unable, because of *Sickness* or *Injury*, to perform each and every daily domestic duty and
- a *Medical Practitioner* confirms the need for domestic help for the covered *Spouse*

during the *Waiting Period*, but only while this continues after the end of the *Waiting Period*.

We will pay you from the end of the *Waiting Period*, but not beyond the expiry date shown on your Policy Schedule or the *Policy Anniversary* following your *Spouse's* 60th birthday, a monthly amount to:

- reimburse fees paid for domestic duties such as cooking, cleaning and home nursing care, up to \$700
- reimburse child care costs for children under 12 years, up to \$1,300.

We will not pay a benefit if the covered *Spouse* is disabled due to any one or more of the following:

- intentional self-inflicted act
- attempted suicide
- uncomplicated pregnancy or child birth (including participation in an IVF or similar program, normal discomforts such as morning sickness, backache, varicose veins, ankle swelling or bladder problems, giving birth, miscarrying or having an abortion)
- an act of war (whether declared or not)
- *Mental Disorder*
- any event expressly excluded on your Policy Schedule.

A Rehabilitation benefit is payable if the Spouse Cover benefit is payable, in reimbursement of the following:

Home modification

This benefit provides assistance if the covered *Spouse's* home needs modification to allow the covered *Spouse* to return to carrying out the domestic duties. We will pay up to \$6,000 for expenses incurred in carrying out the modification.

Rehabilitation program

If the covered *Spouse* takes part in a *Rehabilitation Program*, we will pay up to an additional \$1,000 each month after the *Waiting Period* for up to 12 months for the expenses of participation in the *Rehabilitation Program*.

Rehabilitation costs

We will pay up to \$12,000 for the expenses of rehabilitating the covered *Spouse*.

The expenses must be incurred while the *Spouse Cover* benefit is payable and, to receive the benefit, you must have our written approval to meet the expenses before they are incurred. The Rehabilitation benefit is payable only once in relation to the same or related cause.

Severe Disability option

The Severe Disability benefit is payable if the Life Insured has been continuously unable due to *Sickness* or *Injury* to perform at least two of the five numbered groups of *Activities of Daily Living* for more than three months while your policy is in force and before the *Insured Monthly Benefit* expiry date. We will increase the payment by one third while this condition continues and either the *Income Benefit* or the *Specified Injury* benefit is payable. We will pay you this benefit until the end of the *Benefit Period* or to the expiry date shown on your *Policy Schedule*, whichever occurs first.

Day 4 Accident option

The Day 4 Accident benefit is payable if the Life Insured is disabled due to an *Injury* for more than three consecutive days during the *Waiting Period* as an immediate consequence of an *Accidental Injury* prior to the expiry date shown on your *Policy Schedule*. If the Life Insured is unable to generate at least 80% of his/her *Pre-Disability Income* through personal exertion, and is not working in any occupation, solely due to that *Accidental Injury*, we will pay you 1/30th of the *Income Benefit* for the 4th and each subsequent day of the *Waiting Period* for so long as the Life Insured continues to meet these criteria solely due to his/her *Accidental Injury*. We will not pay this benefit for any period for which the *Confined to Bed* benefit or the *Specified Injury* benefit is payable.

Booster option

The Booster benefit is payable if we are paying the maximum benefit under your policy for the first 30 days after the *Waiting Period* prior to the expiry date shown on your *Policy Schedule*. We will increase the *Income Benefit* by 1/3rd for that 30 day period.

Future Insurability option

The Future Insurability benefit allows you to increase the *Insured Monthly Benefit* by up to 20% on every 3rd *Policy Anniversary* after this option began, without us reassessing the Life Insured's personal circumstances. You must tell us in writing that you want to make the increase within 30 days of the relevant *Policy Anniversary*. The increase cannot be made if:

- the Life Insured is over age 55
- you have made a claim in the last six months
- after the increase, the *Insured Monthly Benefit* will be more than 75% of the Life Insured's *Average Monthly Pre-Tax Income* at that date.

Trauma option

The Trauma benefit is payable if, while the *Income Benefit* or *Specified Injury* benefit is payable, the Life Insured:

- suffers a specified trauma
- dies after the *Waiting Period*.

We will pay you double the *Income Benefit* for up to six months whilst the Life Insured survives after suffering any of the following traumas:

- *Chronic Kidney Failure*
- *Coronary Artery Bypass Surgery**
- *Diplegia*
- *Heart Attack**
- *Hemiplegia*
- *Malignant Cancer**
- *Paraplegia*
- *Quadriplegia*
- *Stroke**

* If this trauma occurs or becomes apparent within 90 days of the start of your policy or if your policy is ever reinstated, from the date of reinstatement, we will not pay a benefit under this option.

