Zurich Insurance

Application form
(application only, excluding Life Insured’s Statement)

Before completing or signing this Application form, you should read the Product Disclosure Statement (PDS) relevant to your policy. In instances where one or more new policies are created, this is the Zurich Wealth Protection PDS dated 29 March 2021 and the Zurich Active PDS dated 29 March 2021.

If you are requesting an alteration or increase to an existing policy, you should refer to the PDS and policy document issued at the time you applied for your policy (and any policy updates for your product) for the applicable terms.

The relevant PDS must be provided to you with this Application form. It will help you to understand the policies and decide if they are appropriate to your needs.

All parties to any policy issued must be Australian residents, including policy owners, lives insured and payors.

Please use black pen, BLOCK LETTERS and ticks (✓) where applicable. DO NOT USE HIGHLIGHTERS.

1. Type of application

Use this Application form to:
• apply for the policies offered in the Zurich Wealth Protection or Zurich Active PDS or
• increase or change an existing policy.

2. Details

Complete the table below with details of the policies that you are applying for.

Usually the life insured is also the policy owner, but the life insured and the policy owner can be different. You can nominate a person, company, trustee or business partner to own the policy/policies. All policy owners must sign the declaration on page 7.

Policy owner details are not required if you are applying for a policy through the Zurich Insurance-only Superannuation Plan, a division of the Aon Master Trust.

For platform business, some details will be obtained from your Zurich premium quote:
• payor details are not required as premiums will be automatically deducted from the platform account
• policy owner details are not required where the policy is to be owned by a superannuation trustee

Health Information Consent

You do not need to complete this Health Information Consent if you are not providing us with any health information as part of your application, for example if you are changing ownership by replacing one policy with another for the same type and amount of cover.

Notes on releasing information about your health
Your health information includes details about all your interactions with health providers, and may include details such as your symptoms, treatment, consultations, personal medical history and lifestyle. Health providers cannot release this information about you without your consent.

We, Zurich Australia Limited, collect and use your health information to assess your application for cover, to assess and manage your claim, or to confirm the information you gave us when you applied for cover or made a claim. This is why we need your consent.

Each time you apply for cover or make a claim, we will ask you for a fresh consent. We will respect your privacy by only asking for the information we reasonably need, and we will tell you each time we use your consent.

Even if we collect information from health providers (such as your General Practitioner), before the insurance starts you must still tell us every matter (including about your health) that is relevant to our decision about whether to offer you insurance, and if so, on what terms. This is your Duty of Disclose under the Insurance Contracts Act 1984 (Cth).

Please read each Authority carefully and the explanatory notes below.

Authority 1 explanatory notes – through this Authority, with the exception of a copy of the consultation notes held by your General Practitioner/Practice, you are consenting to any health provider releasing any health information about you in the form we ask for. This may involve, for example:

- preparing a general report and/or a report about a specific condition;
- accessing and releasing your records in SafeScript;
- releasing your hospital patient notes;
- releasing the results of any investigations they have done; and/or
- releasing correspondence with other health providers.

Authority 2 explanatory notes – through this Authority, you are consenting to any General Practitioner/Practice you have attended releasing a copy of your full record, including consultation notes, but only if we have asked them to provide a general report and/or a report about a specific condition under Authority 1, and either:

- they will be unable to, or did not, provide the report within 4 weeks; or
- the report provided is incomplete, or contains inconsistencies or inaccuracies.

Your General Practitioner maintains consultation notes to support quality care, your wellbeing and to meet legal and professional requirements. General Practitioners/Practices should only release a copy of your full record, including consultation notes, for life insurance purposes in the rare circumstances set out above.

If you choose to withhold your consent to this authority, we may not be able to process your application for cover or a claim.
Health Information Consent

**Authority 1** – to release any of my health information except the consultation notes held by my General Practitioner/Practice

With the exception of consultation notes held by any General Practitioner/Practice I have attended, I authorise any health provider, practitioner, practice, psychologist, dentist, allied health services provider or any hospital to access and release, in writing or verbally, any details of my health information to Zurich Australia Limited (‘Zurich’), or to third parties they engage.

I agree to all the following:

- My health information can be released in the form Zurich asks for, such as a general report, a report about a specific condition, my records in SafeScript, any hospital notes, or correspondence between health providers.
- Zurich can collect, use, store and disclose my personal information (including sensitive information) in accordance with privacy laws and Australian Privacy Principles.
- This Authority is valid only while Zurich is assessing my claim or application for cover, or is verifying disclosures I made in connection with the cover.
- A copy or transcript of this Authority will be valid and effective, and this Authority should be accepted as valid and effective where I have signed electronically or consented verbally.

DIRECT DEBIT REQUEST SERVICE AGREEMENT

This agreement sets out the terms and conditions on which the Account Holder has authorised Zurich to debit money from their account and the obligations of Zurich and the Account Holder under this Agreement.

The Account Holder understands and agrees that:

- Direct debiting may not be available on all accounts. The Account Holder is responsible for ensuring the specified account can accept direct debits and there are sufficient cleared funds available in the nominated account to permit payments under the Direct Debit Request on the due date for payments.
- Zurich accepts no responsibility for issues arising where incorrect details have been provided. The Account Holder should check the account details provided to Zurich are correct. If uncertain, check with your financial institution before completing the Direct Debit Request.
- Zurich will debit the account for the sum of the amounts due at the debit date for all specified policies.
- Changes to bank account details must be provided in writing, or by telephoning Zurich (or by such other means as we approve).
- Zurich will give the Account Holder at least 14 days notice in writing if there are any changes to the terms of this Service Agreement.

Zurich agrees that:

- When the due date for payment is not a business day, the debit will be processed on the next business day.
- The Account holder can cancel, change*, defer or suspend the Direct Debit Request on a policy by providing notice to Zurich in writing or by telephone (or by such other means as we approve), or directly with the Account Holder’s financial institution (which is required to act promptly on the instructions). Notification must be received by Zurich at least 14 days before the next drawing date in order to process your instructions.
  *The Account Holder’s financial institution can “change” the Direct Debit Request only to the extent of advising Zurich of new account details.
- Upon request, Zurich will forward a copy of the current terms and conditions for direct debits, to the Account Holder by post, facsimile or other agreed method.
- Zurich will provide details of this Direct Debit, on request.

Disputes

The Account Holder should give notice of any disputed debit to Zurich. Zurich will respond within 7 working days of receiving your letter. Alternatively, the Account Holder can take it up directly with the Account Holder’s financial institution.

Dishonoured debits

If a debit is unsuccessful, Zurich will cancel the payment in respect of the dishonoured debit. In some instances, such as where your account has insufficient funds, Zurich may notify you and attempt a second deduction from your account within 14 days. You should ensure that your account has sufficient funds before any second deduction. If we receive new information from you after a dishonour, Zurich will process a one-off debit to pay the policy up to date. If two consecutive dishonours occur, Zurich may cancel the authority. Zurich may charge a dishonour fee to the relevant policy. Currently the fee is nil. The financial institution may also charge fees relating to the dishonour to the account, which is the Account Holder’s responsibility.
