About this Target Market Determination

This Target Market Determination (TMD) is prepared by Zurich Australian Insurance Limited (Zurich), ABN 13 000 296 640, AFS Licence Number 232507. In this document, Zurich may also be expressed as 'Zurich', 'we', 'us' or 'our'.

The purpose of this TMD is to provide information about the target market for which this product has been designed.

This TMD is not intended as a consumer-facing disclosure document and does not provide personal advice or form part of the terms and conditions of the product.

Zurich recommends that customers contact their broker or distribution partner and read the relevant Product Disclosure Statement for full details on cover to determine whether the product is appropriate for their objectives, financial situation and needs.

Target Market for MMA Heavy Motor and Mobile Plant Insurance

Who is this product intended for?

The product is intended to provide motor vehicle insurance cover for Australian based sole trader, partnership, joint venture, corporation, government body or trust that owns or operates a fleet of 15 or more vehicles, including but not limited to sedans, 4WDs, utility vehicles, trucks, trailers, mobile plant and equipment, predominantly for business purposes. Customers are intended to arrange cover through licensed insurance brokers or advisors within the Marsh Pty Ltd, ABN 86 004 651 512, AFSL 238983 and Marsh Advantage Insurance Pty Ltd ABN 31 081 358 303, AFST 238369 (collectively, 'MMA') network.

The product is designed for customers seeking a range of insurance covers in order to mitigate financial loss and varies depending on which corresponding cover type customers select, being:

Loss to Insured Vehicle cover

- accidental damage, fire, theft or malicious damage of, or to, covered vehicles

Liability cover

- third-party liability for costs that customers are legally responsible for in relation to personal injury, property damage or loss covered vehicles have caused to other persons or property

Comprehensive cover

- both of the above types of cover

It is designed for customers to choose the appropriate cover types and options.

The product contains different cover benefits depending on the selected cover type and has a range of specified covers as well as optional covers that may be available to customers at a varied cost.

Who is this product not intended for?

This product, despite the comments above, is not intended for customers who wish to cover:

- vehicles the customer has no insurable interest in
- a fleet used predominantly for personal, domestic or household purposes
- driverless or remotely operated vehicles
- vehicles that are considered unroadworthy by authorities
- vehicles on rails or cables
- vehicles used for racing, testing or prototype vehicles
- vehicles outside of Australia and New Zealand
- taxi and rideshare vehicles
- vehicles that are extensively modified or used for a limited or narrow range of situations
- risks covered by health insurance or statutory third-party bodily injury insurance
- businesses with fleets predominately comprised of cranes
- thermal coal mining and associated power generation activities
- car dealers, repossession dealerships, static vehicle storage risks
- novated lease fleets via finance companies
- vehicles used for soft rock underground mining operations
- oil, gas, coal seam and shale gas, or geothermal drilling activities

Where a customer falls outside the target market for this product, Zurich recommends that the customer speaks to their broker or distribution partner to assist them with determining whether this product meets their objectives, financial situation and needs.

How is this product distributed?

This product is distributed by MMA with whom Zurich has an established relationship, and who is licensed to the extent required by law.

MMA works with us to ensure that the product is distributed to customers in accordance with this TMD. Distribution through MMA ensures customers have a contact they can work with to understand the product, assess it against their objectives, financial situation and needs and select the appropriate range of covers and options.