No benefit will be payable after the benefit expiry date shown on your Policy Schedule.

The occurrence of the trauma must be confirmed by our medical advisers and, for this purpose, we reserve the right to require the insured to undergo an examination or other reasonable tests, at our expense.

We will pay a lump sum of three times the *Insured Monthly Benefit* on the death of the Life Insured prior to the expiry date shown on your Policy Schedule.

Mental Disorder Discount option

This option allows you to reduce your *Premiums* by electing not to receive any benefits if you were to suffer a *Mental Disorder*. Once you have selected this option it cannot be removed for the life of your policy.

Superannuation Contributions option

In selecting this option you are deemed to have directed us to pay any benefit payable under this option (less an amount to cover income tax payable which will be paid directly to you) to a complying superannuation fund you nominate.

The Superannuation Contributions Monthly Benefit (or a proportion thereof) is payable at any time you are receiving an *Income Benefit*, Specified Injury benefit, Confined to Bed benefit or Day 4 Accident benefit.

The amount payable will be the Superannuation Contributions Monthly Benefit multiplied by the proportion of the *Insured Monthly Benefit* you are receiving as an *Income Benefit* or Specified Injury benefit or Confined to Bed benefit or Day 4 Accident benefit.

Under Indemnity cover, this is subject to a maximum of the actual average monthly superannuation contributions you or your employer made in the 12 months preceding your claim.

As this benefit results in a tax liability to you we only pay the estimated after tax benefit to the fund you nominate and pay the estimated tax to you (or at your direction).

Inflation Protection and the Increasing Claims benefit apply to the Superannuation Contributions option.

Needlestick Cover option

We will pay a lump sum equal to the amount you are insured for under this option if you become infected with HIV (Human Immunodeficiency Virus), Hepatitis B or Hepatitis C as a result of an accident occurring during the course of your normal occupation.

Any accident giving rise to a potential claim must be reported to us as soon as possible.

In the event of a claim you must provide us with all of the following:

- proof of the occupational accident that gave rise to the infection including the incident report and the names of any witnesses to the accident
- proof that the accident involved a definite source of the relevant infection
- proof that a new infection with either HIV, Hepatitis B or Hepatitis C has occurred within six months of the documented accident, demonstrating sero-conversion from:
 - HIV antibody negative to HIV antibody positive
 - Hepatitis C antibody negative to Hepatitis C antibody positive
 - Hepatitis B surface antigen negative to Hepatitis B surface antigen positive
- access to test independently all the blood samples used.

A benefit will not be payable if:

- HIV, Hepatitis B and Hepatitis C is contracted by any other means
- a medical cure is found for Acquired Immune Deficiency Syndrome (AIDS) or the effects of the HIV virus, Hepatitis B or Hepatitis C (as applicable) or in the event of a treatment being developed and approved which makes these viruses inactive and non-infectious.

The maximum combined amount we will pay for this option together with other Needlestick Cover options and/or *Occupationally Acquired HIV* under all policies issued by us is \$2,000,000.

Zurich Special Risk Income Replacement Insurance Plus Policy Conditions

These Policy Conditions apply to Zurich Special Risk Income Replacement Insurance Plus.

Your Policy Schedule shows the Life Insured covered under your policy, lists the *Insured Monthly Benefit*, whether your policy is 'Agreed Value' or 'Indemnity', the *Benefit Period*, the *Waiting Period*, the premium structure and any optional benefits provided. Your Policy Schedule also shows the benefit expiry date applying to each insured benefit.

You can apply to add optional benefits or to increase levels of cover, but only if we accept your application after considering the Life Insured's personal circumstances including health, occupation and pastimes.

We will offer to increase the level of cover each year in line with inflation under the Inflation Protection benefit unless you request us not to make these offers.

Income benefit

The *Income Benefit* is payable after the expiry of the *Waiting Period* if, solely as a result of a *Sickness or Injury*, while your policy is in force and before the *Insured Monthly Benefit* expiry date, the Life Insured:

- is unable to generate at least 80% of his/her *Pre-Disability Income* through personal exertion in his/her *Usual Occupation* and not working for a period of at least 14 days and
- is until the expiry of the *Waiting Period* not able to earn his/her *Pre-Disability Income* from personal exertion in his/her *Usual Occupation* and
- is required to be under the regular care, and following the advice, of a *Medical Practitioner*.

