

Ezicover[®] Funeral Advantage

Ezicover Funeral Advantage can provide a lump sum payment to cover the cost of your funeral.

Benefits

- Cover available in multiples of \$1,000 from \$5,000 to \$15,000
- First month's premium is waived on acceptance
- Provides guaranteed acceptance for eligible applicants aged between 35 and 70 years
- Provided you pay your premiums when due, your cover will continue until you die
- Once the premium paid matches the sum insured, no further premiums are payable
- Premiums do not increase as you get older
- If replacing an existing funeral cover policy, we will reduce the Accidental Death and suicide exclusion period on the Ezicover Funeral Advantage policy by the number of consecutive months the existing cover has been in place. This waiver will only apply to cover of equal or lesser value
- If you wish to cancel for any reason, you have a 30 day cooling off period during which time any premiums or charges paid will be fully refunded. Thereafter, you can cancel your policy at any time, however there is no refund of premiums paid to date.

Exclusions

- We will not pay a benefit where the life insured's death is caused directly or indirectly by suicide within 12 months of the commencement of cover or the latest reinstatement of cover. The maximum combined amount we will pay for this benefit together with other funeral benefits under all policies issued by Zurich for the same life insured is \$15,000
- Cover is only provided for accidental death in the first 12 months (but if death occurs in the first 12 months and is not as a result of an accident or suicide, premiums will be refunded). After that, cover is provided for death by any cause.

What if I don't pay my premiums?

If a premium remains unpaid for 30 days after it was due we can cancel your policy, meaning you will not be covered. There is also no refund of premiums paid to date. If you do have any difficulty meeting a premium payment, give us a call and we will be happy to discuss options that may be available to you.
