

Zurich Superannuation Plan and Account-Based Pension

Managed Growth

Fund Focus - June 2022

Investment objective

To provide investors with capital growth over the medium to long-term, through exposure across a range of asset classes. The option aims to achieve CPI+2.5% over rolling five year periods before fees and taxes.

Investment strategy

This option invests in a mix of Australian and international shares, fixed interest securities, listed property trusts and cash. The option is designed to reduce overall portfolio risk by spreading the option's investments across asset classes.