Agreed value cover

If at the expiry of the *Waiting Period* the Life Insured has no *Post-Disability Income* then we will pay you the *Insured Monthly Benefit*. Otherwise, the *Income Benefit* we will pay after the expiry of the *Waiting Period* will be proportionate to the income loss and calculated on a monthly basis using the following formula:

$$\frac{\text{Pre-Disability Income} - \text{Post-Disability Income}}{\text{Pre-Disability Income}} \times \text{Insured Monthly Benefit}$$

Indemnity cover

If at the expiry of the *Waiting Period* the Life Insured has no *Post-Disability Income* then we will pay you the lesser of the *Insured Monthly Benefit* and 75% of your *Pre-Disability Income*. Otherwise, the *Income Benefit* we will pay after the expiry of the *Waiting Period* will be proportionate to the income loss and calculated on a monthly basis using the following formula:

$$\frac{\text{Pre-Disability Income} - \text{Post-Disability Income}}{\text{Pre-Disability Income}} \times \text{Insured Monthly Benefit}$$

Your benefit will be capped so that the amount paid does not exceed 75% of your *Pre-Disability Income*.

Under Agreed Value and Indemnity cover, we will continue to pay you the *Income Benefit* until any one of the following events occurs:

- the *Sickness or Injury* giving rise to the claim does not prevent the Life Insured earning his/her *Pre-Disability Income* from personal exertion in his/her *Usual Occupation*
- the *Benefit Period* ends
- your policy ends
- the death of the Life Insured
- the Life Insured is no longer required to be under the regular care of a *Medical Practitioner* with regard to treatment for the *Sickness or Injury* or is no longer under the regular care of a *Medical Practitioner*
- the Life Insured is no longer following the treatment recommended by a *Medical Practitioner* at such intervals and frequency as will lead to a cure, alleviation or minimisation of the condition causing your disability.

If you are claiming while outside Australia, we will only continue to pay the *Income Benefit* if the Life Insured has a medical examination in Australia or in another country by a doctor nominated or approved by us, every 12 months. We will pay for this medical examination, but not for transport to Australia or any other country.

We pay a proportion of the *Income Benefit* twice monthly when the claim requirements have been provided, with the first payment due 15 days after the *Waiting Period* ends.

When the claim ends before the next payment due date, we will pay 1/30th of the *Income Benefit* for each day less than 15 days.

If the Life Insured's disability is the result of more than one separate and distinct *Sickness* or *Injury*, payments will be based on the policy condition which provides the greatest benefit.

We will agree with you whether the Life Insured's disability is caused by a *Sickness* or *Injury* before claim payments commence.

Rehabilitation benefits

The Rehabilitation benefit is payable if you are receiving the *Income Benefit* or the Specified Injury benefit after expiry of the *Waiting Period*. The Rehabilitation benefit is payable in reimbursement of the following:

Workplace modification

This benefit provides assistance if the Life Insured's workplace needs modification to allow the Life Insured to return to gainful employment. We will pay up to three times the *Income Benefit* for expenses incurred in modifying the Life Insured's workplace.

Rehabilitation program

While the Life Insured takes part in a *Rehabilitation Program*, we will pay an additional 50% of the *Income Benefit* each month for a maximum period of 12 months.

Rehabilitation costs

We will pay up to 12 times the *Income Benefit* for the expenses of rehabilitating the Life Insured. These expenses include the costs of special equipment designed to assist the Life Insured to re-enter the workforce.

To receive the Rehabilitation benefit, you must have our written approval to meet the expenses before they are incurred.

Funeral benefit

The Funeral benefit is payable if the Life Insured dies while this policy is in force. We will pay a lump sum of three times the *Insured Monthly Benefit*.

If you have both Zurich Special Risk Income Replacement Insurance Plus and Zurich Business Expenses Insurance Plus, we will only pay this benefit once.

Specified Injury benefit

The Specified Injury benefit is payable if any one of the following specified injuries happen to the Life Insured while your policy is in force and before the *Insured Monthly Benefit* expiry date. The *Waiting Period* is waived and the Specified Injury benefit is paid (even if the Life Insured is still earning an income) until:

- the end of the Specified Injury Benefit Period
- the end of the *Benefit Period* shown on your Policy Schedule
- the death of the Life Insured

whichever happens first.

We will not pay you for more than one specified injury per claim.

Under Agreed Value cover, the Specified Injury benefit will be the *Insured Monthly Benefit*.

Under Indemnity cover, the Specified Injury benefit will be the lesser of the *Insured Monthly Benefit* and 75% of your *Pre-Disability Income*.

Specified Injury	Specified Injury Benefit Period (months)
<i>Quadriplegia</i>	60
<i>Paraplegia</i>	60
Loss of both feet, both hands or sight in both eyes	24
Loss of a foot and a hand	24
Loss of a foot and sight in one eye	24
Loss of a hand and sight in one eye	24
Loss of a leg or arm	18
Loss of a foot or hand or sight in one eye	12
Loss of the thumb and index finger of the same hand	6
<i>Fracture</i> of a thigh or pelvis	3
<i>Fracture</i> of a leg (between the knee and foot), kneecap, skull (excluding bones of the face or nose), upper arm between elbow and shoulder (shaft) or shoulder blade	2
<i>Fracture</i> of a forearm (including wrist but excluding elbow or hand) or collar bone	1.5

'Loss' means that the Life Insured cannot use and will never be able to use that body part again. In the case of the eye, it means that the Life Insured will never be able to see again from that eye.

The *Income Benefit* is not payable while you are receiving the Specified Injury benefit, however, eligibility to receive the *Income Benefit* will be determined in the normal way after the end of the Specified Injury Benefit Period.

Inflation Protection

The Inflation Protection benefit protects the value of your insurance cover against the impact of inflation by offering you the opportunity to adjust for this with indexation increases.

Each *Policy Anniversary* prior to the Life Insured's 60th birthday, the *Insured Monthly Benefit* can be increased by the percentage increase in the *Consumer Price Index* published for the quarter falling immediately prior to three months before the *Policy Anniversary* over that published for the quarter falling immediately prior to 15 months before that *Policy Anniversary*.

You have the option of rejecting the increase if you do not require it. If you reject the increase, you must tell us in writing within 30 days of receiving the offer.

Indexation increases will apply automatically while you are entitled to make a claim.

Under Indemnity cover, if the indexation increase would mean that the *Insured Monthly Benefit* is greater than 75% of the Life Insured's *Average Monthly Pre-Tax Income* or if the Life Insured is not in *Full-time Paid Employment*, you may reject the increase to avoid paying an unnecessary *Premium*.

More than one benefit at a time

We will not pay the *Income Benefit* and the Specified Injury benefit for the same period.

Exclusions

No amount will be payable for *Sickness* or *Injury* occurring as a direct or indirect result of any one or more of the following:

- an intentional self-inflicted act
- attempted suicide
- uncomplicated pregnancy or child birth (including participation in an IVF or similar program, normal discomforts such as morning sickness, backache, varicose veins, ankle swelling or bladder problems, giving birth, miscarrying or having an abortion)
- an act of war (whether declared or not)
- any event or medical condition expressly excluded on your Policy Schedule.

If the Mental Disorder Discount option applies to the Life Insured, no amount will be payable for *Sickness* or *Injury* occurring as a direct or indirect result of a *Mental Disorder*.

Concurrent Disability

If more than one separate and distinct *Sickness* or *Injury* resulted in your disability, payments will be based on the policy condition that provides the highest benefit.

Employment breaks

If the Life Insured has not been engaged in *Full-time Paid Employment*, for 12 consecutive months, other than as a direct result of disability or where we have given prior written approval, your policy terminates at the end of this 12 month period. You must notify us if this happens. If any *Premiums* are paid while your policy is terminated, they will be refunded.

If the Life Insured is not engaged in *Full-time Paid Employment* because he or she is on unpaid leave (eg. maternity leave, paternity leave or sabbatical leave) your policy can be continued after the end of the 12 month period, but only if we can agree the terms for this with you.

Optional benefits

Your Policy Schedule shows the optional benefits applying under your policy and, if applicable, the benefit amount(s). Your Policy Schedule also shows the expiry date applying to each optional benefit (or if not shown, the optional benefit expiry date is equal to that of the main policy). A Life Insured is only covered for these optional benefits if specified on your Policy Schedule.

Increasing Claims option

After each three continuous months of *Income Benefit* payments, the *Income Benefit* will be increased by the percentage increase in the *Consumer Price Index* for the previous quarter.

Lump Sum Accident option

The Lump Sum Accident benefit is payable if the Life Insured suffers an *Injury*, while your policy is in force and before the expiry date shown on your Policy Schedule, which causes, within 180 days of the accident, one of the events set out below. The lump sum payable will be the percentage set out below of the Lump Sum Accident Benefit Amount shown on your Policy Schedule.

We will only pay an amount under this option once during the life of your policy.

Event	% of Lump Sum Accident Benefit Amount
<i>Accidental Death</i>	100%
Total and permanent loss of:	
both hands or both feet or sight in both eyes	100%
one hand and sight in one eye	100%
one foot and sight in one eye	100%
one hand and one foot	100%
one arm or one leg	75%
one hand, one foot or sight in one eye	50%
thumb and index finger from same hand	25%
thumb or index finger	15%
two or more fingers	15%
one finger	5%

‘Loss’ means that the Life Insured cannot use and will never be able to use that body part again. In the case of the eye, it means that the Life Insured will never be able to see again from that eye.

Family Care option

This option only applies where you are the Life Insured.

The Family Care benefit is payable if you die, while receiving the *Income Benefit*, and leave a surviving *Spouse*. We will continue to pay your *Spouse* an *Income Benefit* for up to five years after your death while your *Spouse* remains alive, but not beyond the balance of the *Benefit Period* or the expiry date shown on your Policy Schedule, if earlier.

The amount payable will be adjusted in the same manner that would have occurred had you continued living.

Spouse Cover option

This option only applies for the covered *Spouse* named on your Policy Schedule.

The Spouse Cover benefit is payable if the covered *Spouse*:

- is unable, because of *Sickness* or *Injury*, to perform each and every daily domestic duty and
- a *Medical Practitioner* confirms the need for domestic help for the covered *Spouse*

during the *Waiting Period*, but only while this continues after the end of the *Waiting Period*.

We will pay you from the end of the *Waiting Period*, but not beyond the expiry date shown on your Policy Schedule, a monthly amount to:

- reimburse fees paid for domestic duties such as cooking, cleaning and home nursing care, up to \$700
- reimburse child care costs for children under 12 years, up to \$1,300.

We will not pay a benefit if the covered *Spouse* is disabled due to any one or more of the following:

- intentional self-inflicted act
- attempted suicide
- uncomplicated pregnancy or child birth (including participation in an IVF or similar program, normal discomforts such as morning sickness, backache, varicose veins, ankle swelling or bladder problems, giving birth, miscarrying or having an abortion)
- an act of war (whether declared or not)
- *Mental Disorder*
- any event expressly excluded on your Policy Schedule.

A Rehabilitation benefit is payable if the *Spouse Cover* benefit is payable, in reimbursement of the following:

Home modification

This benefit provides assistance if the covered *Spouse’s* home needs modification to allow the covered *Spouse* to return to carrying out the domestic duties. We will pay up to \$6,000 for expenses incurred in carrying out the modification.

Rehabilitation program

If the covered *Spouse* takes part in a *Rehabilitation Program*, we will pay up to an additional \$1,000 each month after the *Waiting Period* for up to 12 months for the expenses of participation in the *Rehabilitation Program*.

Rehabilitation costs

We will pay up to \$12,000 for the expenses of rehabilitating the covered *Spouse*.

The expenses must be incurred while the *Spouse Cover* benefit is payable and, to receive the benefit, you must have our written approval to meet the expenses before they are incurred. The Rehabilitation benefit is payable only once in relation to the same or related cause.

Mental Disorder Discount option

This option allows you to reduce your *Premiums* by electing not to receive any benefits if you were to suffer a *Mental Disorder*. Once you have selected this option it cannot be removed for the life of your policy.

Zurich Business Expenses Insurance Plus

Policy Conditions

These Policy Conditions apply to Zurich Business Expenses Insurance Plus.

Your Policy Schedule shows the Life Insured covered under your policy, lists the Business Expenses benefit, the *Benefit Period*, the *Waiting Period*, the premium structure and any optional benefits provided. Your Policy Schedule also shows the benefit expiry date applying to each insured benefit.

You can apply to increase levels of cover, but only if we accept your application after considering the Life Insured's personal circumstances including health, occupation and pastimes.

We will offer to increase the level of cover each year in line with inflation under the Inflation Protection benefit unless you request us not to make these offers.

Business Expenses benefit

The Business Expenses benefit is payable after expiry of the *Waiting Period* if, solely as a result of a *Sickness* or *Injury*, while your policy is in force and before the Business Expenses benefit expiry date, the Life Insured:

- is until the expiry of the *Waiting Period* unable to generate at least 80% of his/her *Pre-Disability Business Earnings* through personal exertion in his/her *Usual Occupation* and
- is required to be under the regular care, and following the advice, of a *Medical Practitioner*.

The Business Expenses benefit payable after expiry of the *Waiting Period* will be calculated on a monthly basis as the lesser of:

- the monthly Business Expenses benefit
- *Eligible Business Expenses* incurred in that month less:
 - *Business Earnings* received during that month and
 - any other income, net of expenses, produced for you or any other person from any source as a result (directly or indirectly) of the provision of the Life Insured's personal services with respect to the covered business and which relate to the period of disability. 'Income' for this purpose includes salaries, fees, bonuses and commissions and the like, but excludes income from any deferred compensation plans, disability income policies or retirement policies.

We will continue to pay you the Business Expenses benefit until any one of the following events occurs:

- the *Sickness* or *Injury* giving rise to the claim does not prevent the Life Insured generating his/her *Pre-Disability Business Earnings*
- your policy ends
- the death of the Life Insured
- the Life Insured is no longer required to be under the regular care of a *Medical Practitioner* with regard to treatment for the *Sickness* or *Injury*
- the Life Insured is no longer under the care of or ceases to follow the treatment recommended by, a *Medical Practitioner* at such intervals and frequency as will lead to a cure, alleviation or minimisation of the condition causing his/her disability
- the *Benefit Period* ends.

The *Benefit Period* will be extended if, after the Business Expenses benefit has been paid continuously for 12 months, the total amount paid is less than 12 times the monthly Business Expenses benefit. The *Benefit Period* will be extended:

- for 12 months or
- until the total amount paid equals 12 times the monthly Business Expenses benefit

whichever happens first.

If you are claiming while outside Australia, we will only continue to pay the Business Expenses benefit if the Life Insured has a medical examination in Australia or in another country by a doctor nominated or approved by us, every 12 months. We will pay for this medical examination, but not for transport to Australia or any other country.

We pay a proportion of the Business Expenses benefit twice monthly when the claim requirements have been provided, with the first payment due 15 days after the *Waiting Period* ends. When the claim ends before the next payment due date, we will pay 1/30th of the Business Expenses benefit for each day less than 15 days.

Funeral benefit

The Funeral benefit is payable if the Life Insured dies while this policy is in force. We will pay a lump sum of three times the monthly Business Expenses benefit.

If you have both Zurich Income Replacement Insurance Plus or Zurich Special Risk Income Replacement Insurance Plus and Zurich Business Expenses Insurance Plus, we will only pay this benefit once.

Inflation Protection

The Inflation Protection benefit protects the value of your insurance cover against the impact of inflation by offering you the opportunity to adjust for this with indexation increases.

Each *Policy Anniversary* prior to the Life Insured's 65th birthday, the monthly Business Expenses benefit can be increased by the percentage increase in the *Consumer Price Index* published for the quarter falling immediately prior to three months before the *Policy Anniversary* over that published for the quarter falling immediately prior to 15 months before that *Policy Anniversary* subject to:

- the monthly Business Expenses benefit cannot be increased to an amount greater than the Life Insured's monthly *Eligible Business Expenses* averaged over the last twelve months.

Indexation increases will apply automatically while you are entitled to make a claim.

You have the option of rejecting the increase if you do not require it. If you reject the increase, you must tell us in writing within 30 days of receiving the offer.

Exclusions

No amount will be payable for *Sickness* or *Injury* occurring as a direct or indirect result of any one or more of the following:

- an intentional self-inflicted act
- attempted suicide
- uncomplicated pregnancy or child birth (including participation in an IVF or similar program, normal discomforts such as morning sickness, backache, varicose veins, ankle swelling or bladder problems, giving birth, miscarrying or having an abortion)
- an act of war (whether declared or not)
- any event or medical condition expressly excluded on your Policy Schedule.

Optional benefit

Your Policy Schedule shows if the following optional benefit applies to your policy and the benefit amount(s). It also shows the expiry date applying to the optional benefit. A Life Insured is only covered for the optional benefit if specified on your Policy Schedule.

Day 4 Accident option

The Day 4 Accident benefit is payable if the Life Insured is disabled due to an *Injury* for more than three consecutive days during the *Waiting Period* as an immediate consequence of an *Accidental Injury* prior to the expiry date shown on your Policy Schedule. If the Life Insured is unable to generate at least 80% of his/her *Pre-Disability Business Earnings* through personal exertion, and is not working in any occupation, solely due to that *Accidental Injury*, we will pay you up to 1/30th of the Business Expenses benefit for the 4th and each subsequent day of the *Waiting Period* for so long as the Life Insured continues to meet these criteria solely due to his/her *Accidental Injury*.

Zurich Superannuation Term Life Insurance Plus Policy Conditions

The issuer of Zurich Superannuation Term Life Insurance Plus is Zurich Australian Superannuation Pty Limited which is the Trustee of the Zurich Master Superannuation Fund (the Fund). The issuer of life insurance under this product (and the administrator of this product) is Zurich Australia Limited (ZAL).

In this section of the Policy Conditions, 'Zurich', 'us', 'our', and 'we' means Zurich Australian Superannuation Pty Limited.

These Policy Conditions apply to Zurich Superannuation Term Life Insurance Plus, and are issued by ZAL to us. They are included here for your information.

Optional benefits or increases in levels of cover may be applied for, but our acceptance is subject to ZAL's consideration of the Life Insured's personal circumstances including health, occupation and pastimes of the Life Insured.

Levels of cover are automatically increased in line with inflation each year under the Inflation Protection benefit unless we request ZAL not to make these increases.

Benefits referred to in this part will only be released if you satisfy a condition of release for superannuation law purposes.

Death benefit

The Death benefit amount is payable to us upon the death of the Life Insured while this policy is in force and prior to the applicable Death benefit expiry date.

Terminal Illness benefit

An advance payment of the Death benefit is payable to us if a Life Insured is diagnosed as terminally ill while this policy is in force and prior to the applicable Death benefit expiry date. 'Terminally ill' means death is likely to occur within 12 months. If you have multiple policies issued by Zurich Australia Limited there is a maximum limit of \$2,000,000 on terminal illness benefits payable per Life Insured.

Future Insurability benefit

We have the option to increase the Death benefit and TPD benefit applying for a Life Insured, before his/her 55th birthday, without ZAL's reassessment of his/her personal circumstances, as long as:

- you have not received, nor are entitled to receive, a benefit under this policy in relation to that Life Insured
- ZAL or any other life insurer has not waived or are not waiving, *Premiums* in relation to that Life Insured.

The option can be exercised by you within 30 days of any of the following events, on the terms specified:

(a) If the Life Insured:

- marries
- divorces
- becomes a parent (whether through the birth or adoption of a child),
you can increase the benefit amount by a minimum of \$10,000 and a maximum of the lesser of:
 - 25% of the Death benefit or TPD benefit amount applying to that Life Insured when this policy started and
 - \$200,000.

(b) If the Life Insured takes out for the first time or increases, his/her mortgage on his/her principal place of residence, you can increase the benefit amount by the lesser of:

- the amount of the new mortgage or the increase in the mortgage and
- 25% of the Death benefit or TPD benefit amount applying to that Life Insured when your policy started and
- \$200,000.

(c) If a dependent child of the Life Insured starts secondary school, you can increase the benefit amount by a minimum of \$10,000 and a maximum of the lesser of:

- 25% of your Death benefit or TPD benefit amount applying to that Life Insured when this policy started and
- \$200,000.

Restrictions

The accumulative sum of all increases under this benefit cannot exceed the lower of the cover amount applying to that Life Insured when this policy started and \$1,000,000.

In any 12 month period increases are limited to 50% of the cover amount applying to that Life Insured when this policy started.

You cannot increase your TPD benefit amount for a Life Insured if the increase would cause you to exceed ZAL's *Maximum Underwriting Limit*.

ZAL retains the right to confirm the Life Insured's occupation in relation to any increase in the TPD cover amount for a Life Insured and eligibility and *Premiums* in relation to the increased amount will be based on the Life Insured's occupation at the time of increase.

For the first six months after an increase under this benefit:

- any increased Death benefit amount in relation to a Life Insured is only payable in the event of the Life Insured's *Accidental Death*
- any increased TPD benefit amount in relation to a Life Insured is only payable in the event his/her *Total and Permanent Disablement* is caused by an *Accidental Injury*.

Advancement of Funeral Expenses

While a claim for the Death benefit is being settled, ZAL may advance up to \$15,000 of the benefit to us towards payment of funeral expenses. An application for payment of funeral expenses must be made by the person to whom the Death benefit is payable or by another person acceptable to us and must include a copy of the death certificate and the funeral invoice.

Inflation Protection

The value of your insurance cover is protected against the impact of inflation by automatically increasing the benefit amounts each year.

This benefit applies to the Death benefit and the TPD benefit (if applicable).

The benefit amount is increased in respect of a Life Insured on each *Policy Anniversary* by the greater of:

- 5% and
- the percentage increase in the *Consumer Price Index* published for the quarter ending immediately prior to three months before the *Policy Anniversary* over that published for the quarter ending immediately prior to 15 months before that *Policy Anniversary*.

You have the option of rejecting our and ZAL's offer to increase the benefit amounts.

Premium freeze

At any *Policy Anniversary* you may elect to freeze the *Premium* for your policy by notifying ZAL in writing. This causes the *Premium* to remain constant until the first benefit expiry date or until you tell ZAL in writing that you no longer wish to freeze the *Premium*. As the cost of providing cover generally rises each year in line with the age of each Life Insured, the effect of freezing the *Premium* will be to reduce the level of cover each year proportionally for each insured benefit and optional benefit.

Exclusions

No claim is paid if the Life Insured's death is caused directly or indirectly by an event or condition specified on your Policy Schedule in relation to that Life Insured or by suicide within 13 months of:

- the commencement date of your policy
- the commencement date of any increase in the Death benefit applied for (but only in respect of the increase) or
- the latest reinstatement of your policy.

ZAL will waive this exclusion if, immediately prior to the commencement of this policy, you had death cover in relation to the Life Insured which was in force for at least 13 consecutive months (without lapsing and/or reinstatement) with another insurer, and ZAL agreed to replace this cover. The waiver will only apply up to the amount that you had with the other insurer.

Benefit adjustments

The Death benefit applying to a Life Insured is reduced by the amount paid or advanced, under any of the following

- Terminal Illness benefit
- TPD benefits

YOUR DUTY OF DISCLOSURE

Before you enter into a contract of life insurance with an insurer, you have a duty, under the Insurance Contracts Act 1984, to disclose to the insurer every matter that you know, or could reasonably be expected to know, is relevant to the insurer's decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose those matters to the insurer before you extend, vary or reinstate a contract of life insurance.

Your duty however does not require disclosure of a matter:

- that diminishes the risk to be undertaken by the insurer;
- that is of common knowledge;
- that your insurer knows or, in the ordinary course of business, ought to know;
- if compliance with your duty in relation to that matter is waived by the insurer.

NON-DISCLOSURE

If you fail to comply with your duty of disclosure and the insurer would not have entered into the contract on any terms if the failure had not occurred, the insurer may avoid the contract within 3 years of entering into it. If your non-disclosure is fraudulent, the insurer may avoid the contract at any time.

An insurer who is entitled to avoid a contract of life insurance may, within 3 years of entering into it, elect not to avoid it but to reduce the sum that you have been insured for in accordance with a formula that takes into account the premium that would have been payable if you had disclosed all relevant matters to the insurer.

ZURICH SUPERANNUATION TERM LIFE INSURANCE PLUS AND ZURICH SUPERANNUATION SELECT TERM PLUS APPLICANTS

Before the Trustee (Zurich Australian Superannuation Pty Limited) effects insurance cover with the Insurer (Zurich Australia Limited), the Trustee has a duty of disclosure. It is a condition of your participation in the Zurich Master Superannuation Fund (Fund) that you have the same duty of disclosure to the Trustee. For this purpose, a reference to the 'Insurer' in the section headed 'Your Duty of disclosure' includes a reference to the 'Trustee'.

When a person applies for insurance benefits through the Fund any personal information disclosed to the Trustee will be given to the Insurer.

3. tax file number notification to Fund trustee

Superannuation legislation requires you to provide your Tax File Number (TFN) to the Trustee in order to make personal (post-tax) contributions and/or to avoid paying excessive tax on employer (concessional) contributions.

What do you need to do?

To ensure you are able to make non-concessional (after-tax) contributions and to avoid paying excessive tax on employer (concessional contributions), you must complete the TFN details below. Failure to do so will mean that the Trustee will be unable to accept your contribution.

Important information you need to know before providing your TFN

We are required to tell you the following things before you provide your TFN to the Trustee. Your TFN is confidential and you should know the following things before you decide to provide it.

- Under the *Superannuation Industry (Supervision) Act 1993*, taxation legislation and the Privacy Act 1988, we are allowed to collect your TFN.
- If you do provide your TFN to us, we will use it only for legal purposes. This includes finding or identifying your superannuation benefits where other information is

insufficient, calculating tax on any superannuation lump sum you may be entitled to, allowing your superannuation provider to quote your TFN to the ATO when reporting details of contributions for the purposes of the Superannuation Surcharge Tax, and providing information to the Commissioner of Taxation. These purposes may change in the future.

- It is not an offence if you choose not to quote your TFN. However, if you don't tell us your TFN, either now or later, you may pay more tax on your benefits than you have to. You may reclaim this through the income tax assessment process. It may also be more difficult to find your benefits in the future to pay you any superannuation benefits you are entitled to, or to amalgamate or find any other benefits for you. These consequences may change in the future.
- If you provide your TFN to us, we may provide it to the Trustee of any other superannuation fund to which your benefits are transferred in the future. We will not pass your TFN to any other Fund if you tell us in writing that you do not want us to pass it on. We may also give it to the Commissioner of Taxation. Otherwise we will treat it as confidential.
- Please note that the ATO will provide your TFN details to the Trustee on your behalf unless you instruct the ATO otherwise.

- Zurich will provide details of this Direct Debit, on request.

Disputes

The Account Holder should first give notice of any disputed drawing to Zurich. Zurich will respond within 7 working days of receiving your letter. Zurich has formal procedures for dealing with a complaint.

Dishonoured debits

If a drawing is unsuccessful, Zurich will cancel the payment in respect of the dishonoured debit. On receipt of new information after a dishonour, Zurich will process a one-off debit to pay the policy up to date. If two consecutive dishonours occur, Zurich may cancel the authority. Zurich may charge a dishonour fee to the relevant product. Currently the fee is nil. The financial institution may also charge fees relating to the dishonour to the account, which is the Account Holder's responsibility.

Confidential information

Zurich may disclose information about your account to its banker (in connection with a claim made against it relating to an alleged incorrect or wrongful debit made from the account), your financial institution, your adviser and to other companies within the Zurich Financial Services Australia Group of companies. Zurich will not disclose information about you or the account to any other person, except where you have given consent or where the disclosure is required by law.

The Account Holder may give notice to Zurich in writing at the address shown.
